**EICSupplyMap Subscription - UKEF**

The EIC is the leading trade association which provides dedicated services to help members understand, identify and pursue business opportunities globally. Established in 1943, the EIC is a not-for-profit organisation with a membership of over 750 member companies that delivers goods and services to energy industries worldwide. The EIC provides one of the most comprehensive sources of energy projects and business intelligence in the energy sector. It is renowned for its excellence in providing services that unlock opportunities for its members and helping the supply chain to win business across the globe.

**Summary of Subscription**

EICSupplyMap is the EIC's latest offering in our suite of energy market intelligence databases. This up-to-date and verified database of more than 3,500 UK energy sector supply chain companies can provide unparalleled insight into the UK's capabilities. EICSupplyMap maps UK supply chain companies with proven capabilities operating in a wide range of energy sectors, including renewables, oil and gas (upstream, midstream and downstream sectors) power generation, nuclear, transmission and distribution, carbon capture, hydrogen and energy storage. All the data is verified, moderated and inputted by the EIC.

Included as part of the subscription would be:

- Up to a maximum of 100 user accounts for UKEF (UK and overseas) to access EICSupplyMap
- Two workshops per year led by EIC Analysts on the current state of play in the global energy markets, with a focus on future and current project activities, and emerging markets
- Early access to data and reports relating to Energy Transition and Cleantech sectors
- Monthly masterclasses to be held by EIC on behalf of UKEF colleagues, to include training on EICSupplyMap
- Free attendance to EIC webinars
- EIC to organise on behalf of UKEF four webinars per year to engage with the supply chain and promote the UKEF offering and to include testimonials from companies that have utilised UKEF services.

**Cost of Service**

The cost for 12 months access to EICSupplyMap is [REDACTED] excluding VAT. Access to EICSupplyMap will commence on the date of receipt of this signed agreement.

Payment may be taken forward by wire transfer or an invoice can be raised.

**Acceptance and Agreement**

EICSupplyMap is provided by the EIC as a benefit to its members. Whereas every effort has been made to ensure that information provided through EICSupplyMap is accurate, the EIC accepts no liability for any errors, omissions or misleading statements in such information and accept no responsibility as to the standing of any firm, company or individual mentioned within the report delivery. Any party interested in the goods or services provided by any company referred to in the database should undertake its own research and should not consider a reference in EICSupplyMap to be an endorsement of any goods, services or companies mentioned.

The data to be supplied will have been compiled by the EIC from internal and external sources and does not reflect or otherwise illustrate any recommendations of the EIC. Use of said data is at your discretion and risk and should only be used in this context.

Sharing of licences with a third party is prohibited unless a signed agreement is given by the EIC. The EIC would need to understand the intentions of the third party in using EIC data before a licence can be created.

**This EIC subscription agreement** has been signed on 3 March 2022.
