1. Agreement Overview

This Agreement represents a Service Level Agreement ("SLA" or "Agreement") between *Skills for Health t/a WD Trust* and *NHS England* for the provision of Multidisciplinary Consultancy Services. This Agreement remains valid until superseded by a revised agreement mutually endorsed by both parties. This Agreement outlines the parameters for all Consult 18: Multidisciplinary Consultancy Services covered as they are mutually understood by the primary stakeholders.

The Framework terms and conditions (including the specification of service) will apply in all instances, unless specifically agreed otherwise by both parties within this document.

2. Goals & Objectives

The **purpose** of this Agreement is to ensure that the proper elements and commitments are in place to provide consistent C Consult 18: Multidisciplinary Consultancy Services to the Customer by the Supplier. The **goal** of this Agreement is to obtain mutual agreement for Multidisciplinary Consultancy Services provision between the Supplier and Customer.

The **objectives** of this Agreement are to:

- Provide clear reference to service ownership, accountability, roles and/or responsibilities.
- Present a clear, concise and measurable description of service provision to the customer.

3. Stakeholders

The primary stakeholders from the Supplier and the Customer will be responsible for the day-to-date management of the Agreement and the delivery of the service. If different from the Authorised Signatory details listed on page 1 of this Agreement, please provide the names of the **primary stakeholders** associated with this SLA.

Multidisciplinary Consultancy Services Customer Contact: [REDACTED]

4. Periodic Review

This Agreement is valid from the **Effective Date** outlined herein and is valid until the **Expiry Date** as agreed.

Period of the Service Level Agreement (SLA)	Effective Date	01/01/2024	Expiry Date	31/03/2024
---	----------------	------------	-------------	------------

5. Service Requirements

A. Services Provided

Please detail the service(s) that will be provided by the Supplier to the Customer

Lot: 2

Services Provided:

Stage 1: Career Framework

- This stage will identify and delivery career pathways for patient/population facing roles in non-medical workforce. This will include registered and non-registered roles working across integrated care systems. This will support delivery of integrated neighbourhood teams and include community, local authority and primary care workforce. This stage will consider new roles and support implementation of new ways of working across health and care.
- **Timeframe:** Q3-4 2023/34
- **Product:** Development & publication of Integrated care system career framework for non-medical workforce.
- **Cost:** £70K

B. Business Hours

Suppliers are required to provide and operate a single point of contact through which the Customer can contact the Supplier

Please detail here: 09:00 – 17:30, Monday to Friday, excluding bank holidays.

C. DBS

The Customer should detail the level of DBS check requirement

Not required.

D. Price/Rates

Total Estimated Contract Value:

£ 70k excluding VAT

E. Sub-contracting

Subcontracting of services by Suppliers is allowed, both to Framework suppliers and to non-Framework suppliers. Any Supplier sub-contracting will be fully responsible for ensuring standards are maintained in line with the framework and this SLA.

Not required

F. Management Information (MI)

Suppliers should provide Management Information as standard on a monthly basis. Customers should detail any additional management information required and the frequency of provision here.

2-4 weekly progress meetings as required, frequency may be increased if issues arise.

G. Invoicing

Please detail any specific invoicing requirements here

One invoice on completion

H. Complaints/Escalation Procedure

The standard procedure is detailed below

In the first instance, the Customer and Supplier should work together and attempt to resolve any issues locally. Should this approach fail to result in a satisfactory outcome for the Customer, the issue should be escalated to NHS SBS. NHS SBS will then attempt to resolve the issue to the satisfaction of the Customer. Should this approach not result in a satisfactory outcome, the Customer may decide to terminate the Service Level Agreement.

I. Audit Process

Please detail any Customer audit requirements

NHS England (Customer) does not wish to conduct an onsite audit.

J. Termination

The standard procedure is detailed below

Persistent failure by the Contractor to meet the agreed service levels as specified within the SLA may lead to the Contract being terminated or alternative Contractor(s) being appointed by the Customer to maintain levels of service

Prior to termination the complaints and escalation procedure should be followed to attempt to resolve any issue. Should suitable resolution not be achieved, the Customer will be allowed to terminate the SLA immediately.

6. Other Requirements

Please list and agree the key requirements of the service

None

A. Variation to Standard Specification

Please list any agreed variations to the specification of requirements

Nil

B. Other Specific Requirements

Please list any agreed other agreed requirements

Nil
