Section II: Object	
II.1) Scope of the procurement	

II.1.1) Title:	Radio Network Infrastructure Replacement											
Reference number:	TCA 3/7/1044											
II.1.2) Main CPV code:	32412100											
II.1.3) Type of contract:	Services											
II.1.4) Short description:	<p>HM Coastguard are required to monitor VHF & MF Radio transmissions from vessels at sea and provide assistance in case of emergency to prevent loss of life within the UK's jurisdiction. In order to do this, the current network consists of 155 Remote Radio sites (RRS), situated around 11,000 miles of UK coastline. This network facilitates all communication transmissions to and from vessels at sea and to the HM Coastguard Watch Officers based at our 10 Coastguard Operation Centres around the UK and the National Maritime Operations Centre in Fareham via two Data Centres.</p> <p>The existing network that links these remote radio sites to the HMCG Operations Centres needs to be replaced; the reason is that the analogue Kilostream product that underpins the existing network is being withdrawn from the market in March 2020 by BT in line with a wider OFCOM deregulation of low bandwidth analogue point-to-point product types across the telecommunications industry.</p>											
II.1.5) Estimated total value

VI.4.3) Review procedure	
Precise information on deadline(s) for review procedures:	Maritime and Coastguard Agency will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers along with their debriefing. This period allows unsuccessful tenderers, with sufficient grounds, to consider a challenge against an award before the contract is entered into. If an appeal regarding the award of a contract has not been successfully resolved prior to the end of the Standstill period the Public Contracts Regulations 2015 (SI 2015 No 102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to bring action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months). Where a contract has not been entered into the Court may order the setting aside of the Award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may order the (prospective) ineffectiveness of a contract, where certain serious rule breaches have occurred, in addition to any fine. The Court may instead provide for alternative penalties: either contract shortening, fines or both and damages.
