

## ECITB 2021 Scholarship Programme (Scotland)

### Descriptive Summary:

This contract relates to the delivery of the ECITB Scholarship Programme for Q1 2021. The services required will result in the successful completion of the Programme and ideally progression into skilled status employment or a Modern Apprenticeship in Engineering Construction. This will be achieved through a combination of knowledge and practical skills delivery. **These contracts are reliant on the successful organisation accessing funding through the relevant Government Funding Body to fund the delivery of the Knowledge Qualification.**

### Estimated Contract Values:

The value of each contract will vary dependant on the number of Learners being recruited in each region. The contract values could range from between £30,000 to £180,000 dependant on demand and requirements within each region.

### Estimated Length of Contracts:

It is estimated that the duration of the Contract will be for 2 years.

### Location:

The required services will be delivered within the ECITB's Scottish Offshore (Aberdeen) and Central Belt Regions.

### Type of Work:

CPV Code – 80000000-4 Educational and Training Services

### Contact Person:
