1. DEFINITIONS

- 1.1 In construing this Schedule 7.3 (Benchmarking), unless otherwise expressly specified in this Schedule, terms defined and used in Schedule 1 (Definitions) will have the same meaning in this Schedule.
- 1.2 For the avoidance of doubt, the benchmarking provisions in this Schedule (including the Benchmark Review and Benchmarked Services) are in addition to and are separate from the benchmarking provisions in Schedules 2.1, 4.1, 6.3, 7.1 or elsewhere within the Agreement.

2. FREQUENCY, PURPOSE AND SCOPE OF BENCHMARK REVIEW

- 2.1 The Authority may, by written notice to the Supplier, require a Benchmark Review of any or all of the Services (excluding Tariff Charges) in order to establish whether a Benchmarked Service and/or the Benchmarked Services as a whole are of Good Value.
- 2.2 Unless specifically stated to the contrary in any Annex to this Schedule 7.3 (Benchmarking) the Authority shall not be entitled to carry out a Benchmark Review of any Services during the [REDACTED] from the Effective Date, nor at intervals of less than [REDACTED] after any previous Benchmark Review relating to the same Services.
- 2.3 The Services that are to be the Benchmarked Services will be identified by the Authority in the notice given under Paragraph 2.1.

3. APPOINTMENT OF BENCHMARKER

- 3.1 The Authority shall appoint a Benchmarker to carry out the Benchmark Review to either an organisation on the list of organisations set out in Annex 1 or such other organisation as may be agreed in writing between the Parties.
- 3.2 The Authority shall, at the written request of the Supplier, require the Benchmarker to enter into a confidentiality agreement with the Supplier in, or substantially in, the form set out in Annex 2.
- 3.3 The costs and expenses of the Benchmarker and the Benchmark Review shall be shared equally between both Parties provided that each Party shall bear its own internal costs of the Benchmark Review. The Parties agree that the Benchmarker shall not be compensated on a contingency fee or incentive basis and neither Party shall agree to payment for the Benchmark Review on such basis.
- 3.4 The Authority shall be entitled to pay the Benchmarker's costs and expenses in full and to recover the Supplier's share from the Supplier.

4. BENCHMARK REVIEW

- 4.1 The Authority shall require the Benchmarker to produce, and to send to each of the Authority and the Supplier for approval, a draft plan for the Benchmark Review within [REDACTED] Working Days after the date of the appointment of the Benchmarker, or such longer period as the Benchmarker shall reasonably request in all the circumstances. The plan must include:
- (a) a proposed timetable for the Benchmark Review;
 - (b) a description of the information that the Benchmarker requires each Party to provide;
 - (c) a description of the benchmarking methodology to be used;

- (d) a description that clearly illustrates that the benchmarking methodology to be used is capable of fulfilling the benchmarking objectives under Paragraph 2.1;
 - (e) an estimate of the resources required from each Party to underpin the delivery of the plan;
 - (f) a description of how the Benchmarker will scope and identify the group of service providers for comparison (always taking into account, and using where appropriate, the Comparison Group);
 - (g) details of any entities which the Benchmarker proposes to include within the Comparison Group described in (f) above, together with their Comparable Services; and
 - (h) if in the Benchmarker's professional opinion there are no Comparable Services or the number of entities carrying out Comparable Services is insufficient to create a Comparison Group, a detailed approach for meeting the relevant benchmarking objective(s) under Paragraph 2.1 using a proxy for the Comparable Services and/or Comparison Group as applicable.
- 4.2 The Parties acknowledge that the selection and or use of proxies for the Comparison Group pursuant to Paragraph 4.1(f) (both in terms of number and identity of entities) and Comparable Services shall be a matter for the Benchmarker's professional judgment.
- 4.3 Each Party shall give notice in writing to the Benchmarker and to the other Party within ten (10) Working Days after receiving the draft plan either approving the draft plan or suggesting amendments to that plan which must be reasonable. Where a Party suggests amendments to the draft plan pursuant to this Paragraph 4.3, the Benchmarker shall, if it believes the amendments are reasonable, produce an amended draft plan. Paragraph 4.1 and this Paragraph 4.3 shall apply to any amended draft plan.
- 4.4 Failure by a Party to give notice under Paragraph 4.3 shall be considered as approval of the draft plan by that Party. If the Parties fail to approve the draft plan within thirty (30) Working Days of its first being sent to them pursuant to Paragraph 4.1 then the Benchmarker shall prescribe the plan.
- 4.5 Once the plan is approved by both Parties or prescribed by the Benchmarker, the Benchmarker shall carry out the Benchmark Review in accordance with the plan. Each Party shall procure that all the information described in the plan, together with any additional information reasonably required by the Benchmarker is provided to the Benchmarker without undue delay. Requests for detailed information in support of figures stated in the Financial Model, the Financial Reports, or the Supplier's statutory accounts shall always be deemed to be reasonable. If the Supplier fails to provide any information requested from it by the Benchmarker and described in the plan, such failure shall constitute a material Default for the purposes of Clause 26.1(c) (Rectification Plan Process). For the avoidance of doubt the Supplier shall provide any and all information requested by the Benchmarker or the Authority in relation to organisations within the Comparison Group which are Contracting Authorities (as set out in the Public Contracts Regulations 2015) and the Supplier provides services to them or has provided services to them in the preceding thirty six (36) months prior to the appointment of the Benchmarker.
- 4.6 Each Party shall co-operate fully with the Benchmarker, including by providing access to records, technical documentation, premises, equipment, systems and personnel at times reasonably requested by the Benchmarker, provided that the Benchmarker shall be instructed to minimise any disruption to the Services.
- 4.7 Either Party may provide additional material to the Benchmarker to assist the Benchmarker in conducting the Benchmark Review.

4.8 Once it has received the information it requires, the Benchmarker shall:

- (a) finalise the sample of entities constituting the required Comparison Group and collect data relating to Comparable Services. The final selection of the entities in the Comparison Group (both in terms of number and identity of entities) and of the Comparable Services shall be a matter for the Benchmarkers professional judgment;
- (b) derive the Equivalent Services Data by applying the adjustment factors listed in Paragraph 4.9 and from an analysis of the Comparable Services;
- (c) derive the relative value for money of the charges payable for the Comparable Services using the Equivalent Services Data and from that derive the Upper Quartile;
- (d) derive the median service levels relating to the Comparable Services using the Equivalent Services Data;
- (e) compare the value for money of the Charges attributable to the Benchmarked Services (having regard in particular to the applicable Performance Indicators) to the value for money of the Upper Quartile;
- (f) compare the Performance Indicators attributable to the Benchmarked Services (having regard to the Charges and Service Credits) with the median service levels using the Equivalent Services Data; and
- (g) determine whether or not each Benchmarked Service is and/or the Benchmarked Services as a whole are of Good Value.

4.9 The Benchmarker shall have regard to the following matters when performing a comparative assessment of a Benchmarked Service and a Comparable Service in order to derive Equivalent Services Data:

- (a) the contractual and business environment under which the Services are being provided (including the scope, scale, complexity and geographical spread of the Services);
- (b) any front-end investment and development costs of the Supplier;
- (c) the Supplier's risk profile including the financial, performance or liability risks associated with the provision of the Services as a whole;
- (d) the extent of the Supplier's management and contract governance responsibilities;
- (e) the need for the Authority to maximise value for money, and demonstrate effective, efficient and economical stewardship of public money; and
- (f) any other reasonable factors demonstrated by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive (such as erroneous costing, non-sustainable behaviour including excessive consumption of energy or over-aggressive pricing).

5. BENCHMARK REPORT

5.1 The Benchmarker shall be required to prepare a Benchmark Report and deliver it simultaneously to both Parties, at the time specified in the plan approved under Paragraph 4, setting out its findings. The Benchmark Report shall:

- (a) include a finding as to whether or not each Benchmarked Service is and/or whether the Benchmarked Services as a whole are, Good Value;

- (b) include other findings (if any) regarding the quality and competitiveness or otherwise of those Services;
 - (c) if any Benchmarked Service is not Good Value, or the Benchmarked Services as a whole are not Good Value, specify the changes to the Charges, Performance Indicators and/or Minimum Service Thresholds, that would be required to make that Benchmarked Service or those Benchmarked Services as a whole Good Value; and
 - (d) illustrate the method used for any normalisation of any Equivalent Services Data.
- 5.2 The Benchmarkers shall act as an expert and not as an arbitrator.
- 5.3 If the Benchmark Report states that any Benchmarked Service is not Good Value or that the Benchmarked Services as a whole are not Good Value, then the Supplier shall (subject to Paragraphs 5.5 and 5.6) implement the changes set out in the Benchmark Report as soon as reasonably practicable within timescales agreed with the Authority but in any event within no more than three (3) months. Any associated changes to the Charges shall take effect only from the same date and shall not be retrospective. The Parties shall document any Changes in accordance with the Change Control Procedure.
- 5.4 The Supplier acknowledges and agrees that Benchmark Reviews shall not result in any increase to the Charges, disapplication of the Performance Indicators or any reduction in the Performance Indicators.
- 5.5 The Supplier shall be entitled to reject any Benchmark Report if the Supplier reasonably considers that the Benchmarkers has not followed the procedure for the related Benchmark Review as set out in this Schedule in any material respect.
- 5.6 The Supplier shall not be obliged to implement any Benchmark Report to the extent this would cause the Supplier to provide the Services at a Benchmark Loss (as determined, by reference to the Financial Model).
- 5.7 In the event of any Dispute arising over whether the Benchmarkers has followed the procedure for the related Benchmark Review under Paragraph 5.5 and/or any matter referred to in Paragraph 5.6, the Dispute shall be referred to Expert Determination. For the avoidance of doubt in the event of a Dispute between the Parties, the Authority shall continue to pay the Charges to the Supplier in accordance with the terms of this Agreement and the Performance Indicators shall remain unchanged pending the conclusion of the Expert Determination.
- 5.8 On conclusion of the Expert Determination:
- (a) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any reduction in the Charges shall be implemented by the Supplier, the Supplier shall immediately repay to the Authority the difference between the Charges paid by the Authority up to and including the date of the Expert's determination and the date upon which the recommended reduction in Charges should have originally taken effect pursuant to Paragraph 5.3, together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
 - (b) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any changes to the Performance Indicators shall be implemented by the Supplier:
 - (i) the Supplier shall immediately implement such changes;
 - (ii) the Supplier shall immediately pay an amount equal to any Service Credits which would have accrued up to and including the date of the Expert's

- (c) any Changes shall thereafter be subject to the Change Control Procedure for the purposes of formalising and documenting the relevant Change.

- 5.9 Any failure by the Supplier to implement the changes as set out in the Benchmark Report in accordance with the relevant timescales determined in accordance with Paragraph 5.3 (unless the provisions of Paragraph 5.6 and/or Paragraph 5.7 apply) or in accordance with Paragraph 5.8 shall, without prejudice to any other rights or remedies of the Authority, constitute a Supplier Termination Event.
