using Good Industry Practice;

using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract;

on the dates agreed; and

that comply with all Law.

The Supplier must provide Deliverables with a warranty of at least 90 days (or longer where the Supplier offers a longer warranty period to its Buyers) from Delivery against all obvious defects.

### **Goods clauses**

All Goods delivered must be new, or as new if recycled, unused and of recent origin.

The Supplier transfers ownership of the Goods on completion of Delivery or payment for those Goods, whichever is earlier.

Risk in the Goods transfers to the Buyer on Delivery, but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.

The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.

The Supplier must Deliver the Goods on the date and to the location specified in the Order Form, during the Buyer's working hours (unless otherwise specified in the Order Form).

The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.

All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.

The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.

The Supplier will notify the Buyer of any request that Goods are returned to it or the manufacturer after the discovery of safety issues or defects that might endanger health or hinder performance and shall indemnify the Buyer against the costs arising as a result of any such request.

The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 days' notice then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable endeavours to minimise these costs.

The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with clause 0. If the Supplier doesn't do this it will pay the Buyer's costs including repair or re-supply by a third party.

The Buyer will not be liable for any actions, claims, costs and expenses incurred by the Supplier or any third party during Delivery of the Goods unless and to the extent that it is caused by negligence or other wrongful act of the Buyer or its servant or agent. If the Buyer suffers or incurs any damage or injury (whether fatal or otherwise) occurring in the course of Delivery or installation then the Supplier shall indemnify the Buyer from any losses, charges, costs or expenses which arise as a result of or in connection with such damage or injury where it is attributable to any act or omission of the Supplier or any of its Subcontractors or Supplier Staff.

## **Services clauses**

Late Delivery of the Services will be a default of the Contract.

The Supplier must co-operate with the Buyer and third party suppliers on all aspects connected with the delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions including the security requirements (where any such requirements have been provided).

The Buyer must provide the Supplier with reasonable access to its premises at reasonable times for the purpose of supplying the Services

The Supplier must at its own risk and expense provide all equipment required to deliver the Services. Any equipment provided by the Buyer to the Supplier for supplying the Services remains the property of the Buyer and is to be returned to the Buyer on expiry or termination of the Contract.

The Supplier must allocate sufficient resources and appropriate expertise to the Contract.

The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.

On completion of the Services, the Supplier is responsible for leaving the Buyer's premises in a clean, safe and tidy condition and making good any damage that it has caused to the Buyer's premises or property, other than fair wear and tear.

The Supplier must ensure all Services, and anything used to deliver the Services, are of good quality and free from defects.

The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

## **PRICING AND PAYMENTS**

In exchange for the Deliverables, the Supplier must invoice the Buyer for the charges in the Order Form.

All Charges:

exclude VAT, which is payable on provision of a valid VAT invoice; and

include all costs and expenses connected with the supply of Deliverables.

The Buyer must pay the Supplier the charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds to the Supplier's account stated in the invoice or in the Order Form.

A Supplier invoice is only valid if it:

includes all appropriate references including the Purchase Order Number and other details reasonably requested by the Buyer; and

includes a detailed breakdown of Deliverables which have been delivered.

If there is a dispute between the Parties as to the amount invoiced, the Buyer shall pay the undisputed amount. The Supplier shall not suspend the provision of the Deliverables unless the Supplier is entitled to terminate the Contract for a failure to pay undisputed sums in accordance with clause 0. Any disputed amounts shall be resolved through the dispute resolution procedure detailed in clause 0.

The Buyer may retain or set-off payment of any amount owed to it by the Supplier under this Contract or any other agreement between the Supplier and the Buyer if notice and reasons are provided.

The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, the Buyer can publish the details of the late payment or non-payment.

## THE BUYER'S OBLIGATIONS TO THE SUPPLIER

If Supplier fails to comply with the Contract as a result of a Buyer Cause:

- the Buyer cannot terminate the Contract under clause 0;
- the Supplier is entitled to reasonable and proven additional expenses and to relief from liability under this Contract;
- the Supplier is entitled to additional time needed to deliver the Deliverables; and
- the Supplier cannot suspend the ongoing supply of Deliverables.

Clause 0 only applies if the Supplier:

- gives notice to the Buyer within 10 Working Days of becoming aware;
- demonstrates that the failure only happened because of the Buyer Cause; and
- mitigated the impact of the Buyer Cause.

## RECORD KEEPING AND REPORTING

The Supplier must ensure that suitably qualified representatives attend progress meetings with the Buyer and provide progress reports when specified in the Order Form.

The Supplier must keep and maintain full and accurate records and accounts on everything to do with the Contract for 7 years after the date of expiry or termination of the Contract and in accordance with the UK GDPR or the EU GDPR as the context requires.

The Supplier must allow any auditor appointed by the Buyer access to its premises to verify all contract accounts and records of everything to do with the Contract and provide copies for the Audit.

The Buyer or an auditor can Audit the Supplier.

During an Audit, the Supplier must provide information to the auditor and reasonable co-operation at their request.

The Parties will bear their own costs when an Audit is undertaken unless the Audit identifies a Material Breach by the Supplier, in which case the Supplier will repay the Buyer's reasonable costs in connection with the Audit.

If the Supplier is not providing any of the Deliverables, or is unable to provide them, it must immediately:

- tell the Buyer and give reasons;
- propose corrective action; and
- provide a deadline for completing the corrective action.

If the Buyer, acting reasonably, is concerned as to the financial stability of the Supplier such that it may impact on the continued performance of the Contract then the Buyer may:

- require that the Supplier provide to the Buyer (for its approval) a plan setting out how the Supplier will ensure continued performance of the Contract and the Supplier will make changes to such plan as reasonably required by the Buyer and once it is agreed then the Supplier shall act in accordance with such plan and report to the Buyer on demand; and

if the Supplier fails to provide a plan or fails to agree any changes which are requested by the Buyer or fails to implement or provide updates on progress with the plan, terminate the Contract immediately for Material Breach (or on such date as the Buyer notifies) and the consequences of termination in Clause 0 shall apply.

If there is a Material Breach, the Supplier must notify the Buyer within 3 Working Days of the Supplier becoming aware of the Material Breach. The Buyer may request that the Supplier provide a Rectification Plan within 10 Working Days of the Buyer's request alongside any additional documentation that the Buyer requires. Once such Rectification Plan is agreed between the Parties (without the Buyer limiting its rights) the Supplier must immediately start work on the actions in the Rectification Plan at its own cost.

## **SUPPLIER STAFF**

The Supplier Staff involved in the performance of the Contract must:

- be appropriately trained and qualified;
- be vetted in accordance with the Staff Vetting Procedures; and
- comply with all conduct requirements when on the Buyer's premises.

Where the Buyer decides one of the Supplier's Staff isn't suitable to work on the Contract, the Supplier must replace them with a suitably qualified alternative.

The Supplier must provide a list of Supplier Staff needing to access the Buyer's premises and say why access is required.

The Supplier indemnifies the Buyer against all claims brought by any person employed or engaged by the Supplier caused by an act or omission of the Supplier or any Supplier Staff.

The Buyer indemnifies the Supplier against all claims brought by any person employed or engaged by the Buyer caused by an act or omission of the Buyer or any of the Buyer's employees, agents, consultants and contractors.

The Supplier shall use those persons nominated (if any) as Key Staff in the Order Form or otherwise notified as such by the Buyer to the Supplier in writing, following agreement to the same by the Supplier to provide the Deliverables and shall not remove or replace any of them unless:

- requested to do so by the Buyer or the Buyer approves such removal or replacement (not to be unreasonably withheld or delayed);
- the person concerned resigns, retires or dies or is on parental or long-term sick leave; or
- the person's employment or contractual arrangement with the Supplier or any Subcontractor is terminated for material breach of contract by the employee.

The Supplier shall ensure that no person who discloses that they have a conviction that is relevant to the nature of the Contract, relevant to the work of the Buyer, or is of a type otherwise advised by the Buyer (each such conviction a "**Relevant Conviction**"), or is found by the Supplier to have a Relevant Conviction (whether as a result of a police check, a disclosure and barring service check or otherwise) is employed or engaged in the provision of any part of the Deliverables.

## **RIGHTS AND PROTECTION**

The Supplier warrants and represents that:

- it has full capacity and authority to enter into and to perform the Contract;
- the Contract is entered into by its authorised representative;
- it is a legally valid and existing organisation incorporated in the place it was formed;
- there are no known legal or regulatory actions or investigations before any court, administrative body or arbitration tribunal pending or threatened against it or its affiliates that might affect its ability to perform the Contract;
- all necessary rights, authorisations, licences and consents (including in relation to IPRs) are in place to enable the Supplier to perform its obligations under the Contract and the Buyer to receive the Deliverables;
- it doesn't have any contractual obligations which are likely to have a material adverse effect on its ability to perform the Contract; and
- it is not impacted by an Insolvency Event.

The warranties and representations in clause 0 and clause 0 are repeated each time the Supplier provides Deliverables under the Contract.

The Supplier indemnifies the Buyer against each of the following:

- wilful misconduct of the Supplier, any of its Subcontractor and/or Supplier Staff that impacts the Contract; and
- non-payment by the Supplier of any tax or National Insurance.

If the Supplier becomes aware of a representation or warranty made in relation to the Contract that becomes untrue or misleading, it must immediately notify the Buyer.

All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier for free.

## **INTELLECTUAL PROPERTY RIGHTS (“IPRS”)**

Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable, sub-licensable worldwide licence to use, copy and adapt the Supplier's Existing IPR to enable the Buyer and its sub-licensees to both:

- receive and use the Deliverables; and
- use the New IPR.

The termination or expiry of the Contract does not terminate any licence granted under this clause 0.

Any New IPR created under the Contract is owned by the Buyer. The Buyer gives the Supplier a royalty-free, non-exclusive, non-transferable licence to use, copy, and adapt any Existing IPRs and the New IPR which the Supplier reasonably requires for the purpose of fulfilling its obligations during the Term and commercially exploiting the New IPR developed under the Contract. This licence is sub-licensable to a Subcontractor for the purpose of enabling the Supplier to fulfil its obligations under the Contract, and in that case the Subcontractor must enter into a confidentiality undertaking with the Supplier on the same terms as set out in clause 0 (What you must keep confidential).

Unless otherwise agreed in writing, the Supplier and the Buyer will record any New IPR and keep this record updated throughout the Term.

Where a Party acquires ownership of intellectual property rights incorrectly under this Contract, it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.

Neither Party has the right to use the other Party's intellectual property rights, including any use of the other Party's names, logos or trademarks, except as provided in this clause 0 or otherwise agreed in writing.

If any claim is made against the Buyer for actual or alleged infringement of a third party's intellectual property arising out of, or in connection with, the supply or use of the Deliverables (an "**IPR Claim**"), then the Supplier indemnifies the Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result of the IPR Claim.

If an IPR Claim is made or anticipated, the Supplier must at its own option and expense, either:

- obtain for the Buyer the rights in clause 0 without infringing any third party intellectual property rights; and

- replace or modify the relevant item with substitutes that don't infringe intellectual property rights without adversely affecting the functionality or performance of the Deliverables.

If the Supplier is not able to resolve the IPR Claim to the Buyer's reasonable satisfaction within a reasonable time, the Buyer may give written notice that it terminates the Contract from the date set out in the notice, or where no date is given in the notice, the date of the notice. On termination, the consequences of termination in clauses 0 shall apply.

The Supplier shall not use in the Delivery of the Deliverables any Third Party IPR unless:

- the Buyer gives its approval to do so; and

- one of the following conditions applies:

  - the owner or an authorised licensor of the relevant Third Party IPR has granted the Buyer a direct licence that provides the Buyer with the rights in clause 0; or

  - if the Supplier cannot, after commercially reasonable endeavours, obtain for the Buyer a direct licence to the Third Party IPR as set out in clause 0:

    - the Supplier provides the Buyer with details of the licence terms it can obtain and the identity of those licensors;

the Buyer agrees to those licence terms; and

the owner or authorised licensor of the Third Party IPR grants a direct licence to the Buyer on those terms; or

the Buyer approves in writing, with reference to the acts authorised and the specific intellectual property rights involved.

In spite of any other provisions of the Contract and for the avoidance of doubt, award of this Contract by the Buyer and the ordering of any Deliverable under it, does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Sections 240 – 243 of the Copyright, Designs and Patents Act 1988.

## **ENDING THE CONTRACT**

The Contract takes effect on the Start Date and ends on the earlier of the Expiry Date or termination of the Contract, or earlier if required by Law.

The Buyer can extend the Contract where set out in the Order Form in accordance with the terms in the Order Form.

### **Ending the Contract without a reason**

The Buyer has the right to terminate the Contract at any time without reason or liability by giving the Supplier not less than 90 days' written notice, and if it's terminated clause 0 applies.

### **When the Buyer can end the Contract**

If any of the following events happen, the Buyer has the right to immediately terminate its Contract by issuing a termination notice in writing to the Supplier and the consequences of termination in Clause 0 shall apply:

there's a Supplier Insolvency Event;

the Supplier is in Material Breach of the Contract;

there's a change of control (within the meaning of section 450 of the Corporation Tax Act 2010) of the Supplier which isn't pre-approved by the Buyer in writing;

the Buyer discovers that the Supplier was in one of the situations in 57 (1) or 57(2) of the Regulations at the time the Contract was awarded;

the Supplier or its affiliates embarrass or bring the Buyer into disrepute or diminish the public trust in them; or

the Supplier fails to comply with its legal obligations in the fields of environmental, social, equality or employment Law when providing the Deliverables.

If any of the events in 73(1) (a) or (b) of the Regulations happen, the Buyer has the right to immediately terminate the Contract and clauses 0 to 0 apply.

## What happens if the Contract ends

Where the Buyer terminates the Contract under clause 0, 0, 0, 0, or Paragraph 0 of Part B Joint Controller Agreement (*Optional*) of Annex 1 – Processing Personal Data (if used), all of the following apply:

- the Supplier is responsible for the Buyer's reasonable costs of procuring replacement Deliverables for the rest of the term of the Contract;
- the Buyer's payment obligations under the terminated Contract stop immediately;
- accumulated rights of the Parties are not affected;
- the Supplier must promptly delete or return the Government Data except where required to retain copies by Law;
- the Supplier must promptly return any of the Buyer's property provided under the Contract;
- the Supplier must, at no cost to the Buyer, give all reasonable assistance to the Buyer and any incoming supplier and co-operate fully in the handover and re-procurement; and
- the Supplier must repay to the Buyer all the Charges that it has been paid in advance for Deliverables that it has not provided as at the date of termination or expiry.

The following clauses survive the expiry or termination of the Contract: 0, 0, 0, 0, 0, 0, 0, 0, 0, 0, 0, 0, 0, 0 and 0 and any clauses which are expressly or by implication intended to continue.

## When the Supplier can end the Contract and what happens when the contract ends (Buyer and Supplier termination)

The Supplier can issue a reminder notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate the Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the total Contract value or £1,000, whichever is the lower, within 30 days of the date of the reminder notice.

Where the Buyer terminates the Contract in accordance with clause 0 or the Supplier terminates the Contract under clause 0 or 0:

- the Buyer must promptly pay all outstanding charges incurred by the Supplier;
  - the Buyer must pay the Supplier reasonable committed and unavoidable losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated; and
- clauses 0 to 0 apply.

The Supplier also has the right to terminate the Contract in accordance with Clauses 0 and 0.

## **Partially ending and suspending the Contract**

Where the Buyer has the right to terminate the Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends the Contract it can provide the Deliverables itself or buy them from a third party.

The Buyer can only partially terminate or suspend the Contract if the remaining parts of it can still be used to effectively deliver the intended purpose.

The Parties must agree (in accordance with clause 0) any necessary variation required by clause 0, but the Supplier may not either:

reject the variation; or

increase the Charges, except where the right to partial termination is under clause 0.

The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under clause 0.

## **HOW MUCH YOU CAN BE HELD RESPONSIBLE FOR**

Each Party's total aggregate liability under or in connection with the Contract (whether in tort, contract or otherwise) is no more than 125% of the Charges paid or payable to the Supplier.

No Party is liable to the other for:

any indirect losses; and/or

loss of profits, turnover, savings, business opportunities or damage to goodwill (in each case whether direct or indirect).

In spite of clause 0, neither Party limits or excludes any of the following:

its liability for death or personal injury caused by its negligence, or that of its employees, agents or Subcontractors;

its liability for bribery or fraud or fraudulent misrepresentation by it or its employees; or

any liability that cannot be excluded or limited by Law.

In spite of clause 0, the Supplier does not limit or exclude its liability for any indemnity given under clauses 0, 0, 0, or 0.

In spite of clause 0, the Buyer does not limit or exclude its liability for any indemnity given under clause 0.

Notwithstanding clause 0, but subject to clauses 0 and 0, the Supplier's total aggregate liability under clause 0 shall not exceed the Data Protection Liability Cap.

Each Party must use all reasonable endeavours to mitigate any loss or damage which it suffers under or in connection with the Contract, including any indemnities.

If more than one Supplier is party to the Contract, each Supplier Party is fully responsible for both their own liabilities and the liabilities of the other Suppliers.

**OBEYING THE LAW**

The Supplier, in connection with provision of the Deliverables:

is expected to meet and have its Subcontractors meet the standards set out in the Supplier Code of Conduct:

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/1163536/Supplier\\_Code\\_of\\_Conduct\\_v3.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1163536/Supplier_Code_of_Conduct_v3.pdf)) as such Code of Conduct may be updated from time to time, and such other sustainability requirements as set out in the Order Form. must comply with the model contract terms contained in (a) to (m) of Annex C of the guidance to [PPN 02/23 \(Tackling Modern Slavery in Government Supply Chains\)](#),<sup>1</sup> as such clauses may be amended or updated from time to time; and

meet the applicable Government Buying Standards applicable to Deliverables which can be found online at: <https://www.gov.uk/government/collections/sustainable-procurement-the-government-buying-standards-gbs>, as updated from time to time.

The Supplier indemnifies the Buyer against any costs resulting from any default by the Supplier relating to any applicable Law to do with the Contract.

The Supplier must appoint a compliance officer who must be responsible for ensuring that the Supplier complies with Law, clause 0 and clauses 0 to 0.

**DATA PROTECTION AND SECURITY**

The Supplier must not remove any ownership or security notices in or relating to the Government Data.

The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies via secure encrypted method upon reasonable request.

The Supplier must ensure that any Supplier, Subcontractor, or Subprocessor system holding any Government Data, including back-up data, is a secure system that complies with the security requirements specified in the Order Form or otherwise in writing by the Buyer (where any such requirements have been provided).

If at any time the Supplier suspects or has reason to believe that the Government Data is corrupted, lost or sufficiently degraded, then the Supplier must immediately notify the Buyer and suggest remedial action.

If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Buyer may either or both:

---

tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Buyer receives notice, or the Supplier finds out about the issue, whichever is earlier; and/or

restore the Government Data itself or using a third party.

The Supplier must pay each Party's reasonable costs of complying with clause 0 unless the Buyer is at fault.

must have documented processes to guarantee prompt availability of Government Data if the Supplier stops trading;

securely erase all Government Data and any copies it holds when asked to do so by the Buyer unless required by Law to retain it, other than in relation to Government Data which is owned or licenced by the Supplier or in respect of which the Parties are Independent Controllers or Joint Controllers; and

indemnifies the Buyer against any and all losses incurred if the Supplier breaches clause 0 or any Data Protection Legislation.

The Parties acknowledge that for the purposes of the Data Protection Legislation, the nature of the activity carried out by each of them in relation to their respective obligations under the Contract dictates the status of each party under the DPA 2018. A Party may act as:

“Controller” in respect of the other Party who is “Processor”;
