Assumptions and Dependencies (if applicable)

Assumption:

- It is assumed that contract award (T0) will be 05/09/2022, thus the contract completion date (T0+56) of 29/09/2023, is dependent upon this.

Dependency:

- The final fulfillment of deliverables is dependent upon the ultimate receipt of contract date. If this is delayed beyond T0, it will thus push completion date out by the same number of days/weeks i.e. if contract award is actually T0+1 (12/09/2022), contract completion would be T0+57 (06/10/2023).

Milestone (M/S) Payment Notes:

- 1) Dstl will not make any form of Payment on Contract award.
- 2) M/S Payment cost to be qualified as Value for Money (VFM) justifiable charge.
- 3) Where Equipment is purchased in support of this Task, full payment will only be made following Contractor confirmed receipt of Equipment. If a deposit has to be paid at time of Contractor placing the Order, then this deposit payment, at the Authority's discretion, may be approved if supported by documentation as proof of Contractor payment.
- 4) For tasks of less than 6 month duration, M/S payments are at the discretion of the Authority.
