

## Tender clarification sheet.

1. Are there any underground services running through the area?  
Not as far as we are aware.
2. Can the waste from the site be used to create a bund at the top end, along original stock proof fence, tying in the existing bank, and be planted with wildflowers?  
Agreed.
3. How big is the access gate in top stock proof fencing?  
This is an 8 foot metal vehicle access gate, for maintenance only, no pedestrian access to the field.
4. How is the composite fence to look, that surrounds the Memorial Garden?  
Picket fence style.
