### Change Control Process

#### **1. Principles**

- 1.2 The parties agree that no change to the Contract shall occur or be deemed to have occurred through course of conduct or otherwise, but only through the application of the provisions of this Schedule 8. No amendments to the Contract shall be valid unless they have been agreed in writing on behalf of the Authority and the Supplier.
- 1.3 Until such time as a change is made in accordance with this Change Control Process, the Authority and the Supplier shall, unless otherwise agreed in writing, continue to perform this Contract in compliance with its terms prior to such change.
- 1.4 Any discussions which may take place between the Authority and the Supplier in connection with a request or recommendation before the authorisation of a resultant change shall be without prejudice to the rights of either party.
- 1.5 Any work undertaken by the Supplier which has not been authorised in advance by a change, and which has not been otherwise agreed in accordance with the provisions of this Schedule 10, shall be undertaken entirely at the expense and liability of the Supplier.

- 2.3 A recommendation to amend this Contract by the Supplier shall be submitted directly to the Authority in the form of two (2) copies of a Change Control Note signed by the Supplier at the time of such recommendation.
