

Question & Answer Log – MAR0029 Sport Pitch Service, Maintenance and Repair

Version 1 – 7<sup>th</sup> January 2022

#	Question	Answer
1	Are we able to price for the artificial grass works only?	No. Tender submissions MUST include a price for all elements of the specification that is within the Pricing Schedule. However, Providers are permitted to subcontract elements of the specification to a third party, however the cost / charge for this must be incorporated within your price submission
2	I note that the Tender requires services to both artificial and natural sports pitches. Will you accept part submission from ourselves for just the maintenance of the artificial pitches or are you requiring a contractor that can cover all surface types?	No. Tender submissions MUST include a price for all elements of the specification that is within the Pricing Schedule. However, Providers are permitted to subcontract elements of the specification to a third party, however the cost / charge for this must be incorporated within your price submission
3	Is it just the playing surfaces that would need to be cut (inside the blue lines) or do they need to include all the surrounding grassed areas (red lines) as per the attached picture.	It is just the playing surface within the blue line, all grounds maintenance is provided by another contractor.
