Features and benefits

Convenience

The Hydroboil range delivers reliable boiling water instantly, saving time and helping to increase workplace productivity.

Space saving

Wall-mounted units save much-needed counter-top and under-counter space.

Easy and safe to use

Simple controls and a range of safety features give you complete peace of mind.

Energy efficient

Steam-Heat-Boost technology saves energy by recycling steam to pre-heat incoming cold water – making boiling quicker and less costly.

Wide range

With capacities ranging from 1.5 to 40 litres, there is a model for every situation.
