FORMAL FLORAL BEDDING, PLANTERS AND HANGING BASKETS
(Value range £100,000+)**

SCHEDULE 1 – Formal Floral Bedding

For each floral display described, please identify full details of the planting scheme/density and the watering and maintenance schedule.

***The Council value our annual seasonal displays; but we would like to further reduce the impact on the environment; therefore we require pollinators, insect friendly, and colourful foliage to complement the flowering, evergreen perennial centerpieces already in place, Your tender must recommend this as part of the scheme.** We appreciate that the purchase cost of perennials will be included in year 1, resulting in higher costs than year 2 and 3.
