

Order	PO-00041919
Supplier	SEYHAN TURAN
Description	A requirement of LIDP delivery is to appoint Technical Advisers. The Technical Adviser will provide support, advice, and guidance to our LIDP funded projects, many of whom are just starting out on their decarbonisation journey and will gain valuable insight from the advisers. The overall aim is to provide support for industrial manufacturers, not located within the UK's existing industrial clusters, to develop credible plans to reduce their emissions and avoid carbon leakage
Spend Category	Business Engagement Consultancy
