perform its obligations under the Contract, and that the Contract is executed by its duly authorised representative.

Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.

- 20.10 The Contractor shall take appropriate steps to ensure that neither the Contractor nor any Staff is placed in a position where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Authority under the provisions of the Contract. The Contractor will disclose to the Authority full particulars of any such conflict of interest which may arise.

- 20.12 The Contract constitutes the entire contract between the Parties in respect of the matters dealt with therein. The Contract supersedes all prior negotiations between the Parties and all representations and undertakings made by one Party to the other, whether written or oral, except that this clause shall not exclude liability in respect of any Fraud or fraudulent misrepresentation.
