Dear [REDACTED]

CMA UKRN annual fees 2023/24

Many thanks for your support with arranging payment of UKRN annual fee invoice for 2023/24 financial year. To confirm, the annual fee is £50,000.

As UKRN is not a legal entity, we require corporate services support from our members on rotation, currently CAA are our host. CAA provides IT provision, office space, HR resourcing and procurement/financial services, including collection of annual UKRN fees from our members.

I do hope that this clarifies our relationship with CAA. Please do advise if you require any further detail from us.

Yours sincerely
