The subscription above is a renewal of the subscription set forth in Exhibit A Q-55518 signed between the parties on 30th June 2020 ('2020 Exhibit A') for a new subscription period from 1st of July 2021 through 30th June 2022 ('New Subscription Period'). The Customer has elected to renew the subscription at the rates mentioned and for the quantities mentioned in this Exhibit A. At the end of the New Subscription Period, the Customer shall have the one-time right to renew the subscription for a further year at the fees set forth above plus an increase not to exceed four percent (4%) (the 'Cap'). In order to benefit from the Cap, the Customer must renew all of the license quantities set forth on this Exhibit A. If the Customer wishes to renew a subset of the licenses set forth on this Exhibit A, the Cap shall not apply. For the avoidance of doubt, neither the fees set forth herein nor the Cap shall apply to any additional licenses acquired by Customer during the term ('New Licenses') Any New Licenses shall be the subject of separate commercial negotiation.

31st October 2005 ('CCN7') was the subject of a License Report (as defined in CCN7) which was attached to the 2019 Exhibit A as Table 1. For the avoidance of doubt, the Parties acknowledge that (i) during the New Subscription Period set forth above and for as long as the above Subscription is renewed, the Customer shall have no right to deploy or use the Prior Licenses and may only deploy and use the quantities of Software set forth in this Exhibit A (ii) Deployment of the Prior Licenses was only unlimited until 30th June 2017 and if the Customer deploys or uses Software in excess of the quantities set forth above during the New Subscription Period additional fees will be payable . Both parties acknowledge that the decision to park the Prior Licenses is integral to the provision of the Software set forth above on the terms stated and without such, Informatica would not have entered into the

transaction. For the avoidance of doubt no refunds will be given to Customer for pre-paid Support Services fees for the Prior Licenses.
