Contract summary: Construction of new Village Hall

Location of contract: Temple Herdewyke, Warwickshire CV47 2PB

Value of contract: £550,000

Background

A new village hall is planned as part of the community facilities to support a new residential development at Temple Herdewyke, part of Burton Dassett Parish. A Multi-Use Games Area will also be built, for which a separate contract is being tendered.

The village hall has been architect-designed, ground surveys will be complete and planning permission will be in place prior to contract commencement.

Location

The site is at Sandstone Place, Temple Herdewyke, CV47 2PB

The site is flat and accessible, with existing tarmac car park.

Schedule

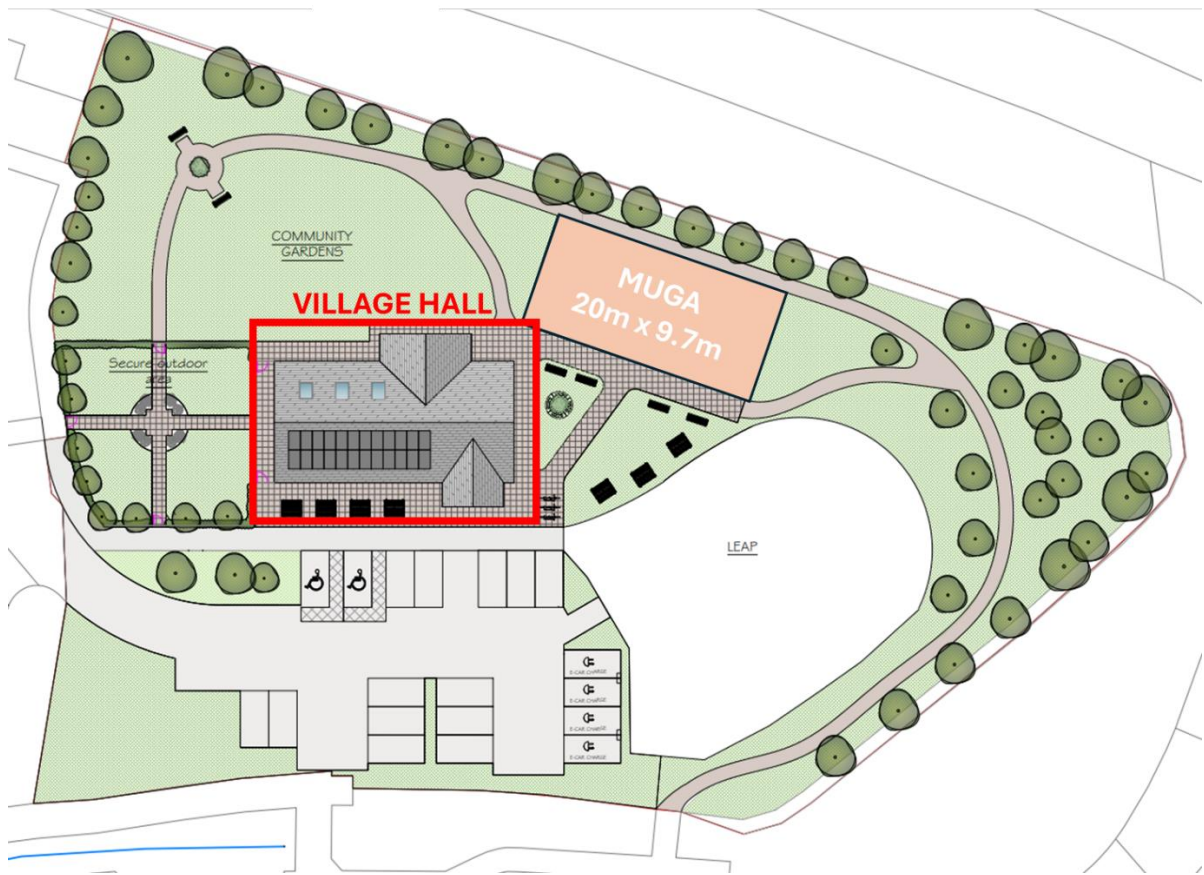

July 2024 – Tenders received

August 2024 – Contract awarded

Late Summer 2024 – Village Hall construction commences

Spring 2025 – Village Hall construction completed

Process

Burton Dassett Parish Council operates a sealed bid system for tenders.

Tenderers should submit a detailed specification with itemised pricing. The prices should include everything necessary for the proper execution of the contract.

Tenders should be delivered by email to:

Helen Hide-Wright, the Clerk at Burton Dassett Parish Council –

Clerk@BurtonDassett-PC.gov.uk

By midnight on 31/07/2024.

The email should be clearly marked as containing tender documents.

Subcontractors: You must specify what supplies and work packages you are using subcontractors for, and which are using your own manufactured items and staff

Collusion: Any collusion with competitor suppliers will lead to disqualification from the contract.

Detailed Specification.

Architect plans and associated documents are available on application to the Clerk.
