1. **REFERENCE DOCUMENTS**

1.0.1. The Reference Documents are those documents identified in the following Tables 1.1, 1.2 and 1.3, together with any amendments or additions thereto published by the *Client* from time to time.

1.1. Current Documents

- 1.1.1. Table 1.1 presents a list of current Department for Transport (DfT) and Highways England documents which may be relevant to the work undertaken by the Contractor in the performance of its duties. The list identifies both mandatory and advisory requirements, with which the Contractor complies, together with the sources from which the documents can be obtained.
- 1.1.2. For ease of reference, the documents have been grouped into the following categories:
 - (1) Mandatory
 - (a) Corporate Strategy,
 - (b) Performance Measurements,
 - (c) Technical Requirements,
 - (2) Advisory
 - (a) General.

1.2. Area Specific Documents

- 1.2.1. Table 1.2 contains a list of area specific documentation which are relevant to the work undertaken by the Contractor in the performance of its duties together with information on the sources from which those documents can be obtained. Unless otherwise stated, these documents form Mandatory requirements, with which the Contractor complies
- 1.2.2. Any ambiguities or discrepancies discovered within the documents listed in this Table to those listed in Table 1.1 shall be explained and adjusted by the *Client* who shall thereupon issue to the Contractor appropriate instructions in writing.

1.3. Amendments to Current and Area Specific Documents

1.3.1. Table 1.3 contains a list of additional requirements and/or amendments to the documents listed in Tables 1.1 and 1.2. Unless otherwise stated, these documents form Mandatory requirements, with which the Contractor complies. For ease of reference, the documents have been grouped into the following categories:

(1) Interim Advice Notes (IAN)

Note: The list of IAN in Table 1.3 reflect the latest governance surrounding issues which are not yet incorporated into other documents and are available from

http://www.standardsforhighways.co.uk/ha/standards/ians/index.htm. IAN contain advice and guidance, as well as mandatory requirements which must be complied with.

(2) Chief Highway Engineer Memorandums (CHE Memos)

Note: The list of CHE Memos in Table 1.3 identifies further requirements which are additional to the IAN listing and carry the same mandatory compliance status. The CHE Memos are contained in a file attachment as part of the Tender Documents. Refer to **o** for details of CHE Memos.
