

VIRTUAL MARKET ENGAGEMENT EVENT FOR WOMEN'S COMPLEX NEEDS 24 HOUR SUPPORTED HOUSING SERVICE

Haringey Council ("the Council") is in process of re-commissioning accommodation-based Women's Complex Needs 24 Hour Supported Housing Service.

The Council is seeking to commission approximately 13 units of accommodation with 24 hour support for women with a history of homelessness experiencing multiple disadvantages including (but not limited) to:

- substance misuse needs, including those who are pre-contemplative.
- mental health and learning difficulties.
- chaotic lifestyles, including those displaying anti-social behaviour.
- History of offending behaviour.
- History of children being removed from her care and/or at risk of further removals.
- Affected by or at risk of sex working.

The service will operate a flexible delivery model and provide medium to high support that offers people a personalised pathway away from homelessness, which builds on their strengths and aspirations for the future.

The Council is committed to working with the marketplace to maximise the commissioning opportunities to be gained under this contract and therefore would like to invite interested providers to attend pre-tender Market Engagement Event.

This event will be held virtually via **Microsoft Teams** on:

Date: **Tuesday, 27th June 2023**

Time: **10:30am**

The market engagement event will include a presentation of the Council's commissioning intentions, overview of the anticipated requirements and the proposed procurement process. We therefore encourage Commercial, SMEs, Voluntary and Community Sector organisations, new and existing providers who delivers Housing Related Support Services to attend the event and provide feedback/share views.
