- fully perform or buy performance of the guaranteed obligations to the Buyer
- as a separate and independent obligation and liability, compensate and keep the Buyer compensated against all losses and expenses which may result from a failure by the Supplier to perform the guaranteed obligations under the Call-Off Contract

As a separate and independent obligation and liability, the Guarantor irrevocably and unconditionally undertakes to compensate and keep the Buyer compensated on demand against all losses and expenses of whatever nature, whether arising under statute, contract or at common Law, if any obligation guaranteed by the guarantor is or becomes unenforceable, invalid or illegal as if the obligation guaranteed had not become unenforceable, invalid or illegal provided that the guarantor's liability will be no greater than the Supplier's liability would have been if the obligation guaranteed had not become unenforceable, invalid or illegal.

## Obligation to enter into a new contract

If the Call-Off Contract is terminated or if it is disclaimed by a liquidator of the Supplier or the obligations of the Supplier are declared to be void or voidable, the Guarantor will, at the request of the Buyer, enter into a Contract with the Buyer in the same terms as the Call-Off Contract and the obligations of the Guarantor under such substitute agreement will be the same as if the Guarantor had been original obligor under the Call-Off Contract or under an agreement entered into on the same terms and at the same time as the Call-Off Contract with the Buyer.

## Demands and notices

Any notice purported to be served on the Buyer under this Deed of Guarantee will only be valid when received in writing by the Buyer.

## Beneficiary's protections

The Guarantor will not be discharged or released from this Deed of Guarantee by:

- any arrangement made between the Supplier and the Buyer (whether or not such arrangement is made with the assent of the Guarantor)

This Deed of Guarantee will be a continuing security for the Guaranteed Obligations and accordingly:

- it will not be discharged, reduced or otherwise affected by any partial performance (except to the extent of such partial performance) by the Supplier of the Guaranteed Obligations or by any omission or delay on the part of the Buyer in exercising its rights under this Deed of Guarantee
- it will not be affected by any dissolution, amalgamation, reconstruction, reorganisation, change in status, function, control or ownership, insolvency, liquidation, administration, appointment of a receiver, voluntary arrangement, any legal limitation or other incapacity, of the Supplier, the Buyer, the Guarantor or any other person

- the rights of the Buyer against the Guarantor under this Deed of Guarantee are in addition to, will not be affected by and will not prejudice, any other security, guarantee, indemnity or other rights or remedies available to the Buyer

The Buyer will be entitled to exercise its rights and to make demands on the Guarantor under this Deed of Guarantee as often as it wishes. The making of a demand (whether effective, partial or defective) relating to the breach or non-performance by the Supplier of any Guaranteed Obligation will not preclude the Buyer from making a further demand relating to the same or some other Default regarding the same Guaranteed Obligation.

The Buyer will not be obliged before taking steps to enforce this Deed of Guarantee against the Guarantor to:

- obtain judgment against the Supplier or the Guarantor or any third party in any court
- make or file any claim in a bankruptcy or liquidation of the Supplier or any third party

Any waiver by the Buyer of any terms of this Deed of Guarantee, or of any Guaranteed Obligations, will only be effective if given in writing and then only for the purpose and upon the terms and conditions on which it is given.

Any release, discharge or settlement between the Guarantor and the Buyer will be conditional upon no security, disposition or payment to the Buyer by the Guarantor or any other person being void, set aside or ordered to be refunded following any enactment or Law relating to liquidation, administration or insolvency or for any other reason. If such condition will not be fulfilled, the Buyer will be entitled to enforce this Deed of Guarantee subsequently as if such release, discharge or settlement had not occurred and any such payment had not been made. The Buyer will be entitled to retain this security before and after the payment, discharge or satisfaction of all monies, obligations and liabilities that are or may become due

### 1. Managed Service Terms

#### 1 Definitions

- 1.1 In these Digital Space Cloud Services Support Terms, the following words and phrases shall have the following meanings:
- 1.1.1 **"Incident"** means an unplanned interruption to a Service that is capable of replication and resolution by Digital Space Cloud Services;
- 1.1.2 **"Notification"** means any piece of information that the Customer provides to Digital Space via a Support Request that cannot be categorised as an Incident, Service Request or RFC. Examples of a Notification include the provision of positive or negative feedback or the provision of useful information to the Service Desk such as an expected spike in demand. Notifications result in actions but are not tracked by the Support SLA.
- 1.1.3 **"Request For Change"** An RFC is a requirement for a non-standard change to a Service e.g. to add an additional capability or capacity. Since RFCs involve changing a service they do not count as a support activity and require Digital Space to estimate the time to design and implement the change and the Customer to provide formal approval e.g. via a Change Approval Board before they can be implemented. Digital Space aims to respond to RFCs within 10 working days.
- 1.1.5 **"Service"** means the ability to use the infrastructure, platform or software that Digital Space provides to the Customer.
- 1.1.6 **"Service Desk"** means the function that Digital Space provides to capture, track, categorise and respond to the Support Requests that the Customer raises.
- 1.1.7 **"Service Request"** means a Customer request for information, advice, or for a standard change (a pre-approved change that is low risk, relatively common and follows a procedure) or for access to an IT service e.g. a password reset or new user request. Service Requests do not require a Request For Change to be submitted and are usually given a Support Priority of 'Low' or 'Medium'.
- 1.1.8 **"Support Hours"** means the support hours set out in the Order Form/ Service Description or, if they are not explicitly stated in the Order Form, from 09:00 – 17:00 on UK business days (does not include UK public holidays);
- 1.1.9 **"Support Priority"** means the category assigned to a Support Request by Digital Space Cloud Services, which defines its importance and the target response and resolution times associated with it; and
- 1.1.10 **"Support Request"** means a request made by the Customer for support in relation to the Service. Support Requests are categorised by Digital Space into Incidents, Notifications, Service Requests and Requests For Change. The Support SLA only relates to Incidents and Service Requests.

- 1.1.11 “**Support SLA**” means the service level agreement that Digital Space provides that sets a target time for it to respond to and then to resolve a Support Request.
