As detailed within the DPQQ documentation

III.1.2)Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:

As detailed within the DPQQ documentation

III.1.3)Legal form to be taken by the group of economic operators to whom the contract is to be awarded:

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into contract.

III.1.4) Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information:

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

III.1.5) Information about security clearance

Candidates which do not yet hold security clearance may obtain such clearance until: Not Provided

III.2)Conditions For Participation

III.2.1)Economic and financial capacity:

Criteria regarding the personal situation of economic operators (that may lead to their

exclusion) including requirements relating to enrolment on professional or trade registers.

The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of these criteria are at
<http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the Authority.

Minimum level(s) of standards possibly required: (if applicable)

The maximum value of any framework agreement awarded could be up to £20,000,000 over a 4 year period. If the estimated annual contract value is greater than 40% of the supplier's turnover, the Authority reserves the right to exclude the supplier from being selected to tender except where the supplier provides, to the satisfaction of the Authority, evidence showing it has sufficient economic and financial capability, e.g. such evidence may include:

- (1) Any additional information proving it has sufficient economic and financial resources to deliver the requirement; and
- (2) State whether the supplier is willing to provide the Authority with an indemnity,

guarantee or bank bond.

A financial assessment will be undertaken on the supplier's financial status. An overall pass / fail judgement will be made after considering areas such as turnover, profit, net assets, liquidity, gearing and capacity. This assessment will include the Parent company where applicable. An independent financial assessment obtained from a reputable credit rating organisation will be utilised as part of this process.

III.2.3) Technical and/or professional capacity:

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

(d) a statement of the technicians or technical services available to the economic operator to: (i) carry out the work under the contract, or (ii) be involved in the production of goods or the provision of services under the contract, particularly those responsible for quality control, whether or not they are independent of the economic operator;

(e) a statement of the economic operator's: (i) technical facilities; (ii) measures for ensuring quality; (iii) study and research facilities; and (iv) internal rules regarding intellectual property;

(f) a check carried out by the contracting authority or on its behalf by a competent official body of the member State in which the economic operator is established: (i) on the technical capacity of the economic operator; and (ii) if relevant, on the economic operator's study and research facilities and quality control measures;

(h) the environmental management measures, that the economic operator is able to apply when performing the contract, but only where it is necessary for the performance of that contract;

(j) a description of the tools, material, technical equipment, staff numbers, know-how and sources of supply (with an indication of their geographical location when it is outside the territory of the EU) available to the economic operator to perform the contract, cope with any additional needs required by the contracting authority as a result of a crisis or carry out the maintenance, modernisation or adaptation of the goods covered by the contract;

(l) certification by official quality control institutes or agencies of recognised competence, attesting that the goods to be purchased or hired under the contract conform to standards and technical specifications (within the meaning of regulation 12(1)) identified by the contracting authority;

(m) in the case of contracts involving, entailing or containing classified information, evidence of the ability to process, store and transmit such information at the level of protection required by the contracting authority;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the relevant European standard; and (ii) from an independent accredited body established in any member State conforming to the European standards concerning accreditation and certification;

(o) any other evidence of conformity to quality management systems standards which are equivalent to the standards referred to in sub-paragraph (n)(i);

Information and formalities necessary for evaluating if the requirements are met:
