**Tree Services Tender Clarification Log**

Clarification Question	Question	Response	Date Received	Date Response Provided
1	Planting and watering of new trees - does this include the purchase of them too?	Tree purchase itself not included as this will vary, so just costs for the actual work and return visits to ensure the tree takes.	16/11/2023	20/11/2023
2	Traffic control measures - is this the price for all of the tree removal and traffic management or purely the tree removal within the traffic management element	Traffic control is just any additional costs the Provider would charge in order to put traffic control in place if it was needed.	16/11/2023	20/11/2023
3	Insurance documents	Please insure all insurance documents relevant to this area of works. Rooftop will review at evaluation stage, if anything is missing, we will make contact.	17/11/2023	20/11/2023
4	Emergency response costs	Please see amended pricing matrix. We have added in a tab for emergency response costs. Please could this be completed.	24/11/2023	28/11/2023
