Failure to comply with these requirements for completion and submission of Proposals may result in Proposals not being taken forward further. These instructions and information, and this Appendix, constitute conditions which will apply to Potential Concessionaires' participation in the Procurement Process. Participation in the Procurement Process will be deemed to constitute the Potential Concessionaire's acceptance of these conditions.
- 2.2 The Potential Concessionaire's employees who are involved in this Procurement Process shall not knowingly make contact with any employee, agent or consultant of TNA who is in any way connected with this Procurement Process during the period of this Procurement Process, except as set out in this documentation or as instructed otherwise by TNA.

TNA may require the Potential Concessionaire to amend or withdraw all or part of the

Proposal and/or Tender Response in which it is involved if, in TNA's reasonable opinion, any of the above issues have arisen or may arise.

- 6.3 If TNA deems that none of the Proposals are satisfactory, it reserves the right to terminate all or part of the Procurement Process.

Neither TNA nor its advisers, directors, officers, members, employees or other staff or agents:
- 8.2.1 accept any liability or responsibility for the adequacy, accuracy or completeness of the Invitation to Tender Documentation,
 - 8.2.2 make any representation or warranty, express or implied, with respect to the information the Invitation to Tender Documentation contains nor shall any of them be liable for any loss of damage (other than in respect of fraudulent misrepresentation) arising as a result of reliance on such information or any subsequent communication.
- 8.4 The Potential Concessionaire should form its own conclusions and make its own independent assessment of TNA's requirements and should seek its own professional financial and legal advice about the methods and resources needed to meet them.
- 8.5 TNA and its advisers do not accept responsibility for the Potential Concessionaire's assessment of the requirements of the Procurement Process.

- 10.1.1 treats the Invitation to Tender Documentation as confidential at all times, unless it is already in the public domain;
- 10.1.2 does not disclose, copy, reproduce, distribute or pass any of the Invitation to Tender Documentation to any other person at any time or allow any of these things to happen, except where, and to the extent that, it has been publicised in accordance paragraph 11 (Freedom of Information) or paragraph 12 (Transparency);
- 10.1.3 only uses the Invitation to Tender Documentation for the purposes of preparing a Proposal (or deciding whether to respond); and
- 10.1.4 does not undertake any promotional or similar activity related to the Procurement Process within any section of the media during the Procurement Process. A Potential Concessionaire may disclose, distribute or pass any of the Invitation to Tender Documentation to its advisers, sub-suppliers, consortium members or to another person provided that:
 - 10.1.4.1 it is done for the sole purpose of enabling it to submit a Proposal and the person receiving the Invitation to Tender Documentation undertakes in writing to keep it confidential on the same terms imposed by these Terms of Participation; or

- 10.1.4.2 it obtains TNA's prior written consent in relation to such disclosure, distribution or passing of Information; or
 - 10.1.4.3 the disclosure is made for the sole purpose of obtaining legal advice from external lawyers in relation to the Procurement Process; or
 - 10.1.4.4 the Potential Concessionaire is legally required to make such a disclosure; or

- 10.3 TNA may disseminate information provided by a Potential Concessionaire that is materially relevant to the Procurement Process to other Potential Concessionaires subject to:
- 10.3.1 any procedures described in the Invitation to Tender Documentation for raising questions and/or clarifications; and
 - 10.3.2 any duty to protect commercial confidentiality in relation to the information contained within a Proposal (unless such a duty is overridden by a requirement for disclosure under the FoIA as per paragraph 11 below, and the UK Government's requirements on transparency as per paragraph 12 below).

11 FREEDOM OF INFORMATION

- 11.1 In accordance with the obligations and duties placed upon public authorities by the FoIA and in accordance with any government Code of Practices on the Discharge of the Functions of Public Authorities, all information submitted to TNA may be disclosed in response to a request for information made pursuant to the FoIA and the EIR.
- 11.2 Potential Concessionaires should note that the information disclosed in response to a FoIA or EIR request may include, but is not limited to, the disclosure of its Proposal (including any attachments or embedded documents) and/or any score or details of the evaluation of a Proposal.
- 11.3 If a Potential Concessionaire considers any part of its Proposal or any other information it submits to be confidential or commercially sensitive, the Potential Concessionaire should:

- 11.3.1 clearly identify such information as confidential or commercially sensitive;
 - 11.3.2 explain the potential implications of disclosure of such information; and
 - 11.3.3 provide an estimate of the period of time during which it believes that such information will remain confidential or commercially sensitive.
- 11.4 If a Potential Concessionaire identifies that part of its Proposal or other information it submits is confidential or commercially sensitive, TNA will consider in its sole discretion withholding it from publication. Potential Concessionaires should note that, even where information is identified as confidential or commercially sensitive, TNA may be required to disclose such information in accordance with the FoIA or the EIR.
- 11.5 TNA is required to form an independent judgement upon whether the information is exempt from disclosure under the FoIA or the EIR and whether the public interest favours disclosure or not. TNA cannot guarantee that any information indicated as being “confidential” or “commercially sensitive” by a Potential Concessionaire will be withheld from publication.
- 11.6 If a Potential Concessionaire receives a request for information under the FoIA or the EIR during the Procurement Process, it should be immediately referred to TNA.

12 TRANSPARENCY

- 12.1 In accordance with the Government's policy on transparency, TNA reserves the right to make all or part of the Information publicly available (subject to any redactions made at the discretion of TNA by considering and applying relevant exemptions under the FoIA).
- 12.2 A Proposal will not be published unless such disclosure is required in accordance with paragraphs 11 or 12.
- 12.3 Potential Concessionaires should note that the terms of the proposed Contract will permit TNA to publish the full text of such Contract after considering (at the TNA's sole discretion) any representations made by the Potential Concessionaire with whom the Contract has been entered into regarding the application of any relevant FoIA or EIR exemptions.
- 12.4 The Potential Concessionaire acknowledges and agrees that information contained within its Proposal may be incorporated by the TNA into any Contract awarded to it and as a result, it may be published in accordance with this paragraph 12.

- 13.2 Potential Concessionaires grant TNA an irrevocable, perpetual, non-exclusive licence to copy, amend and reproduce any intellectual property contained within the Proposal for the purposes of carrying out the Procurement Process. This licence shall also permit TNA to sublicense the use of the Proposal to its advisors or sub-suppliers for the same purposes.

14 NO INDUCEMENT OR INCENTIVE

The Invitation to Tender Documentation is issued on the basis that nothing contained in it shall constitute an inducement or incentive nor shall have in any other way persuaded a Potential Concessionaire to submit a Proposal.

15 CONSORTIUM PROPOSALS

- 15.1 If a group of persons wish to act jointly to provide the Catering Concession Service they may do so:
- 15.1.1 with all parties signing the resultant Contract and assuming joint and several responsibility for performance of the Contract. However, TNA may require the consortium to form a single legal entity for the purpose of concluding the Contract; or
 - 15.1.2 using a separate entity (often referred to as a special purpose vehicle or "SPV") who will ultimately enter into a Contract with TNA. If the SPV does not yet exist or has a limited trading history it is likely that TNA will require the consortium members to nominate a guarantor for the SPV's performance of the Contract.
- 15.2 The consortium must nominate one of its members to lead the bidding process. If the SPV exists, then the SPV should lead and complete the Proposal in its name and 'voice'. If the SPV does not yet exist or the consortium plans to collaborate on a joint and several basis, then it should nominate a lead consortium member. The lead member will be treated as the Potential Concessionaire by TNA for the purposes of the Procurement Process and to communicate with the consortium.
- 15.3 Where the Potential Concessionaire relies on one or more consortium members in its Proposal to demonstrate the consortium's ability to provide the Service in accordance with the requirements of the Procurement Process, it must inform TNA in its Proposal.
- 15.4 A Potential Concessionaire's Proposal must clearly identify in response to any question, when it is relying on another consortium member, the name of the

particular consortium member and explain the consortium member's role as the context of the question requires.

16 LAW AND JURISDICTION

- 16.1 Any dispute (including non-Contractual disputes or claims) relating to the Procurement Process shall be governed by and construed in accordance with the laws of England and Wales, and the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with the Procurement Process (including non-Contractual disputes or claims).
