Part one: framework arrangements and award procedure

2 Term of Framework Agreement and consideration

- 2.1 The Framework Agreement shall take effect on the Commencement Date and (unless it is terminated in accordance with the terms of this Framework Agreement or is otherwise lawfully terminated) shall terminate at the end of the Term.
- 2.2 The Provider shall invoice the Authority for the sum of £1 (to act as consideration to ensure this Framework Agreement is legally binding between the Parties) within 10 Working Days of the Commencement Date. The Authority shall pay such invoice within 30 days of receipt.

3 Scope of Framework Agreement

- 3.1 This Framework Agreement governs the relationship between the Authority and the Provider in respect of the provision of the Services by the Provider to Customers.
- 3.2 The Authority appoints the Provider as a Framework Provider of the Services and the Provider shall be eligible to be Nominated to deliver such Services by Customers during the Term.

- 3.3 Customers may at their absolute discretion and from time to time during the Term Nominate the Officer Holder and secure Services from the Provider in accordance with the award procedure set out in clause 6 (Award procedures). The Parties acknowledge and agree that the Other Contracting Bodies have the right to secure Services pursuant to this Framework Agreement provided that they comply at all times with the Regulations and the award procedure in clause 6. If there is a conflict between clause 6 and the Regulations, the Regulations shall take precedence.
- 3.4 If and to the extent that any Services under this Framework Agreement are required, each and every Customer shall:
- 3.4.1 enter into a contract with the Provider for these Services materially in accordance with the terms of the Contract; and
- 3.4.2 comply with the award procedure in clause 6.
- 3.5 The Provider acknowledges that, in entering this Framework Agreement, no form of exclusivity or volume guarantee has been granted by the Customer for the Services and that the Customer is at all times entitled to enter into other contracts and arrangements with other providers for the provision of any or all services which are the same as or similar to the Services.
- 3.6 The Authority shall not in any circumstances be liable to the Provider or any Other Contracting Body for payment or otherwise in respect of any Services provided by the Provider to any Other Contracting Body.

4 Office Holders

- 4.1 The Parties have agreed to the appointment to the Framework Agreement of the Office Holder(s) listed in Schedule 7 (Office Holders) as at the Commencement Date. The Provider shall have a maximum of three Office Holders appointed to the Framework Agreement. Subject to clause 4.3, only those Office Holders which meet all the criteria set out in clause 4.2 shall be appointed to the Framework Agreement. All changes to the Provider's list of Office Holders appointed to the Framework Agreement require the prior written consent of the Authority which shall be requested in accordance with this clause 4.
- 4.2 The Provider shall ensure that each Office Holder:
- 4.2.1 is suitably qualified and authorised to act as an insolvency practitioner in England, Wales and Northern Ireland as required by the relevant legislation and in accordance with the Framework Specification;
- 4.2.2 maintains suitable professional indemnity insurance with a minimum level of cover as specified in clause 30 (**Required Insurance**);
- 4.2.3 has current and valid SC Clearance;
- 4.2.4 [where requested by the Authority, has current and valid Developed Vetting;](#)

- [4.2.5](#) ~~4.2.4~~ shall work for such a period of time in the performance of the Services that is commensurate with and sufficient to perform the obligation of that person's role; and
- [4.2.6](#) ~~4.2.5~~ has never had a receivership order or trusteeship order discharged due to their poor performance (relating to either their action or inaction (or both)).
- 4.3 Where an Office Holder is awaiting SC Clearance to be approved they may be appointed to this Framework Agreement provided they shall not receive any Nominations nor shall any Contracts be awarded in respect of that Office Holder until such time as SC Clearance is approved.
- 4.4 The Provider shall give the Authority, on request, such evidence relating to each of the Provider's Office Holders as may be reasonably required by the Authority:
- 4.4.1 to verify the validity and current status of their authorisation to act as an insolvency practitioner pursuant to clause 4.2.1;
- 4.4.2 to evidence they have current and valid SC Clearance [and, where applicable, current and valid Developed Vetting](#); and
- 4.4.3 to demonstrate that the Required Insurance is in place.
- 4.5 Where an Office Holder:
- 4.5.1 ceases to be a suitably qualified and authorised to act as an insolvency practitioner;
- 4.5.2 is discharged by a Court due to their poor performance;
- 4.5.3 has their SC Clearance revoked or their SC Clearance has lapsed;
- [4.5.4](#) [is required to hold Developed Vetting, has their Developed Vetting revoked or their Developed Vetting has lapsed;](#)
- [4.5.5](#) ~~4.5.4~~ is in breach of the terms of any Contract; or
- [4.5.6](#) ~~4.5.5~~ is unable to fulfil the requirements of this Framework Agreement, including but not limited to meeting the requirements of the Framework Specification,
- the Provider shall notify the Authority immediately.
- 4.6 If the Authority finds that an Office Holder is not suitably qualified and authorised to act as an insolvency practitioner pursuant to clause 4.2, or where the Authority receives notification from the Provider pursuant to clause 4.5, the Authority reserves the right to immediately remove the relevant Office Holder from the Framework Agreement (in which case it shall notify the Provider and Other Contracting Bodies in writing of the same).
- 4.7 Where the Authority removes an Office Holder from this Framework Agreement pursuant to clause 4.6, a Customer may apply to the Court to discharge the

Office Holder from all Appointments they are currently delivering under the Framework Agreement and, where that Customer considers it appropriate to do so, appoint a Replacement Office Holder.

4.8 Where the Provider:

4.8.1 has fewer than three Office Holders appointed to the Framework Agreement and wishes to appoint an additional Office Holder; or

4.8.2 wishes to replace or remove one of its existing Office Holders appointed to the Framework Agreement,

it shall submit such requests to the Authority through the Framework Agreement Variation Procedure Office Holder List Change Request Form in Part 2 of Schedule 8 (Framework Agreement Variation Procedure). When submitting such requests to the Authority the Provider must provide confirmation that any new Office Holder to be considered for appointment to the Framework Agreement:

4.8.3 complies with the Framework Specification and relevant requirements of the Framework Agreement;

4.8.4 is fully compliant with clause 4.2; and

4.8.5 that their appointment does not alter the outcome of the SQ Response,

and shall provide any further information and evidence in relation to the proposed appointment as may be reasonably requested by the Authority.

4.9 The Authority shall not unreasonably delay or withhold its consent to requests submitted by the Provider pursuant to clause 4.8 provided that the Authority may interview any candidates for the position of Office Holder prior to and to assist with determining whether such consent is to be provided.

4.10 Where an Office Holder is to leave the employ of the Provider (including where the Office Holder is to move to another Framework Provider), the Provider must inform the Authority no less than 3 Months prior to the date on which the Office Holder is due to leave. Subject to clause 4.11, the relevant Office Holder shall be removed from the Framework Agreement.

4.11 Subject to clause 4.12, where an Office Holder moves from the Provider to another Framework Provider, the Provider and relevant Office Holder may enter into such agreements and establish such arrangements as may be required to ensure that the relevant Office Holder can continue to deliver and complete all Appointments being undertaken by that Office Holder prior to the move on the same terms mutatis mutandis as that Office Holder was originally Appointed.

4.12 The Provider acknowledges and agrees that an Appointment is personal to the Office Holder and that an appointing Customer may (but shall not be obliged to) require an Office Holder to renounce their Appointment if they leave the employ of the Provider.

4.13 Where an Office Holder:

- 4.13.1 leaves the Provider and such arrangements pursuant to clause 4.11 have not been entered into;
 - 4.13.2 is removed from the Framework Agreement;
 - 4.13.3 is unable or not willing to perform the duties set out in the Contract; or
 - 4.13.4 is otherwise removed from the Appointment,
- then:
- 4.13.5 if requested by the Customer, the Provider shall ensure that another Office Holder continues the Appointment on the same terms as set out in the original Contract, provided such Appointment is approved by the Customer and endorsed by the Court; or
 - 4.13.6 the Customer may approach the market to appoint a new Office Holder to continue the relevant Appointment.
- 4.14 If pursuant to this clause 4 the Provider has:
- 4.14.1 no approved Office Holders named in Schedule 7 (Office Holders); and
 - 4.14.2 no Office Holders awaiting SC Clearance or other relevant requirement to become an approved Office Holder listed in Schedule 7 (Office Holders),
- then this Framework Agreement shall terminate in accordance with clause 25 (Termination).
- 4.15 The Authority and/or any Customers shall not be liable for the cost of replacing any Office Holder pursuant to the Framework Agreement and the Provider shall indemnify the Authority against any and all liabilities (including but not limited to employee liabilities) that may arise in this respect.

5 Appointment of Subcontractors

- 5.1 The Provider shall ensure that all Subcontractors appointed by them (or any subcontractors which may be appointed by Office Holders) in provision of the Services shall be:
- 5.1.1 suitably experienced and professionally qualified;
 - 5.1.2 hold all necessary professional accreditations and authorisations; and
 - 5.1.3 meet all relevant regulatory requirements and requirements of this Framework Agreement,
- commensurate to the role for which they are engaged to ensure they can properly undertake any and all activities which may be Subcontracted to them in accordance with this Framework Agreement and all applicable Law.

6 Award procedures

Awards under the Framework Agreement

- 6.1 If a Customer decides to source Services through the Framework Agreement then, subject to clause 6.2, it may:
- 6.1.1 satisfy its requirements for the Services by awarding a Contract in accordance with the terms laid down in this Framework Agreement without re-opening competition (**Direct Award**); or
 - 6.1.2 satisfy its requirements for Services by awarding a Contract following a mini-competition conducted in accordance with the requirements of clause 6.6 (**Competed Services**).
- 6.2 A Customer may satisfy its requirements for Competed Services in any circumstances but shall only satisfy its requirements for the Services by Direct Award in the following circumstances (**Direct Award Criteria**):
- 6.2.1 where there are two defendants or respondents relating to the same property, the Provider to which the Customer may Direct Award is the Provider for the Office Holder who was Appointed (or selected to be put forward for Appointment by the Customer) in respect of the first defendant or respondent;
 - 6.2.2 where there are two defendants or respondents relating to the same case, the Provider to which the Customer may Direct Award is the Provider for the Office Holder who was Appointed (or selected to be put forward for Appointment by the Customer) in respect of the first defendant or respondent;
 - 6.2.3 where there are two related cases as a result of the same criminal or civil recovery investigation, the Provider to which the Customer may Direct Award is the Provider for the Office Holder who was Appointed (or selected to be put forward for Appointment by the Customer) in respect of the first case;
 - 6.2.4 where converting:
 - (a) a Management Receiver into an Enforcement Receiver;
 - (b) an Interim Receiver or a Receiver in Connection with an Interim Freezing Order into a Receiver in Connection with a Prohibition Order or a Receiver in Connection with a Property Freezing Order; or
 - (c) a Receiver in Connection with a Prohibition Order or a Receiver in Connection with a Property Freezing Order into a Trustee for Civil Recovery,

the Provider to which the Customer may Direct Award is the Provider for the Office Holder who was Appointed (or selected to be put forward for Appointment by the Customer) as the Management Receiver, the Interim Receiver, the Receiver in Connection with an Interim Freezing Order, the Receiver in Connection with a Prohibition Order or the

Receiver in Connection with a Property Freezing Order (as appropriate);

- 6.2.5 where a receivership or trusteeship is completed, but at a later stage a further asset in connection with that receivership or trusteeship is discovered, the Provider to which the Customer may Direct Award is the Provider for the Office Holder who was Appointed to the receivership or trusteeship which has been completed; or
- 6.2.6 in cases of extreme urgency (as determined by the Customer), the Provider to which the Customer may Direct Award is to be determined in accordance with clauses 6.4 and 6.5,

and provided that, save for in cases of extreme urgency pursuant to clause 6.2.6, the Provider shall put forward the same Office Holder that was Appointed (or selected to be put forward for Appointment by the Customer) in respect of the earlier defendant, respondent, case or receivership giving rise to the specific Direct Award Criterion.

Direct Award process (awards without re-opening competition)

- 6.3 Where a Customer secures Services under the Framework Agreement by Direct Award pursuant to clauses 6.2.1 to 6.2.5 (inclusive):
 - 6.3.1 the Customer shall send an Order Form with Part 1 completed to the Provider which meets the relevant Direct Award Criterion (**Relevant Provider**);
 - 6.3.2 the Relevant Provider must confirm to the Customer within the time period set out in Part 1 of the Order Form that either:
 - (a) they have the capability, capacity and expertise to provide the Services within the timescales specified by the Customer and also confirm the price that they are proposing to undertake the Services by completing Part 2 of the Order Form and returning it to the Customer; or
 - (b) that they are unable to provide the Services;
 - 6.3.3 if the Relevant Provider is not able to provide the Services, and unless clause 6.2.6 applies, the Customer must satisfy its requirements for Services by conducting a mini-competition in accordance with clause 6.6.

Direct Award in extreme urgency (awards without re-opening competition)

- 6.4 Each Customer shall maintain a list of all Framework Providers in order of rank, highest to lowest, according to the evaluation of their Tenders (**Ranking List**). The Ranking List shall be used by each Customer to ensure the Framework Providers are selected in turn for Nominations where that Customer is seeking to satisfy its requirements for Services in a case of extreme urgency pursuant to clause 6.2.6.

6.5 Where a Customer secures Services under this Framework Agreement by Direct Award pursuant to clause 6.2.6:

6.5.1 the Customer shall send an Order Form with Part 1 completed:

- (a) when it is the first time they are submitting an Order Form pursuant to this clause 6.5, to the Framework Provider who is ranked highest on the Ranking List;
- (b) when it is the second or any subsequent time thereafter they are submitting an Order Form pursuant to this clause 6.5, to the Framework Provider ranked next on the Ranking List immediately following the Framework Provider to which the Customer previously submitted an Order Form pursuant to this clause 6.5 (provided that where the previous Framework Provider is the lowest ranked on the Ranking List, the Framework Provider ranked next shall be the highest ranked Framework Provider on the Ranking List),

and the Framework Provider receiving the Order Form shall be the **Preferred Framework Provider**;

6.5.2 the Preferred Framework Provider must confirm to the Customer within the time period set out in Part 1 of the Order Form that either:

- (a) they have the capability, capacity and expertise to provide the Services within the timescales specified by the Customer and the price that they are proposing to undertake the Services by completing Part 2 of the Order Form and returning it to the Customer; or
- (b) they are unable to provide the Services;

6.5.3 if the Preferred Framework Provider is not able to provide the Services, the Customer may send an Order Form with Part 1 completed to the Framework Provider who is next on the Ranking List immediately following the Preferred Framework Provider;

6.5.4 the Customer may continue to submit Order Forms with Part 1 completed to Framework Providers in turn following the order of rank of the Ranking List until the Order Form is returned to them with Part 2 completed or there are no further Framework Providers qualified to fulfil the Customer's requirements.

Competed Services (awards following mini-competitions)

6.6 Where a Customer is securing Competed Services under the Framework Agreement:

6.6.1 the Customer may:

- (a) complete Part 1 of the Order Form setting out their requirements for the Competed Services;

- (b) supplement and refine the Call-off Terms and Conditions only to the extent permitted by and in accordance with the requirements of the Regulations and Guidance (as such supplements and refinements may be set out in the Order Form);
- (c) invite tenders by conducting a mini-competition for its Competed Services requirements in accordance with the Regulations and Guidance and in particular:
 - (i) submit an Invitation to all Framework Providers setting out their requirements for Competed Services and inviting all Framework Providers within a specified time limit to submit a Supplemental Tender;
 - (ii) require that Providers submit any clarifications they may have in respect of the mini-competition as soon as reasonably practicable but in any event within 3 Working Days of the Provider's receipt of the Invitation. Should any clarifications be received by the Customer the Customer's responses to such clarifications (along with the clarification question) shall be shared with all Providers, subject to the Customer withholding any information which is commercially sensitive;
 - (iii) set a time limit for the receipt by it of the Supplemental Tenders which takes into account of the period within which any clarifications should be raised by Providers and other factors such as the complexity of the subject matter of the Contract, the time needed to submit tenders and the timeframe within which the Customer needs to Appoint the Office Holder; and
 - (iv) keep each Supplemental Tender confidential until the expiry of the time limit for the receipt by it of the Supplemental Tenders;
- (d) apply the Competed Services Award Criteria to any compliant Supplemental Tenders submitted through the mini-competition; and
- (e) subject to clause 6.10, submit a Letter of Nomination to the successful Framework Provider to accompany the Order Form with Part 3 executed by the Customer;

6.7 The Provider agrees that all Supplemental Tenders submitted by the Provider in relation to a mini-competition held pursuant to this clause 6 shall remain valid for sixty calendar days (or such other period specified in the Invitation issued by the relevant Customer in accordance with this clause 6).

6.8 When submitting clarifications pursuant to 6.6.1(c)(ii), the Provider must identify any information they consider is commercially sensitive. The Customer shall be the sole arbiter of deciding what information is commercially sensitive. If, in the opinion of the Customer, the information is not commercially sensitive, the

Customer shall inform the Provider who will have the opportunity to withdraw the clarification. If the clarification is not withdrawn, the clarification question and Customer response shall be shared with all Framework Providers. Where a Provider has any questions or requires clarification with regard to the detail included in Part 1 of the Order Form, including but not limited to pricing and assumptions, the clarification process shall be their opportunity to seek such clarification.

- 6.9 The Provider shall not supplement or modify the Call-off Terms and Conditions and shall comply with all requirements of the tender procedure as specified in this Framework Agreement and Order Form. Should the Provider seek to supplement or modify the Call-off Terms and Conditions or fail to comply with any requirements of the tender procedure the Customer may disqualify them from the relevant award procedure.
- 6.10 Notwithstanding the fact that the Customer has followed the procedure set out above for Competed Services, the Customer may cancel, postpone, delay or end the procedure without issuing a Letter of Nomination for Services or awarding a Contract. Nothing in this Framework Agreement shall oblige any Customer to issue a Letter of Nomination or Contract for Services.

Responsibility for awards

- 6.11 The Provider acknowledges that each Customer is independently responsible for the conduct of its award of Contracts under the Framework Agreement and that the Authority is not responsible or accountable for and shall have no liability whatsoever in relation to:
 - 6.11.1 the conduct of Other Contracting Bodies in relation to the Framework Agreement; or
 - 6.11.2 the performance or non-performance of any Contracts between the Provider and Other Contracting Bodies entered into pursuant to the Framework Agreement.

Form of Appointment

- 6.12 Subject to clause 6.1 to clause 6.11, each Customer may commence the Nomination process by serving a Letter of Nomination in writing in substantially the form set out in Part 1 of Schedule ~~43~~12 (Letter of Nomination and Letter of Acceptance of Appointment).

Accepting and declining Appointments

- 6.13 Following receipt of a Letter of Nomination, the Provider shall within the time period specified in the Letter of Nomination acknowledge receipt of the Letter of Nomination and either:
 - 6.13.1 notify the Customer in writing that it declines to accept the Letter of Nomination including detailed reasons as to why it is unable to accept the Letter of Nomination; or
 - 6.13.2 notify the relevant Customer of its unqualified acceptance of the Letter of Nomination by:

- (a) procuring that the Office Holder signs the Letter of Acceptance of Appointment; and
- (b) signing Part 3 of the completed Order Form which the Provider shall return to the Customer with the signed Letter of Acceptance of Appointment;

6.14 If the Provider:

- 6.14.1 notifies the Customer that it declines to accept the Letter of Nomination;
- 6.14.2 does not provide its unqualified acceptance of the Letter of Nomination; or
- 6.14.3 the time limit for acknowledgement referred to in clause 6.13 has expired;

then the Letter of Nomination shall lapse and the relevant Customer may then send that Letter of Nomination to another Framework Provider as follows:

- 6.14.4 in the case of a Direct Award in cases of extreme urgency, in accordance with the Ranking List procedure set out in clause 6.5; or
- 6.14.5 in the case of an award for Competed Services, the Framework Provider who was ranked next highest in the relevant mini-competition.

6.15 The Parties acknowledge and agree that the issuing of an Order Form alone does not constitute an offer from the Customer which is capable of acceptance by the Provider. Where a Customer issues a Letter of Nomination accompanied by a completed Order Form signed by the Customer in Part 3 this shall constitute an offer to the Provider. Accordingly, the Provider shall signal its unqualified acceptance of such an offer and, subject to clause 6.16 and clause 6.17, the conditional formation of a Contract, by counter-signing Part 3 of the Order Form and returning it to the Customer with the Letter of Acceptance of Appointment signed by the Office Holder.

6.16 The Contract shall not become legally binding until the Office Holder takes office as per the relevant Court Order. If the Office Holder never takes office then the Parties agree that no Contract shall be formed.

6.17 The Provider acknowledges and agrees that all Contracts are subject to the approval of the Court and that:

- 6.17.1 the Court's approval of a Contract may be subject to the Court:
 - (a) allowing more time for a defendant or respondent to voluntarily pay the Court Order (in which case approval from the Court may be delayed);
 - (b) appointing the Office Holder but on the basis that the date at which they take office is deferred to a specified date (Specified Date) (during such time the defendant may

voluntarily pay the Court Order in which case the Office Holder shall not take office and the Contract shall not become legally binding); and

6.17.2 the Court may withhold or refuse to provide approval of the Contract, in which circumstances the Customer shall not be liable for any costs or expenses, nor shall it indemnify the Provider for any costs or expenses, which may have been incurred by the Provider in relation to the relevant Contract.

7 Contract performance and precedence of documents

7.1 The Provider shall perform all Contracts entered into with a Customer in accordance with:

7.1.1 the requirements of this Framework Agreement; and

7.1.2 the terms and conditions of the relevant Contract.

7.2 In the event of, and only to the extent of, any conflict or inconsistency between the terms and conditions of this Framework Agreement and the terms and conditions of a Contract, document referred to in this Framework Agreement, with Law or the Office Holder's general duties, save where may be stated otherwise in this Framework Agreement, such conflict or inconsistency shall be resolved according to the following order of priority:

7.2.1 the Court Order (including any subsequent Court Order);

7.2.2 the Law, the Capewell Guidelines (if applicable) and the Contract (except the Provider's Supplemental Tender);

7.2.3 the Office Holder's general duties;

7.2.4 the terms of the Framework Agreement, the Schedules to the Framework Agreement (except the Provider's Tender);

7.2.5 any other document referred to in the clauses of the Contract;

7.2.6 the Provider's Supplemental Tender;

7.2.7 the Provider's Tender.

8 Social Value

8.1 Once the Provider has received remuneration from Contracts placed with Customers the total of which in aggregate meets or exceeds the Social Value Threshold, the Provider shall deliver the social value commitments that are set out in their Tender.

8.2 Once the Provider has received remuneration from Contracts placed with Customers the total of which in the aggregate meets or exceeds the value of £300,000, the Provider and Authority shall meet (such meeting to be convened in accordance with clause 14.2 (requesting extraordinary meetings)) to discuss, acting in good faith and using reasonable endeavours, to agree an additional

social value commitment. Such additional social value commitment shall be aligned to the Procurement Policy Notice 06/20 (Taking Account of Social Value in the Award of Central Government Contracts) and shall take into account one or more of the three CPS priority groups, namely:

- 8.2.1 victims of crime (and associated supporting organisations);
- 8.2.2 ex-offenders (and associated supporting organisations); and
- 8.2.3 people at risk of entering the criminal justice system (including but not limited to: people (and associated supporting organisations) from disadvantaged backgrounds (living in poverty or vulnerable), people not in employment, education or training (NEETs), black and minority ethnic people, disabled people, and the homeless amongst several other disenfranchised groups.

8.3 The Framework Agreement Variation Procedure shall be used to vary this Framework Agreement to incorporate any such additional social value commitments agreed pursuant to this clause 8. Any failure of the Parties to agree such additional social value commitments pursuant to this clause 8 shall be resolved in accordance with the Dispute Resolution Procedure.

9 Prices for Services

9.1 The Contract Price shall be either:

- 9.1.1 a Capped Price;
- 9.1.2 an Estimated Price; or
- 9.1.3 Contingency Fee Pricing,

as such pricing type shall be selected by the Customer and specified in Part 1 of the Order Form as applying to a Contract, or part of a Contract, and may be a combination of the above with different pricing types applying to different assets and/or aspects of the Services to be delivered under the Contract.

9.2 Where the Provider is proposing a Capped Price or Estimated Price the Contract Price shall be based on the prices listed in the Pricing Matrices. The prices listed in the Pricing Matrices shall not be exceeded by the Provider when seeking awards of Contracts pursuant to this Framework Agreement but may be lowered at the Provider's discretion for any Contract.

9.3 Subject to any revisions made pursuant to clause 10 (Variation to prices), the prices listed in the Pricing Matrices shall be fixed for the Term.

9.4 Where the Provider is proposing a Contract Price for Services being secured by way of Direct Award pursuant to clause 6.3 (Direct Award), the Contract Price shall be based on the same rates as the Appointment giving rise to the relevant Direct Award Criterion.

9.5 The Provider shall only charge hourly rates for work which is commensurate to the level of work being undertaken. For the avoidance of doubt, and by way of example, work which can be carried out by an Associate shall only be charged

at the applicable Associate rate regardless of the level of seniority of the individual actually undertaking that work.

- 9.6 Where the Provider charges for disbursements including all Subcontractors' fees, such charges shall be included within the Contract Price. The Provider shall not impose any mark-up on disbursements or Subcontractors' costs.
- 9.7 The Provider shall set out their proposed Contract Price in Part 2 of the Order Form and must:
- 9.7.1 price each asset within the Receivership Estate and/or aspect of the Services to be provided according to the pricing type (or types) selected by the Customer pursuant to clause 9.1;
 - 9.7.2 base each price on the Assumptions;
 - 9.7.3 include a price breakdown for each asset within the Receivership Estate and/or aspect of the Services to be provided which shows the relevant hourly rates per grade of Staff as stated in the Pricing Matrices, plus a breakdown of Subcontractor and disbursement costs;
 - 9.7.4 include a total price for each asset within the Receivership Estate or aspect of Services to be provided. The total price for each asset shall be for the recovery and/or management of the relevant asset inclusive of disbursements;
 - 9.7.5 not include any prices which are not linked to assets within the Receivership Estate or aspects of Services to be provided as specified by the Customer in Part 1 of the Order Form,

and the Contract Price shall be the total of all prices stated for the assets within the Receivership Estate and any itemised aspects of the Services to be provided (inclusive of disbursements).

- 9.8 Where the Provider:
- 9.8.1 fails to set out their proposed Contract Price in accordance with clause 9.7 above; and/or
 - 9.8.2 seeks to introduce new assumptions, exclusions or dependencies (unless they are agreed with the Customer through the clarification process),

then the Customer may disqualify the Provider from the relevant award process.

10 Variation to Prices

- 10.1 The Hourly Rates shall be subject to revision on an annual basis with effect from the second anniversary of the Commencement Date and each anniversary thereafter. Any such increase shall be calculated in accordance with the formula set out below with the first increase taking effect from the beginning of the third Framework Year.

$$\mathbf{NHR = HR + V}$$

Where:

$$\mathbf{V = HR \times IF - HR}$$

and:

SPPI₀ represents the value of SPPI for the quarter in which the Commencement Date falls in the year 2024;

SPPI_t represents the value of SPPI for the quarter in which the anniversary of the Commencement Date in the Framework Year 't' falls (subject to where such data is not available at the relevant date the value of SPPI for the latest available quarter shall be used);

HR represents the Hourly Rate as at the Commencement Date;

IF represents the indexation factor which shall be calculated to three decimal places on the basis of the following calculation:

$$\text{SPPI}_t / \text{SPPI}_0$$

NHR represents the new Hourly Rate which shall apply following the price revision and take effect from the beginning of the relevant Framework Year;

SPPI represents the SPPI Index Output Domestic All Services, excluding Financial and Insurance services (HQT1) as published in the United Kingdom by the Office for National Statistics;

t is the current Framework Year; and

V represents the variation of price.

Worked example:

NB - for the purposes of this worked example historic SPPI figures are used, as may have applied if the Framework Agreement had a Commencement Date of 01 May 2021 with the variation taking effect on 01 May 2023.

$$\mathbf{V = HR \times IF - HR}$$

$$\text{HR} = \mathbf{£10}$$

$$\text{SPPI}_t = \mathbf{120.8} \text{ (the SPPI figure for Q2 2023)}$$

Schedule 2 - Competed Services Award Criteria

1. This Schedule 2 applies to all awards of Contracts for Competed Services.
2. Subject to paragraph 3, a Customer may choose to evaluate a mini-competition on the basis of:
 - 2.1 lowest price; or
 - 2.2 weighted evaluation.
3. A Customer shall take into account the following factors when deciding whether to evaluate a mini-competition on the basis of:
 - 3.1 **lowest price**, the Customer perceives that:
 - 3.1.1 the technical elements of the requirement are adequately provided for with reference to the Framework Specification and the Provider's Tender and the Customer does not need to take into account any further technical information in its assessment of the mini-competition;
 - 3.1.2 the requirement is perceived to be low to medium risk; and
 - 3.1.3 the requirement is not novel and/or contentious;
 - 3.2 **weighted evaluation**, the Customer perceives that:
 - 3.2.1 the technical elements of the requirement are not adequately provided for with reference to the Framework Specification and the Provider's Tender and the Customer needs to take into account further technical information in its assessment of the mini-competition;
 - 3.2.2 the requirement is perceived to be medium to high risk; or
 - 3.2.3 the requirement is novel and/or contentious.
4. Where a Customer is evaluating a mini-competition on the basis of lowest price, the evaluation will be based on 100% of the Contract Price (of compliant tenders) proposed by the Provider in Part 2 of the Order Form.
5. Where a Customer is evaluating a mini-competition on the basis of weighted evaluation, subject to paragraph 7, the Customer shall have regard to the criteria which was applied for the award of the Framework Agreement. The following criteria were applied for the award of the Framework Agreement:
 - 5.1 Technical (60%) – broken down as follows:
 - 5.1.1 Investigation of Assets (i.e., Interim Receivers) – 5%;
 - 5.1.2 Management and Realisation of Assets (i.e., the other types of receivers/trustees) – 20%;
 - 5.1.3 Digital Assets – 2.5%;
 - 5.1.4 Approach to UK-Based Assets – 12.5%;
 - 5.1.5 Approach to Northern Ireland and Overseas-Based Assets – 2.5%;
 - 5.1.6 Breadth of Assets and Access to Appropriate Experience – 7.5%;

- 5.1.7 Cost Control, Management, VFM and Reporting – 10%;
- 5.2 Price (30%); and
- 5.3 Social Value (10%).

6. Customers shall ensure that the weighted evaluation criteria are within scope of the criteria which was applied for the award of the Framework Agreement, but do not necessarily need to mirror them. Criteria which are not relevant for a particular mini-competition do not need to be included. In determining what percentages to allocate to the weighted evaluation criteria, Customers shall have regard to the criteria applied for award of the Framework Agreement, but in any event shall work within the following percentages:

Criterion	Percentage Weightings and allowable variance to be set by the Customer conducting the mini-competition
Technical	50%-90%
Price	10%-50%
Social Value	0% - 10%

7. A Customer may choose to include 10% social value in the above weighted evaluation award criteria. Should a Customer choose to allocate 10% of the weighted evaluation award criteria to social value that Customer shall have regard to the contents of Procurement Policy Note (PPN) 06/20.

Counsels' Suggested Guidelines for appointment of Receivers

Application by the Prosecutor

Application by the Prosecutor

1. Within the witness statement in support of the application to appoint a Management Receiver, the prosecutor should set out the reasons the prosecutor seeks the appointment of a Receiver; and what purpose the prosecutor believes the Receivership will serve.
2. The witness statement in support of the application should also give an indication of the type of work that it is envisaged the Receiver may need to undertake, based on the facts known to the prosecutor at the time of the appointment.
3. The witness statement should specifically draw to the Court's attention the proposition that the assets over which the Receiver is appointed will be used to pay the costs, disbursements and other expenses of the Receivership (even if the defendant is acquitted or the Receivership is subsequently discharged).
4. The letter of acceptance of appointment from the Receiver, which must be exhibited to the applicant's witness statement, should contain the time charging rates of the Staff the Receiver anticipates he may need to deploy or other structure for remuneration agreed with the Prosecutor.
5. In appropriate cases, where it is possible, and this will not be in every case, the Receiver should give in his letter of acceptance an estimate as to how much the Receivership is likely to cost.
6. The prosecutor's witness statement in support of the application should inform the Court of the nature of the assets and their approximate value (if known), and the income the assets might produce (if known).
7. If the prosecutor or Receiver is unable to comply with any of the above requirements the prosecutor should explain the reasons for the failure in the prosecutor's application to the court, and the matter will be left at the discretion of the court.

Upon appointment

8. Upon the appointment of a Receiver, the Judge should consider whether it is appropriate, in all the circumstances, to reserve any future applications to himself, with a view to minimising costs.
9. Upon the appointment of a Receiver, the Judge should consider whether it is appropriate, in all the circumstances, to set a return date, balancing the need for such a hearing with the interests of the defendant, who ultimately will bear the costs of such a hearing.

10. The Receiver should inform the parties by written report as soon as reasonably practicable, if it appears to him that any initial costs estimate will be exceeded, or Receivership costs are increasing, or are likely to increase to a disproportionate level. Such a report should also be filed with the Court. In such circumstances the parties and the Receiver shall be at liberty to seek directions from the Court.

Reporting requirements

11. Unless the Court directs otherwise, the Receiver should report 28 days after his appointment and quarterly thereafter.
12. Unless the Court directs otherwise, the report should be served on the prosecutor and the defendant and filed with the Court.
13. Every report should set out: the costs incurred to date; the work done; the projected costs until the next report; a summary of how those costs attach to the matters that led to the appointment or to the matters that may have arisen; and, where appropriate, an estimated final outcome statement.
14. Every report should contain a statement that the Receiver believes that his costs are reasonable and proportionate in all the circumstances.
15. If the Receiver is unable to fulfil any of the above reporting requirements, he should give, as soon as reasonably practicable, an explanation, by way of written report to be filed at Court and served on the parties, of why this is the case, and those parties shall be at liberty to seek directions from the Court.

Lawyers and other agents

16. The parties should always be told that lawyers or other agents have been instructed unless it is not practicable or in the interests of justice to do so (for example, to make an urgent without notice application to secure assets).
17. If lawyers or other agents are instructed the Receiver should ask for monthly bills or fee-notes. The Receiver should endeavour to keep a close control on such fees and satisfy himself that the costs being incurred are reasonable and proportionate in all the circumstances.
18. The Receiver should notify the parties as soon as reasonably practicable, if it appears to him that any lawyers or other agents' costs are rising to a disproportionate level, and those parties shall be at liberty to apply to the Court for directions.

General

19. Nothing in these guidelines should be read as supplanting the appropriate rules of court, particularly CPR 69 , and the relevant statutory provisions.
20. Judges appointing Receivers should always bear in mind that the costs of the Receivership may fall on an innocent man. They should also bear in mind that the interests of justice dictate that Receiverships are a necessary and essential tool of the criminal justice process for preserving and managing assets to satisfy confiscation orders if the defendant is convicted.

21. Management Receivership orders should be endorsed with the appropriate penal notice. It will be a term of most orders that defendants should cooperate with and comply with, as soon as possible and forthwith, directions and requests of the Receiver, so as to enable the Receiver to efficiently and cost-effectively carry out the duties, functions and obligations of his office. It is therefore in the defendant's interest to avoid, as far as possible, the need for the Receiver to return to Court for further orders or directions, the cost of which ultimately fall on the defendant's estate.
