Special Term 1 – Conflicts of Interest

Where the Supplier is required to notify the Buyer of a Conflict of Interest in accordance with Clause 32 of the RM6183 Core Terms. The Supplier must also provide the Buyer with any information the Buyer reasonably requires in respect of such Conflict of Interest on an ongoing basis.

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

Crown Copyright 2020

The Supplier's obligations in respect of Clause 32 of the RM6183 Core Terms shall extend to any Conflict of Interest or potential Conflict of Interest that may arise in respect of any Subcontractor. The Supplier shall ensure that appropriate arrangements are put in place with any Subcontractor to enable it to provide such information to the Buyer as the Buyer may require in respect of any Subcontractor Conflict of Interest. The Supplier shall ensure that any Subcontractor complies with any steps required by the Buyer in accordance with Clause 3.3.11 and Clause 32.3 of the RM6183 Core Terms.

The Buyer may ask the Supplier to terminate a Subcontract under Clause 10.7 of the Core Terms or exercise any other right it is entitled to exercise under the Contract where a Conflict of Interest or potential Conflict of Interest has occurred which, in the opinion of the Buyer, cannot be managed to the satisfaction of the Buyer or where the Supplier and/or the Subcontractor have failed to take the steps required under Clause 3.3.11 and Clause 32.3 of the Core Terms to manage such Conflict of Interest to the satisfaction of the Buyer.

The Supplier must promptly notify the Buyer of any actual and potential Conflicts of Interest (CoI). Conflicts of Interest position will be assessed on a Commission-by-Commission basis when it becomes apparent what advice the Buyer is looking for ad hoc support with.

For the avoidance of doubt, it shall be a potential COI for ex-UK civil servants to form part of the Supplier's (or a subcontractor's) team for this Contract.

The Buyer may consider the inclusion of a conflict waiver where the Supplier can show that the terms of such waiver are necessary for the Supplier to meet its regulatory requirements. The Buyer reserves the right to reject the terms of any conflict waiver that it believes are unreasonable and/or may expose the Buyer to additional risk. The acceptance or otherwise of a waiver by the Buyer for this Call-off Contract should not be taken as a precedent for any other Call-off Contract that may be entered into under this framework and the Buyer reserves the right to take a different approach on any future contract it may enter into where it considers it is reasonable to do so.

Special Term 2 – Conflicts Waiver

The Supplier has numerous clients that rely upon it for general representation and many of those clients are routinely adverse to international, national, subnational, and local government entities and officials. In particular, the Supplier has longstanding relationships with many clients that it assists in matters related to international trade and investment law, including other WTO Members and commercial entities. The Supplier assists these clients with respect to trade and investment matters before the World Trade Organization. The Supplier also assists clients in matters that may be adverse to the UK or HM's Government, or to HM's Government's departments, enterprises, businesses, officials or representatives. Such matters may arise under the laws of: one or more of the constituent parts of the United Kingdom, the European

Union, a Member State of the European Union, the WTO, other international trade and/or investment agreements, or public international law generally. As a result, without advance conflicts waivers from Suppliers clients, conflicts of interest could arise that could deprive either the Buyer or other Supplier clients of the right to select the Supplier as counsel.

In light of the foregoing, other current or future clients of the Supplier including those identified in the preceding paragraph (collectively, the “Other Clients”) may ask the Supplier to represent them in matters (including litigation) that are adverse to the Department for Business and Trade (the “Buyer”) but that are not substantially related to the Supplier’s representation of the Buyer. If the Supplier is not representing the Buyer in such a matter, and the matter in which the Buyer and the Other Client have adverse interests is not substantially related to our current or past representation of the Buyer, then the Buyer agrees that the Supplier may represent such Other Client, the Buyer waives any conflict of interest arising from such representation, and the Buyer agrees that it will not seek to disqualify or otherwise prevent the Supplier from representing such Other Client, provided that any confidential information shared by the Buyer with the Supplier is kept confidential and screened from other Supplier lawyers not working on the Buyer’s matters.

The Buyer acknowledges that it has had an opportunity to consult with other counsel (in-house or otherwise) before agreeing to this waiver.

 - 1.1.1 the Framework Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and
 - 1.1.2 the Call-Off Contract Effective Date in respect of the Additional Insurances.
- 1.2 The Insurances shall be:
 - 1.2.1 maintained in accordance with Good Industry Practice;
 - 1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

2. How to manage the insurance

- 2.1 Without limiting the other provisions of this Contract, the Supplier shall:

- 3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. Evidence of insurance you must provide

- 4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

7. Insurance claims

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. - 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

If the Secondary Firm also has a conflict of interest or the Buyer (at its sole discretion) has concerns on the Secondary Supplier's ability to deliver the Commission to the Buyer's satisfaction as a result of capacity issues, DBT reserves the right to award this work to another supplier.
- e. Supplier commences work on the Commission.

The Supplier will be liable for any costs that exceed the Capped Price that have not been pre-agreed with the Buyer.
- j. In instances of extreme urgency, there may be occasions where the Buyer waives the requirement for cost estimates to be provided in advance of work commencing for Urgent Commissions. The right to waive this requirement will be entirely at the Buyer's discretion and will be specified to the Supplier as part of the Commission.
