Self-delivered **Supply-chain delivered**

Supplier	Proposal Reference	Version	Date
BAE Systems Applied Intelligence	20191222/NEL -D001-1.1	1.1	20 th January 2020

1. Background

This Proposal is submitted in response to the Statement of Requirements (the “SOR”) and the individual activities stated within the Call-Off Tasking Form Part A (reference TBC).

This task is being self-delivered by BAE Systems Applied Intelligence.

2. Deliverables

The Contractor shall formally deliver time and materials under this approach, verified by monthly timesheets and third party invoices. The Contractor shall also provide the outputs as set out in Section 2.4 of the Technical Proposal.

3. Resources

In accordance with the Technical Proposal, we acknowledge this work to be classed as up to SECRET and all staff will have the required security clearances, that is, they will be cleared to SC for SECRET work. In addition the facilities where work shall be conducted are list X.

4. Implementation Plan

REQ TBC will start on (T0) and complete on T0+14 months.

5. Dependencies

Dependencies are listed out in Section 2.6 of the Technical Proposal.

6. Acceptance

The process and criteria for Acceptance is detailed in Section 2.4.5 of the Technical Proposal.

7. Risks

The risks are detailed in Section 2.6 of the Technical Proposal.

8. Special Terms

This Call-Off Tasking Form Part B (the "Proposal") is submitted under the terms of the Framework Agreement for Electronic Warfare & Cyber referenced DSTL/EWC/CSM/01 dated 26th November 2015 (the "Contract"). It is based on the special terms set out in this Proposal, which, notwithstanding clause 3.1 of Section 2 (Special Conditions) of the Contract, shall take precedence over the terms and conditions contained within the said Contract.

Acceptance

For the purposes of DEFCON 524 and DEFCON 525, the express period for the right to reject any deliverable and where Acceptance is deemed to have occurred shall be 30 calendar days from delivery.

Purpose

For the purposes of Clause 5.2.2 of Section 2 (Special Conditions) of the Contract, the purpose for this Call-Off Task is as set out in the SoR. The Parties agree that any additional purpose which the Authority either expressly or impliedly makes known to the Contractor before or after the date of this Call-Off Task must be either added as an update to this Call-Off Task prior to signature, or amended through the appropriate change control procedure under the Contract. Where such an update or amendment is not made, the purpose identified within this Call-Off Task shall take precedence and the Authority cannot rely on any purpose not formalised in accordance herewith.

Remedy Period

For this Call-Off Task, the Parties agree that for the purposes of Clause 13.2 of Section 2 (Special Conditions) of the Contract, the Contractor shall have a period of 30 days to remedy a breach (if such a breach is remediable) prior to the Authority terminating the Call-Off Task.

Intellectual Property

Any background intellectual property used as part of this Call-Off Task shall be identified in a separate document and shall be subject to clause 5 of DEFCON703 and shall remain vested in the Contractor or its Sub-Contractors or other suppliers (as appropriate).

Export

The Contractor is not aware of any export requirements for this Call-Off Task. Obligations related to export as set out in the Contract shall therefore not apply to this Call-Off Task, and the Authority shall be responsible for all export control requirements arising under this Call-Off Task.

Warranty of Information

The Contractor does not provide any warranty, correctness or accuracy of information provided.

Limit of Liability

1.1 Subject to Clauses 1.2 [and 1.3], the Contractor's liability to the Authority, whether arising

from tort (including negligence), breach of contract or otherwise under or in connection with this Contract, in respect of:

- a. Clause 3 of DEFCON 76 shall not exceed £50 million per event; and
- b. Loss of or damage to any articles, software or issued property that is outside the scope of DEFCON 76 shall not exceed 150% of the Task Value; and
- c. Loss of Authority Data shall not exceed 150% of the Task Value; and
- d. Breach of Contract, negligence and third party claims, excluding any third party claims under Defcon 632, shall not exceed 150% of the Task Value.

1.2 Nothing in this Contract shall operate to limit or exclude the Contractor's liability:

- a. under DEFCONs 531 and 632; or
- b. for death or personal injury caused by the Contractor's negligence or the negligence of any of its personnel, agents, consultants or sub-contractors; or
- c. for fraud, or fraudulent misrepresentation; or
- d. for breach of the terms implied by Section 2 of the Supply of Goods and Services Act 1982; or
- e. for any other liability which cannot be limited or excluded by law.

Protection of Personal Data

The Contractor will not be processing any Personal Data under this Call-Off Task.
