Your email must clearly state: the name and reference for the procurement you wish to register for; the name of the registered supplier; and the name and contact details for the registered individual sending the email. Crown Commercial Service will process the email and then enable the supplier to access the procurement online via the e-Sourcing Suite. The registered user will receive a notification email to alert them once this has been done. As a user of the e-Sourcing Suite you will have access to the Emptoris messaging service which facilitates all messages sent to you and from you in relation to any specific RFX event.
