

## **ROSEMEAD PLAY AREA EQUIPMENT REPLACEMENT**

### **FREQUENTLY ASKED QUESTIONS**

**1. Can you confirm that you want to replace the fencing?**

Yes – we are looking for the new facilities to be enclosed and new fencing that gives a sense of safety and reflects / blends in with the setting.

**2. Do you want areas within the new facility to be restricted for use by different age groups?**

We are looking for an innovative solution to the provision of play facilities on the site for children of the ages specified in the brief and one that allows children to transition/ progress through these age groups.

**3. Can the footprint be enlarged?**

Yes, and potentially re-sited within the foot print of the Park. Any expansion should also consider provision of the green space for other users such as dog walkers.

**4. What other furniture are you looking for?**

Seating areas accommodating users of all abilities including picnic tables. Shelters are to be avoided.

**5. Is there any utility infrastructure underneath the Park?**

There are none that Town Council is aware of.

**6. Is the feedback from the consultation exercise available?**

Yes – this is attached.

**Please note: These will be updated until the closing date.**
