16.3 The Supplier shall notify the Customer as soon as practicable of any change of control as referred to in clause 16.2.4 or any potential such change of control.

16.4 The Supplier may terminate the Agreement by written notice to the Customer if the Customer has not paid any undisputed amounts within 90 days of them falling due.

16.5 Termination or expiry of the Agreement shall be without prejudice to the rights of either Party accrued prior to termination or expiry and shall not affect the continuing rights of the Parties under this clause and clauses 2, 3.2, 6.1, 6.2, 6.6, 6.7, 7, 9, 10.2, 11, 12, 13, 14, 16.6, 17.4, 18.3, 19 and 20.7 or any other provision of the Agreement that either expressly or by implication has effect after termination.

16.6 Upon termination or expiry of the Agreement, the Supplier shall:

- 16.6.1 give all reasonable assistance to the Customer and any incoming supplier of the Services; and
- 16.6.2 return all requested documents, information and data to the Customer as soon as reasonably practicable.

17 Compliance

17.1 The Supplier shall promptly notify the Customer of any health and safety hazards which may arise in connection with the performance of its obligations under the Agreement. The Customer shall promptly notify the Supplier of any health and safety hazards which may exist or arise at the Customer's premises and which may affect the Supplier in the performance of its obligations under the Agreement.

17.2 The Supplier shall:

- 17.2.1 comply with all the Customer's health and safety measures while on the Customer's premises; and
- 17.2.2 notify the Customer immediately in the event of any incident occurring in the performance of its obligations under the Agreement on the Customer's premises where that incident causes any personal injury or damage to property which could give rise to personal injury.

17.3 The Supplier shall:

- 17.3.1 perform its obligations under the Agreement in accordance with all applicable equality Law and the Customer's equality and diversity policy as provided to the Supplier from time to time; and
- 17.3.2 take all reasonable steps to secure the observance of clause 17.3.1 by all Staff.

17.4 The Supplier shall supply the Services in accordance with the Customer's environmental policy as provided to the Supplier from time to time.

17.5 The Supplier shall comply with, and shall ensure that its Staff shall comply with, the provisions of:

- 17.5.1 the Official Secrets Acts 1911 to 1989; and
- 17.5.2 section 182 of the Finance Act 1989.

18 Prevention of Fraud and Corruption

18.1 The Supplier shall not offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Agreement or for showing or refraining from showing favour or disfavour to any person in relation to the Agreement.

18.2 The Supplier shall take all reasonable steps, in accordance with good industry practice, to prevent fraud by the Staff and the Supplier (including its shareholders, members and directors) in connection with the Agreement and shall notify the Customer immediately if it has reason to suspect that any fraud has occurred or is occurring or is likely to occur.

18.3 If the Supplier or the Staff engages in conduct prohibited by clause 18.1 or commits fraud in relation to the Agreement or any other contract with the Crown (including the Customer) the Customer may:

- 18.3.1 terminate the Agreement and recover from the Supplier the amount of any loss suffered by the Customer resulting from the termination, including the cost reasonably incurred by the Customer of making other arrangements for the supply of the Services and any additional expenditure incurred by the Customer throughout the remainder of the Agreement; or
- 18.3.2 recover in full from the Supplier any other loss sustained by the Customer in consequence of any breach of this clause.

19 Dispute Resolution

- 19.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.
- 19.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 19.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the “**Mediator**”) chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.
- 19.3 If the Parties fail to appoint a Mediator within one month or fail to enter into a written agreement resolving the dispute within one month of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

20 General

- 20.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.
- 20.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 20.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 20.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 20.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.
- 20.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.

- 20.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 20.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

21 Notices

- 21.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 21.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause:
- 21.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 21.3 Notices under clauses 15 (Force Majeure) and 16 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 21.1.

22 Governing Law and Jurisdiction

- 22.1 The validity, construction and performance of the Agreement, and all contractual and non-contractual matters arising out of it, shall be governed by English law and shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

Schedule 1 – Specification of Requirements

This section sets out the Authority's requirements.

1. Background

- 1.1 The Customer's engagement with the Supplier is a key element of Defra's advice to the public for dealing with bats and bat contact incidents, ensuring the public deals safely with bats, taking into account the risk of rabies.
- 1.2 The Supplier is the leading non-government organisation (NGO) solely devoted to the conservation of bats and the sole source of expert advice for the general public about bats and bat related incidents.
- 1.3 This Specification of Requirements sets out how the Supplier shall provide surveillance of lyssavirus in British bats in relation to the Customer's passive surveillance programme, as well as wider bat and bat disease work.

2. Requirements

- 2.1 The Supplier shall produce an annual report for the Customer on the Rabies Passive Surveillance Programme.
- 2.2 The complete report shall be e-mailed to the Customer (in early April of each year of the Contract) and this shall cover the proceeding twelve (12) months (from 1st April to the 31st March).
- 2.3 The primary focus for this requirement is rabies in British bats, in particular the Customer's Rabies Passive Surveillance Programme. The Supplier shall;
 - Promote the Passive Surveillance Programme through the Supplier's helpline and website;
 - Assist callers to submit dead bats to the Customer;
 - Send out test tubes, envelopes, instruction sheets and general licenses to those requiring them (for submission of bats to the programme);
 - Promote the passive surveillance programme to UK bat workers via regular and special edition communications, at relevant events and presentations;

- Disseminate results and data from both active and passive surveillance programmes to bat groups, including communications around confirmed European bat lyssavirus cases;
- Support the Customer's work on wider diseases where applicable and as agreed between BCT and the Customer;

3. Performance Management

- 3.1 As part of the Customer's continuous drive to improve the performance of all Contracts, this Performance Management Framework (PMF) will be used to monitor, measure and control all aspects of the Supplier's performance in relation to this Contract.
- 3.2 The purpose of the PMF is to set out the obligations on the Supplier, to outline how the Supplier's performance will be evaluated and to detail the sanctions for performance failure. The Supplier is responsible for the performance of any sub-contractors.
- 3.3 Key Performance Indicators (KPIs) are essential to align Supplier performance with the requirements of the Customer and to do so in a fair and practical way. KPIs must be realistic, achievable, and set to indicate where the service is failing if they are not achieved. Without the additional use of service credits, failure to meet KPIs will strain the relationship as delivery falls short of agreed performance standards. As a result, the only recourse would be to terminate the Contract and seek an alternative supplier.
- 3.4 The use of a strong service credit regime accompanied by a proactive approach to correcting failures and addressing their cause improves the relationship and enables a partnership rather than a confrontational style of working. Its focus is on managing and improving service. It is not about taking cost out of the service.
- 3.5 KPIs are set out at Table A below. They will be monitored on a monthly, quarterly or annual basis as appropriate to the Service and will form part of the contract performance review.
- 3.6 The Customer will be entitled to refine, vary or modify the KPIs, performance standards and service credits from time to time during the Contract Period through a variation to be agreed with the Supplier using a Contract Change Note (CCN).
- 3.7 Where a KPI has a percentage measure, the Supplier's performance will be rounded to the nearest whole number.
- 3.8 The Customer will produce an annual Performance Management report, to be sent to the Supplier, detailing the Provider's performance against KPIs.

- 3.9 The Supplier shall maintain their own management reports, including Issues Log, which will include detail on periodic checks to ensure quality.
- 3.10 Any performance issues highlighted will be addressed by the Supplier, who will be required to provide an improvement plan to address all issues highlighted within a week of receipt of the report. Performance management reports and KPI performance will be a key feature of the Annual Contract Review meetings.
- 3.11 Where performance failure attributable to the Supplier is identified in the Performance Management report and relates to the KPIs then the service credit regime may apply, at the sole discretion of the Customer.

Table A. Key Performance Indicators

KPI	Description	Measure	KPI Target	Service Credit Rating
KPI One (1) Service Delivery	Annual report submitted within required timescales	Date of submission of Contractor's report	100%	1

4. Service Credits

- 4.1 The use of service credits is governed by the following principles.
- 4.2 Service credits sit within the wider service management approach being pursued by the Supplier and the Customer. Use of service credits does not preclude any other remedy for failure of performance available to the Customer under the terms and conditions of the Contract.
- 4.3 The service credit regime will be instigated on each occasion when there is a service failure (i.e. where a KPI is identified as having a 'Red status') within the performance monitoring period. Failure to meet a KPI may also give rise to a remediation plan.
- KPIs with a service credit rating of 0 will have no associated service credit
 - KPIs with a service credit rating of 1 will have a service credit of 3% of the invoice amount for the monitoring period, applied for each KPI failure
 - KPIs with a service credit rating of 2 will have a service credit of 5% of the invoice amount for the monitoring period, applied for each KPI failure
 - The maximum annual service credit to be applied will be no more than 10% of the total annual contract.
- 4.4 The Supplier shall provide the Customer with the information listed in the Specification of Requirements and such other supporting information as the Customer may reasonably request in order to determine the proper application of any service credits due.
- 4.5 For services where the Supplier is paid by the Customer, service credits will be paid

to APHA as a credit note to the next invoice.

- 4.6 The full, agreed service credit regime will operate from the initial delivery date until the end of the Contract Period. At the end of the first complete performance monitoring period, the Customer and the Supplier will enter into good faith discussions to review the KPIs and assess their effectiveness. The KPIs may be adjusted to ensure that they are appropriate and achievable.

5. Contract Governance

- 5.1 The Customer will manage this contract and will appoint:

- Supplier Liaison Officers (SLO)
- Deputy SLOs (DSLO)
- Contract Manager (CM)

- 5.2 The Customer will appoint an SLO and DSLO as appropriate to act as the principal point of contact. A single CM will be appointed whom the SLOs and DLSOs will liaise for contract management purposes.

- 5.3 The Supplier will appoint a corresponding Service Manager (SM) and Deputy Service Manager (DSM).

- 5.4 A strategic review meeting will be held annually. The meeting will review performance over the past year and look ahead to the next year, including strategic and financial issues. The risk, issues and actions register will be reviewed.

- 5.5 Issues which cannot be resolved by the SLO and SM (and/or their respective Deputies) will be referred to the CM, who may either mediate a solution or raise the matter at the next Annual Review Meeting as appropriate, involving the Customer as necessary.

- 5.6 Other ad-hoc meetings may be held, at the discretion of the Customer or at the request of the Supplier, throughout the life of the Contract to discuss specific issues.

- 5.7 The Supplier will be responsible for travel and subsistence costs incurred as a result of attendance at any meeting. They may also be held by teleconference with the agreement of all parties.

- 5.8 Annual meetings will be held at the most mutually convenient location, usually face-to-face, but with teleconference facilities available.

5.9 All meetings will be minuted, with secretariat support and actions provided by the Customer, with agreed dates for completion. The Customer will maintain a joint register of risks, issues and actions. The CM should ensure that all meeting minutes, risk registers and any other contractual documentation is recorded against the Customer's contract records.

5.10 Table B gives the purpose of each of these meetings and the required attendees.
