If, in the case of Clause 4.3.1, Rejected Goods are not collected within ten (10) Business Days of the Authority issuing written notification rejecting the Goods, the Authority may return the Rejected Goods at the Supplier's risk and expense and charge the Supplier for the cost of storage from the expiry of ten (10) Business Days from the date of notification of rejection.
- 4.6 Where the Authority rejects any Goods in accordance with Clauses 4.2 and/or 4.7 of this Schedule 2 the Authority may by written notice cancel its purchase obligations in relation to such quantity of Rejected Goods. Should the Authority have paid for such Rejected Goods the Supplier shall, at the Authority's request, either:

For the avoidance of doubt, Goods not used before their expiry date shall in no event be considered Defective Goods following the date of expiry provided that at the point such Goods were delivered to the Authority they met any shelf life requirements set out in the Specification.

Any delivery that fails to arrive at the delivery location at the agreed delivery time which has not been amended in accordance with Clause 2.1 of this Schedule 5 may result in a rescheduled delivery time at the reasonable discretion of NHS Supply Chain. Any rescheduled time may be outside the Supplier's normal working hours at no additional cost to NHS Supply Chain.
- 2.3. In certain exceptional circumstances NHS Supply Chain may require the Goods to be delivered on a same day or next day basis. In such circumstances, NHS Supply Chain will contact the Supplier to discuss such requirement and arrange a mutually acceptable delivery time and the Supplier agrees that it will not unreasonably withhold or delay its agreement to a mutually acceptable delivery time. In such circumstances there shall be no additional cost payable by either party unless otherwise agreed in writing.
- 2.4. In the event that the Supplier ceases operations for any duration during the Christmas/Easter holiday season, the NHS Supply Chain may be required to forward purchase Goods. In such circumstances, the NHS Supply Chain will contact the Supplier to discuss its requirements and arrange a mutually acceptable delivery time and the Supplier agrees that it will not unreasonably withhold or delay its agreement to a mutually acceptable delivery time. There shall be no additional costs payable by either party pursuant to this Clause 2.4 of this Schedule 5 unless otherwise agreed in writing prior to delivery.

Refusal of Deliveries

- 2.5. In accordance with Clause 4 of Schedule 2, NHS Supply Chain reserves the right to refuse deliveries if any of the following circumstances occur:
 - 2.5.1. the delivery is dangerous to unload or load (including but not limited to poor presentation of pallets or the vehicle or premises being unsuitable for safe unloading);
 - 2.5.2. there is any breach of the requirements for containers and pallets as set out in 17 of Schedule 2 or as detailed in the ORS document;
 - 2.5.3. the Goods are damaged and not fit for sale by NHS Supply Chain and/or use by NHS Supply Chain's customers;

- 2.5.4. the Goods show visible signs of tampering or theft;
 - 2.5.5. the delivery arrives more than 30 minutes before or after the agreed delivery time;
 - 2.5.6. the delivery arrives without a delivery (or collection) advice note which complies with the requirements set out in 2.4 of Schedule 2;
 - 2.5.7. the remaining shelf life of the Goods is less than that stated as a requirement in the Specification or as otherwise previously agreed between the Parties in writing;
 - 2.5.8. the Supplier's delivery driver is abusive and/or fails to comply with NHS Supply Chain's Policies;
 - 2.5.9. the Supplier's delivery driver arrives at the location without the necessary manual handling equipment to facilitate the movement of the Goods within the delivery vehicle thereby making the unloading of the Goods impossible; or
 - 2.5.10. the Goods do not have an ASN prior to delivery.
- 2.6 NHS Supply Chain reserves the right to accept a sub-standard delivery in order to continue supply to its customers. In these circumstances NHS Supply Chain will be entitled to charge the Supplier for any costs incurred by NHS Supply Chain for re-working of the delivery including but not limited to costs associated with re-stacking or re-packaging the delivery so that it is safe to store within an NHS Supply Chain depot and subsequently deliver to NHS Supply Chain customers.

Returns

- 2.7 The Supplier acknowledges and agrees that NHS Supply Chain customers may from time to time return Goods for convenience. NHS Supply Chain shall notify the Supplier of any such returns and the Supplier must collect the returned Goods within ten (10) Working Days of such notification at the Supplier's cost, unless otherwise agreed between the Parties in writing. If the Supplier fails to collect the returned Goods in accordance with this Clause 2.7 of Schedule 5, the NHS Supply Chain shall be entitled to dispose of the Goods at the Supplier's expense. Any such disposal shall not affect the right to a refund in accordance with Clause 2.8 of this Schedule 5.
- 2.8 The Supplier shall issue a full refund for all returned Goods which are undisputed in accordance with Clause 2.9 of this Schedule 5 within thirty (30) days.

- 2.9 Where a Supplier disputes that the condition of returned Goods is the same as the condition in which the Goods were delivered to the NHS Supply Chain or NHS Supply Chain's customer, the onus shall be on the Supplier to provide photographic evidence to support its claim. Failure to provide such suitable photographic evidence will result in NHS Supply Chain claiming a full refund for the returned Goods, but for the avoidance of doubt, such photographic evidence will be required to be conclusive in the reasonable opinion of NHS Supply Chain to be deemed acceptable.

3 Sale or Return

Where NHS Supply Chain notifies the Supplier in writing that any Stock Goods the Supplier supplies or is to supply under the terms of the Framework Agreement and this Contract have not been previously stocked by NHS Supply Chain or there are exceptional circumstances in relation to such Goods, this Clause 3 of Schedule 5 shall apply to those Goods. Until such time as NHS Supply Chain considers that it has a reliable history of demand, all purchases of Goods to which this Clause 3 of Schedule 5 applies shall be supplied by the Supplier on the basis of six (6) months' "sale or return". Should any Goods be returned under this arrangement which have at least half of the remaining shelf life stated in the Specification or six (6) months' shelf life remaining, whichever is less, the Supplier shall refund the returned Goods to NHS Supply Chain, or, by agreement with NHS Supply Chain arrange for an exchange of other Stock goods of equal value.

4 Minimum Order Quantities

NHS Supply Chain cannot accept minimum order quantities in relation to any Orders except in exceptional circumstances pre-agreed in writing by the parties.
