SNC/OT/23/001

Conservatory Works to Suffolk Rural Campus

Background and Instructions

Suffolk New College require a contractor for conservatory works at our Rural Campus based at Charity Lane, Otley, IP6 9EY. The works will include the supply and installation of new grey PVCU windows, doors and a roof.

As detailed on Contracts Finder, the closing time of this open procedure is 15:00 on 16/10/2023 with a contract start date of 23/10/2023 with work to be scheduled from this date. All correspondence is to be exclusively via in-Tend.

Attached in the statement of works is a description of the works required, alongside images of each respective conservatory. In addition, the College invites all tenderers with an expressed interest to complete a site survey in order to gain the necessary details required to complete a full quotation for these works. This can be arranged any weekday between the hours of 9am – 5pm.
