In recognition of this principle, we certify that this is a bona fide Bid, intended to be competitive and that we have not fixed or adjusted the amount of Bid by or under or in accordance with any agreement with any other person. We also certify that we have not done, and we undertake that we will not do at any time before the hour and date specified for the return of this Bid any of the following: (a) Communicate to a person other than the person calling for these Bids the amount or approximate amount of the proposed Bid, except where the disclosure, in confidence, of the approximate amount of the Bid was necessary to obtain insurance premium quotations for the preparation of the Bid; (b) Enter into any agreement or arrangement with any other person that he shall refrain from bidding or as to the amount of any Bid to be submitted; (c) Offer to pay or agree to pay or give any sum of money or valuable consideration directly or indirectly to any person for doing or having done or causing or have caused to be done in relation to any other Bid or proposed Bid for the said supply / service any act or thing of the sort described above. Scoring Criteria	Mandatory Pass / Fail
Answer	Yes – Pass

Type	No – Fail
------	------------------

AW4.1	Please confirm your acceptance of the Contract Terms that can be found within the Stage One: Overview section.
Bidder Guidance	The Bidder shall answer Yes, No with justification or No Yes, we accept the terms and condition in their entirety – Pass No with justification – Pass. Complete the document upload attached to AW4.2 with details of what amounts to a valid justification. No – Fail For absolute clarity should a bidder select 'Yes' or 'No' you are not required to respond to AW4.2, however if you select 'No with Justification' you will be required to complete AW4.2 in order to be considered.
Scoring Criteria	Mandatory Pass / Fail
Answer Type	Multiple Choice Dropdown Yes, we accept the terms and condition in their entirety – Pass No with justification – Pass. Complete the document upload attached to AW4.2 with details of what amounts to a valid justification. No – Fail

AW4.2	Where a Bidder has answered question AW4.1 with 'No with justification' they must detail the justification and the proposed change to the clause. Where a bidder has responded 'Yes' or 'No' to AW4.1 you are not required to respond to this question.
Bidder Guidance	A justification for not accepting a specific clause or series of clauses from the attached Contract Terms is that the Bidder would be in breach of legal requirements or statutory regulations by complying with that clause or series of clauses (i.e. for the avoidance of doubt, being unable to comply with a clause or series of clauses because of an internal policy reason will not be considered to be a justification for a legal requirement or statutory regulation). Where the Bidder has answered question AW4.1 as "no with justification", the Bidder shall provide a Contract mark-up utilising track changes detailing the relevant clause, the proposed changes to the clause and the justification for the changes. In this case, the Bidder shall score a pass if (but only if) the Contracting Authority considers both the following requirements are satisfied: - the reasons stated as justifying the Bidder's statement that it cannot accept the Contract Terms due to legal requirements or statutory regulations are valid; and - the changes submitted do not create significant risk for the Contracting Authority and are reasonably necessary and proportionate to ensure the Bidder complies with the legal requirements and statutory regulations. In the event of a Bidder answering Yes or No to Question AW4.1 and then providing a proposed mark-up, rejection of a clause or a justification for a

	change then the response will be a Fail. Any bidder selecting 'No with Justification' to AW4.1 and failing to upload an attachment to this question detailing the information above may not be considered further. Bidders are to note that any requested modifications to the Contracting Authority Terms and Conditions on the grounds of statutory and legal matters only, should be raised as a formal clarification during the permitted clarification period.

Where the scoring criterion is worth 50% then the 0-100 score achieved will be multiplied by 50 In the example if a supplier scores 80 from the available 100 points this will equate to 40% by using the following calculation: Score/Total Points multiplied by 50 (80/100 x 50 = 40) The lowest score possible is 0 even if the price submitted is more than 100% greater than the lowest price. The lowest price for a response which meets the pass criteria shall score 100. All other bids shall be scored on a pro rata basis in relation to the lowest price. The lowest score possible is 0. For example, assuming the lowest bid is £100,000. Bid Price £100,000 Differential to the lowest price which meets mandatory pass criteria ('Differential') 0 Score 100
