16.4 The Supplier may terminate the Agreement by written notice to the Customer if the Customer has not paid any undisputed amounts within 90 days of them falling due. The Supplier may also terminate the Agreement by written notice to the Customer if

continuing the Services is likely to result in a breach of applicable law or regulation, Supplier's independence being compromised or a conflict of interest which cannot be resolved by appropriate safeguards.

16.5 Termination or expiry of the Agreement shall be without prejudice to the rights of either Party accrued prior to termination or expiry and shall not affect the continuing rights of the Parties under this clause and clauses 2, 3.2, 6.1, 6.2, 6.6, 6.7, 7, 9, 10.2, 11, 12, 13, 14, 16.6, 17.4, 18.3, 19 and 20.7 or any other provision of the Agreement that either expressly or by implication has effect after termination.

16.6 Upon termination or expiry of the Agreement, the Supplier shall:

16.6.1 give all reasonable assistance to the Customer and any incoming supplier of the Services; and

16.6.2 return all requested documents, information and data to the Customer as soon as reasonably practicable.

## **17 Compliance**

17.1 The Supplier shall promptly notify the Customer of any health and safety hazards which may arise in connection with the performance of its obligations under the Agreement. The Customer shall promptly notify the Supplier of any health and safety hazards which may exist or arise at the Customer's premises and which may affect the Supplier in the performance of its obligations under the Agreement.

17.2 The Supplier shall:

17.2.1 comply with all the Customer's health and safety measures while on the Customer's premises; and

17.2.2 notify the Customer immediately in the event of any incident occurring in the performance of its obligations under the Agreement on the Customer's premises where that incident causes any personal injury or damage to property which could give rise to personal injury.

17.3 The Supplier shall:

17.3.1 perform its obligations under the Agreement in accordance with all applicable equality Law and the Customer's equality and diversity policy as provided to the Supplier from time to time; and

17.3.2 take all reasonable steps to secure the observance of clause 17.3.1 by all Staff.

17.4 The Supplier shall supply the Services in accordance with the Customer's environmental policy as provided to the Supplier from time to time.

17.5 The Supplier shall comply with, and shall ensure that its Staff shall comply with, the provisions of:

17.5.1 the Official Secrets Acts 1911 to 1989; and

17.5.2 section 182 of the Finance Act 1989.

## **18 Prevention of Fraud and Corruption**

18.1 The Supplier shall not offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Agreement or for showing or refraining from showing favour or disfavour to any person in relation to the Agreement.

- 18.2 The Supplier shall take all reasonable steps, in accordance with good industry practice, to prevent fraud by the Staff and the Supplier (including its shareholders, members and directors) in connection with the Agreement and shall notify the Customer immediately if it has reason to suspect that any fraud has occurred or is occurring or is likely to occur.
- 18.3 If the Supplier or the Staff engages in conduct prohibited by clause 18.1 or commits fraud in relation to the Agreement or any other contract with the Crown (including the Customer) the Customer may:
- 18.3.1 terminate the Agreement and recover from the Supplier the amount of any loss suffered by the Customer resulting from the termination, including the cost reasonably incurred by the Customer of making other arrangements for the supply of the Services and any additional expenditure incurred by the Customer throughout the remainder of the Agreement; or
  - 18.3.2 recover in full from the Supplier any other loss sustained by the Customer in consequence of any breach of this clause.

## 19 Dispute Resolution

- 19.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.
- 19.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 19.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the “**Mediator**”) chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.
- 19.3 If the Parties fail to appoint a Mediator within one month, or fail to enter into a written agreement resolving the dispute within one month of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

## 20 General

- 20.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.
- 20.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 20.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 20.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 20.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing

and expressly stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.

- 20.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
- 20.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 20.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

## **21 Notices**

- 21.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 21.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause:
- 21.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 21.3 Notices under clauses 15 (Force Majeure) and 16 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 21.1.

## **22 Governing Law and Jurisdiction**

The validity, construction and performance of the Agreement, and all contractual and non-contractual matters arising out of it, shall be governed by English law and shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

### **Economists' loan advice ITT: Defra Solent Trading Platform Project**

#### **1. Background to project and project objectives**

The Solent is home to a range of nationally and internationally important habitats and species; and this is reflected in the designation of sites for protection in both domestic and European legislation. However, many of the habitats in the Solent catchment are in unfavourable condition due to excess nutrients (particularly Nitrogen) in the water from a range of sources, including agriculture and wastewater. Elevated levels of these nutrients are causing eutrophication in the protected areas, inducing excessive growth of green algae and oxygen depletion - impacting on the rare and sensitive habitats and species.

Following a recent EU court ruling (the Dutch nitrogen case) which placed increased scrutiny on mitigation measures for development, Natural England (NE) has advised local planning authorities that demonstrating 'nutrient neutrality' (i.e. zero net impact on nitrogen pollution of the protected sites for 80 years) is a way of allowing development to proceed, while ensuring it does not further damage the condition of the protected site features. This can be achieved through various means, including by securing proportionate nitrogen reduction elsewhere in the catchment by taking land out of intensive agricultural use and creating habitat for wildlife. NE has published a ['nutrient neutral' method](#) and actively advises local authorities and developers.

The issue of nutrient pollution of protected sites and its impact on delaying housing development has high political interest. There is an estimated backlog of at least 5,500 houses, at least partly due to nitrate pollution, across the Solent catchment awaiting planning permission. A lack of offsite mitigation projects has meant some developments have struggled to demonstrate 'nutrient neutrality'. Our approach seeks to enable development to achieve 'nutrient neutrality' by delivering more offsite nature-based mitigation whilst also beginning to tackle the underlying pollution issues.

The advantage of using 'nature-based solutions' - using investment in nature to solve societal problems - for addressing nitrate pollution is that they can deliver multiple benefits, aligned with the government's 25-Year Environment Plan goals. These include biodiversity enhancement and improved access to nature, but potentially also wider benefits such as reduced flood risk and carbon sequestration.

To help solve this issue, HMT has provided Defra with cover to provide a loan of up to £5.7m to the Hampshire and Isle of Wight Wildlife Trust (HIWWT) - see key parameters in Table 1 below. The loan will enable the HIWWT to purchase agricultural sites in the Solent area that are polluting internationally important protected sites, and transform them into natural habitats; creating nature rich meadows, woodlands or wetland. This would

reduce nitrogen run-off entering the Solent either through the change of use or the design of the habitat and provide multiple wider benefits for nature and people.

Table 1 demonstrating loan parameters:

<b>Borrower</b>	Hampshire and Isle of Wight Wildlife Trust
<b>Lender</b>	Defra
<b>Facility amount</b>	Up to £5.7m
<b>Interest</b>	Fixed interest rate of up to 2%, fixed at point of loan
<b>Repayment terms</b>	Repayments over a period of 5 or 10 years, based on a 6 or 12 monthly repayment schedule. Please consider whether we should ask for principal to be repaid over the term of the loan or just repayment of interest at 6 or 12 month intervals.  Potentially with repayment holiday of 12 – 18 months to allow for developments to work through the planning system and funds to be transferred.
<b>Pre-payment</b>	The Wildlife Trust would also like to be able to repay all or some of the loan early, without penalty.
<b>Security</b>	Tbc – please consider with/without

It would also support and unlock housebuilding using these nature-based mitigation solutions to help ensure that nitrogen pollution through planned housing development has a neutral impact on protected sites. Developers would be able to purchase credits from the environmental NGO, secured via legal agreement, to demonstrate to Local Planning Authorities that their development proposals are nutrient neutral.

Defra is seeking expert economic input within the next few months, to complete calculations for this loan to enable us to demonstrate state aid/subsidy control regime compliance. We expect this to be a rapid piece of work completed in 2-3 weeks. The correct calculation of the subsidy element of the loan and the reference rate is key to any approach we use to demonstrate compliance with the new (post EU Exit) State Aid/Subsidy Control regime, whether that be under the legal certainty of using de-minimis or the endeavouring to meet all the subsidy control principles. Interested parties may challenge our decision to provide this loan so we are keen to commission competition economists with relevant experience and expertise so we can be confident the calculations are robust and able to withstand challenge.

## 2. What we want the contractor to do - task breakdown

Indicative task list:

- **Task 1.** Develop a profile of the loan based on key parameters provided by Defra (see Table 1) taking into account the financial risk of the borrower.
- **Task 2.** Calculate the appropriate market-compliant interest rate for the loan based on the borrower's credit rating and other relevant factors.
- **Task 3.** Compare the interest payments under the proposed loan with the hypothetical interest payments that would be made by the beneficiary if the loan was provided on market terms to calculate the quantum of aid.
- **Task 4.** Provide a short report outlining the method used to demonstrate state aid/subsidy control regime compliance for the proposed loan, the findings from the analysis and advice on next steps. Demonstrate how you will ensure your calculations are robust; and include a spreadsheet setting out the calculations.
- **Task 5.** Undertake a virtual meeting with the Defra project team and Subsidy Control advisors to discuss the findings and their implications.

**Key outputs** from the work are the project report and spreadsheet (Task 4) and the virtual meeting to discuss the findings (Task 5).
