

ITT AWARD CRITERIA

Redbourn Parish Council's Grounds Maintenance Contract will be awarded based on the ability to meet the below criteria, which will determine the "most advantageous tender", (MAT).

Each criterion will be graded 1 to 7 (1 being low and 7 being high.) The tender evaluation will be based on the factor of criteria and weightings combined.

CRITERIA	DESCRIPTION	WEIGHTINGS (10 being most important)
Delivery of contract	The Contractor's ability to meet the requirements set out in Appendix 1, The Specification For The Provision of Grounds Maintenance, The Grounds Maintenance ITT Statutory Standard Selection Questionnaire, and Appendix 3, Grounds Maintenance Cost Schedule.	10
Demonstrating value	The Contractor must clearly demonstrate their ability to deliver value, reliability, quality of work, and customer service, to show they are a capable and credible supplier.	9
Experience and past performance	The Contractor must provide evidence of relevant experience in delivering similar contracts successfully.	8
Flexibility	The Contractor must be able to react to short notice requests and demonstrate they can perform ad hoc tasks that may not be listed in Appendix 1, The Specification For The Provision of Grounds Maintenance.	7
Local knowledge	The Contractor must demonstrate local knowledge and an ability to meet the unique needs of Redbourn, particularly the needs of The Common, as detailed in Appendix 1, The Specification For The Provision of Grounds Maintenance.	6
