Dear Colleague

RE: Commissioning Intentions for the Financial Year 2023/24

I am writing to provide you with confirmation of commissioning intentions which HEE is seeking to place and confirm with your Institution for the 2023/24 financial year in the North East and Yorkshire region

Programme	Start date	Commissioned Intake	Cost per student
Interpersonal Psychotherapy for Depression (IPT)			
IPT Supervision			

The cost per student fee identified above relates to new students recruited to programmes in 2023/24, any existing trainees remain on fees appropriate to their entry on the programme. Please provide commencement dates of programmes and numbers of trainees recruited onto such programmes using the template attached with this correspondence and forward to the address below.

If you require any clarification on any of the above please do not hesitate to get in contact via the following email address: england.edman.ney@nhs.net, alternatively, if you are happy to accept the commissions, please arrange to sign and return the acceptance slip below.

Yours sincerely
