## PROVISION OF ESRI MAINTENANCE AND SUPPORT 2019 CONTRACT NUMBER T IT0046

### Extension 2020/2021

On behalf of the Secretary of State for Transport, I accept your quote REF [REDACTED] extend support and maintenance for a 1 year period subject to Esri UK's terms and conditions detailed within the quote. This letter and the documents listed below form a binding contract between you and the Department for Transport.

1. Your Terms and Conditions, accessed via the quote referenced in 2 below, specifically the Esri UK General Terms and Esri UK standard support policy, as well as the Esri UK Software License Agreement in relation to the Data Loader Term license
2. Your quote: REF [REDACTED]

The Duration of the contract will be from 18 March 2020 and expire on 17 March 2021.

The contract extension value is £16,844 excluding VAT.

You must be in possession of a written purchase order (PO), before commencing any work, or supplying any goods, under this contract. The Purchase Order Number for this contract will be provided as soon as possible. Invoices submitted to the Department must also quote the PO number and must be submitted in accordance with DfT's Invoicing Procedures embedded below.

Please contact the Contract Owner [REDACTED] on telephone number [REDACTED] or via email [REDACTED]@dft.gov.uk to discuss arrangements for commencement of the work.

# Department for Transport

Please acknowledge your receipt, understanding and acceptance of this letter by signing in the allocated space below and returning to me via email to

@dft.gov.uk.

Yours sincerely

## Renewal Quotation - [REDACTED]

[REDACTED] Department for Transport)  
5 Sandringham Park  
Llansamlet  
Swansea  
SA7 0EA

Dear [REDACTED]

I hope you have had a productive and successful year using the ArcGIS Platform. Your annual maintenance subscription is now due for renewal. Renewing your subscription is the only way to continue to receive uninterrupted access to the great benefits your maintenance package provides.

**This now includes:**

### ArcGIS Pro

- ArcGIS Pro is the latest professional desktop GIS software from Esri.
- With ArcGIS Pro, you can view, explore, analyse, edit, and share your maps and data.
- Work with your 2D and 3D data seamlessly side-by-side.
- Smooth integration with ArcGIS Online and ArcGIS Enterprise.

### ArcGIS Online

- 1x Creator Level Named User and 100 credits per ArcGIS Desktop licence in maintenance.
- Easy management and sharing of data internally and externally.
- Access to ready-to-use fieldwork apps, including ArcGIS Collector and Survey123 as well as presentation apps such as StoryMaps and Web AppBuilder.

### Technical Support

- UK based technical support team. Available through
  - MyEsri: [my.esri.com](http://my.esri.com)
  - Email: [\[REDACTED\]@esriuk.com](mailto:[REDACTED]@esriuk.com)
  - Tel: [REDACTED]
- Access to [GeoNet](http://GeoNet) Online community

### Software Updates

- Eligibility to use the latest versions of the platform; available to download from [My Esri](http://My Esri).

### Living Atlas of the World

- The foremost collection of geographic information from around the globe including maps, apps, and data layers to support your work.
- You can browse living atlas content and see what's new at: [livingatlas.arcgis.com/en/](http://livingatlas.arcgis.com/en/)

### Learning Services

- Unlimited access to all self-paced [E-Learning](#) resources including web courses, training seminars, massive open online courses, videos and lessons.
- Esri UK also offer a range of instructor-led courses and on-site training opportunities. More information can be found in the [learning catalogue](#).

Please find your Quotation on Page 2. Any questions, please do not hesitate to contact me.

Yours sincerely,

[REDACTED] Esri UK

Sub Total	£ 16,844.00
Total (Ex VAT)	£ 16,844.00

Quotation valid until: **17-03-2020**

### Note to Productivity Suite Users:

The UK Data Loader is a replacement for ProductivitySuite and utilises the Data Interoperability Extension for ArcGIS Pro. Esri UK are not investing further in the development of ProductivitySuite but it will remain supported until 31st December 2019. Licensees of UK Data Loader may continue to use ProductivitySuite at no additional cost for the term of their licence but will not receive support beyond 31st December 2019.

The ArcGIS Data Interoperability Extension is required by the UK Data Loader, which is the replacement for ProductivitySuite.

# Renewal Quotation - [REDACTED]

**if you would like to accept this Quotation, please read the following important contractual Information**

1. ESRI (UK) Limited ("Esri UK") General Terms apply to all Items within this Quotation, other than Esri UK Managed Cloud and Online Services and Esri UK Training Services, are available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and are incorporated into this Quotation by reference.
2. Esri UK Managed Cloud and Online Service Terms apply to all Esri UK Managed Cloud and Online Services within this Quotation, are available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and are incorporated into this Quotation by reference.
3. Any Environmental Systems Research Institute, Inc ("Esri Inc") software, data and online services included in this Quotation shall be licensed only under the terms and conditions of the Esri Inc License Agreement (E204 and E300), which are available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and are incorporated into this Quotation by reference. Any terms included in this Quotation, other than the Esri License Agreement, shall only be binding between you and Esri UK. You may have a signed license agreement on file that covers the licensing of the Esri software, data and online services. If so, please reference the license agreement number on your purchase order, as well as the Quotation reference.
4. Any Esri UK Software included in this Quotation shall be licensed only under the terms and conditions of the Esri UK Software License Agreement, which is available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and is incorporated into this Quotation by reference.
5. All support and maintenance Services are provided in accordance with Esri UK's standard Support Policy which is available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and is incorporated into this Quotation by reference.
6. Esri UK Learning Services are provided in accordance with Esri UK's Learning Services Terms which are available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions) and are incorporated into this Quotation by reference. For Course(s), a Registration Form referred to in those terms shall be provided to you once course dates have been issued.
7. Any Third Party Data included in this Quotation shall be licensed only under the terms and conditions of the applicable Third Party Licence Terms (as defined in the Esri UK General Terms available at [www.esriuk.com/legal/terms-and-conditions](http://www.esriuk.com/legal/terms-and-conditions)), are available upon request and/or are contained in the relevant Data Information File to be provided. By issuing an order for the Third Party Data included in this Quotation you are agreeing to the latest Third Party Data Licence Terms, which are incorporated into this Quotation by reference.  
  
For Third Party Data licence renewals: (i) you are required to accept the latest Third Party Data Licence Terms applicable to the Third Party Data, as set out in the Data Information File applicable to the licence term identified in this Quotation, which will be provided to you separately; (ii) where you do not accept the latest Third Party Data Licence Terms we will not be able to provide you with and you shall not be entitled to receive updates to the Third Party Data, in which case the Third Party Licence Terms that you previously accepted in relation to that Third Party Data shall continue to apply.
8. Any additional or different terms in any purchase order are deemed rejected, unless those terms are expressly accepted in writing by Esri UK.
9. Please issue an order addressed for the attention of the Customer Operations Department by email [toorders@esriuk.com](mailto:toorders@esriuk.com). Any terms contained or referenced in your order or in other correspondence shall not apply.
10. Your order must clearly state the Esri UK Quotation reference number at the top of this Quotation and not refer to any Customer terms and conditions. Please also provide an email address on your order so that we can confirm receipt.
11. The prices in this Quotation are on the basis that all items are ordered, and therefore individual items, if selectively chosen, may be at different prices to those stated here.
12. All prices are quoted at current rates and are exclusive of VAT.
13. Delivery of commercial off-the-shelf software is normally made within 7 – 10 days of an accepted order.
14. Year 1 Software Support and Maintenance is included in the License Charge but (a) not when transferring from one license type to another (eg ArcGIS for Desktop Basic to ArcGIS for Desktop Standard or ArcPad v6 – v10) and, in such a case, Software Support and Maintenance on the existing license will transfer to the new license type and will be due for renewal on the original renewal date and (b) for single use extensions, support and maintenance is included in the License Charge only up to the renewal date for the application core software to which the extension relates, namely ArcGIS for Desktop. The renewal date for the payment and provision of maintenance and support for any single use extensions will coincide with the renewal date for the application core software.
15. All Charges quoted for Software Support and Maintenance after Year 1 are indicative prices for budgetary purposes only.
16. For any order that includes one or more items of software or data that requires physical delivery, a standard charge of £10 will be made for the delivery of the entire order.
