The Customer shall provide and shall notify the Supplier of any changes to such information.
- 6.3 Without prejudice to any statutory power, or other legal right, of entry to the Sites, the Supplier and the Supplier Staff (including agents appointed by the Supplier) may, at reasonable times and by giving reasonable notice to the Customer, enter a Site (or where the Meter is installed in any other premises, those premises) for the purpose of carrying out agreed activities related to the Supply under this Agreement, including inspecting, reading, testing, (and, where the Supplier is responsible for the Meter, maintaining, repairing and replacing) a Meter.

7. METERING EQUIPMENT

General provisions in relation to Metering Equipment

- 7.1 The Parties acknowledge and agree that:
- 7.1.1 Supply to each Metering Point shall be measured by a Meter (save in the case of Unmetered Supply Points); and
 - 7.1.2 the Responsible Party shall ensure (or shall procure that the third party owner of the relevant Meter ensures) that all Meters are:
 - (a) in proper working order and suitable for measuring the Supply; and
 - (b) compliant with the Act and applicable Industry Documents.

The Responsible Party

- 7.2 Subject to Clause 7.3, the Supplier shall be responsible for the Metering Equipment and shall:
- 7.2.1 provide to the Customer the Meter Asset Services;

- 7.3 The Customer may appoint a Meter Operator to provide the Meter Asset Services and a Data Collector and a Data Aggregator to provide the Data Collection Services (and as a result become, as applicable, responsible for the Metering Equipment, the Meter Asset Services and Data Collection Services) by giving notice to the Supplier. The Supplier shall be deemed to have been given notice of the appointment of a Meter Operator, Data Collector and Data Aggregator by the Customer if the Managed Registration Information identifies that such appointment has been made. Where this Clause 7.3 applies, the

Supplier shall ensure that the Customer is not charged (to the extent applicable) for the provision of the Meter Asset Services or the Data Collection Services.

- 7.4 The person responsible for the Metering Equipment, Meter Asset Services in accordance with Clauses 7.1 to 7.3 (the “**Responsible Party**”) shall:
- 7.4.1 install, inspect, maintain, adjust, repair and replace all such Metering Equipment so as to comply with all requirements under the Act and all relevant Industry Documents and so as to ensure that the Metering Equipment accurately registers the quantity of electricity supplied; and

Customer responsibility in relation to Metering Equipment

- 7.7 The Customer shall:
- 7.7.1 notify the Supplier and Distribution Network Operator as soon as reasonably practicable if it believes there has been damage or change to, or interference with, any Metering Equipment. The Customer shall provide the Supplier with any information regarding such damage or interference which the Supplier may, in writing, reasonably request;
 - 7.7.2 protect the Metering Equipment against weather damage, physical damage and any unauthorised third party interference or adjustment;
 - 7.7.3 provide power as required for the Metering Equipment; and
 - 7.7.4 provide safe and reasonable access to all Metering Points.
- 7.8 The Customer shall notify the Supplier as soon as reasonably practicable if it believes there has been damage to or interference with the Metering Equipment, and in doing so the Customer shall provide the Supplier with such supporting evidence as is reasonable in the circumstances.
- 7.9 Save to the extent, if any, that any third party may notify the Customer that it accepts responsibility, in which case the Customer shall notify the Supplier that the third party accepts responsibility (or shall procure that the third party notify the Supplier that the third party accepts responsibility), the Customer shall be responsible for all pipes and apparatus installed for the purposes of Supply beyond the Meter.

Change to the Metering Equipment or Services

- 7.10 The Parties may agree to change the Metering Equipment, the arrangements for Meter reading or other Meter-related services at one or more Supply Points. The costs of implementation of any such changes shall be allocated between the Parties as agreed.
- 7.11 The Responsible Party shall give the other Party not less than one (1) month's written notice of the end of the provision of Meter Asset Services by such Meter Operator to the Responsible Party. Such notice must include the date of the end of the provision of the relevant Meter Asset Services and the name and contact details of the new Meter Operator which will provide the relevant Meter Asset Services.

Testing of Metering Equipment

- 7.12 All Meters shall be deemed to be accurate except as provided in Clauses 7.13 to 7.16. If a Party reasonably believes that a Meter is registering inaccurately, that Party may require the Meter to be tested by the Meter Operator responsible for such Meter by giving not less than fourteen (14) Days' written notice to the other Party.
- 7.13 As soon as reasonably practicable following the issue of a notice under Clause 7.12, the Responsible Party shall procure that the Meter Operator, or an alternative party that the Parties agree is appropriate to carry out the tests, tests the accuracy of the relevant Meter in accordance with the Act and all applicable Industry Documents to determine whether the Meter is registering inaccurately beyond the limits permitted by the Act and the Industry Documents and, if so, the likely period of such inaccuracy. The results of the Meter Operator's tests shall be final and binding, except in the case of fraud or manifest error.
- 7.14 If the Meter is found to be registering inaccurately beyond the limits permitted under the Act and applicable Industry Documents, the costs of inspection shall be paid by the Responsible Party.
- 7.15 If the Meter is found to be registering inaccurately beyond the limits permitted under the Act and applicable Industry Documents, and as a result there is a difference between:
- 7.15.1 the amount that would have been payable by the Customer to the Supplier for electricity consumed at such Meter had it been registering accurately; and
- 7.15.2 the amount actually invoiced to and paid by the Customer for electricity consumed at such Meter,
- then the amounts underpaid or overpaid by the Customer during the past 12 months' from the date of the test, shall be paid or refunded between the Parties as the case may be.
- 7.16 If a Meter is found to be registering accurately following an inspection, the Party who gave notice under Clause 7.12 shall be liable for the costs of such inspection.

Opening Meter reading and Meter Data

- 7.17 Following Registration of a Metering Point, the Responsible Party shall procure that the Data Collector produces an opening Meter reading for the Metering Point, which shall be based on a validated D86. If a validated D86 is unavailable, the Supplier shall estimate an opening Meter reading for such Metering Point based on the Customer's Estimated Annual Consumption. If the Customer reasonably considers that the Supplier's estimate in respect of a Metering Point is inaccurate, the Customer shall be entitled to read the relevant Meter and provide an alternative Meter reading to the Supplier. The Supplier shall accept the

Customer's Meter reading as the opening Meter reading except in the case of fraud or manifest error.

- 7.18 The Supplier shall, upon the request of the Customer, provide the Customer with consumption data for specified Meter(s) and for a specified period being no less than one Month ("**Meter Data**"). The Supplier may refuse a request from the Customer to provide Meter Data in relation to the same Meter more than once a Month.

Meter reading

- 7.19 The Customer, or Metering Agent, may provide Meter readings to the Supplier, and the Supplier, acting reasonably and where unable to take Meter readings themselves, shall accept such Meter readings, for the purposes of calculation of invoices, by any one of the following methods:

7.19.1 the Supplier's Website;

7.19.2 telephone;

- 8.2 The Customer shall pay the Supplier the Interim Price for any Interim Supply, including any discount which is equivalent to the discount offered by the Supplier and available to the Customer under Clauses 8.3 and 8.4.

- 8.3 The applicable adjustments (if any) set out in this Clause 8.3 shall apply depending upon the Payment Terms agreed.

8.3.1 Payment method/timeframe adjustment:

8.3.2 Invoicing adjustment:

8.4 If the Customer wishes to receive the discounts referred to in Clause 8.3 then the Customer shall:

8.4.1 if Clauses 8.2 or 4.23 apply, notify the Authority (at the same time as it provides the Managed Registration Information under the Customer Access Agreement) of the relevant Payment Terms and the Supplier shall apply the discounts referred to in Clause 8.3 to Invoice Amounts contained in those invoices issued to the Customer in respect of the Interim Supply; or

8.4.2 in all other cases notify the Supplier of the relevant Payment Terms no less than ten (10) Working Days prior to the beginning of a Supply Year and the Supplier shall apply the discounts referred to in Clause 8.3 to Invoice Amounts contained in those invoices issued to the Customer for the remainder of the Term unless the Customer otherwise notifies the Supplier.

9. INVOICING AND PAYMENT

9.1 The Supplier shall invoice the Customer on a Supply Point basis provided that the Customer may elect by notice to the Supplier to receive, and if it so elects the Supplier shall provide, invoices on an aggregate Supply Point basis.

9.2 Each Month, the Supplier shall invoice the Customer for Supply during the previous Month in the format and by the payment method prescribed in Part 1.

9.3 If the invoice is to be provided to the Customer:

9.3.1 in hard copy, the Supplier shall use all reasonable endeavours to provide the Customer with the invoice by the twelfth (12th) Working Day of the Month immediately following the Supply Month; or

9.3.2 electronically, the Supplier shall use all reasonable endeavours to provide the Customer with the invoice by the eleventh (11th) Working Day of the Month immediately following the Supply Month,

and any delay in receipt of an invoice by the Customer shall extend the Payment Terms by a number of days equivalent to the delay in receipt of such invoice.

9.4 The Customer may at any time change the format in which it receives invoices by providing written notice to the Supplier, provided that the new format must be one or more of the following formats:

9.4.1 hard copy;

- 9.4.2 e-billing;
- 9.4.3 EDI; or
- 9.4.4 such other format as the Parties may agree.
- 9.5 The Customer may at any time request that the Supplier send an invoice or a copy of an invoice to an address that is different to the address identified in the Managed Registration Information provided that the address on the invoice remains the address of the Customer.
- 9.6 The Customer may, prior to the beginning of each Supply Year, change the method by which it pays an invoice by providing written notice to the Supplier which shall apply throughout that Supply Year, provided that the new payment method must be one of the following formats:
 - 9.6.1 direct debit;
 - 9.6.2 BACS; or
 - 9.6.3 GPC Card.
- 9.7 If the Customer makes no election, the payment method shall be by BACS transfer.
- 9.8 Any change of payment method notified by the Customer to the Supplier in accordance with Clause 9.6 shall take effect from the commencement of the relevant Supply Year and continue for the Term unless otherwise notified by the Customer in accordance with Clause 9.6.
- 9.9 If:
 - 9.9.1 the Customer is the Responsible Party the Supplier shall (subject to Clauses 9.10 and 9.11) use Meter readings provided by the Customer or Metering Agent to calculate the amount of an invoice. If the Customer's Meter reading is received by the Supplier by the 2nd Working Day following the end of the Supply Month, then the Supplier shall use the Customer's Meter reading to calculate the invoice for that Supply Month. If the Customer's Meter reading is received after that time, then the Supplier shall use the Customer's Meter reading when calculating the invoice for the Supply Month following the Supply Month in which such reading is received. If the Supplier receives Meter readings from both the Customer and a Metering Agent, the Supplier shall use the Metering Agent's Meter reading when calculating the amount of an invoice in accordance with this Clause 9.9; or
 - 9.9.2 the Supplier is the Responsible Party the Supplier shall use Meter readings obtained by or on behalf of it to calculate the amount of an invoice.
- 9.10 If the Customer is the Responsible Party and the Customer, or Metering Agent, does not provide Meter readings to the Supplier for a Supply Month, the Supplier shall use the consumption data recorded by the Meters under Clause 7.19.
- 9.11 If the Customer is the Responsible Party and a Metering Agent's Meter reading, Customer's Meter reading or actual consumption data is not available, or if the accuracy of a Meter or Meters is disputed, the Supplier shall prepare the invoice or any part thereof using the Supplier's reasonable estimate of the Supply based on historical consumption data and all other relevant information in accordance with Good Industry Practice.

- 9.12 If the Customer is the Responsible Party, and an invoice has been prepared under Clause 9.11, when actual data is received by the Supplier in respect of the relevant period, any invoices delivered under this Agreement in respect of such period shall be adjusted and any amounts underpaid or overpaid as a consequence shall be paid or refunded between the Parties as the case may be.
- 9.13 Each Month the Supplier shall send the Customer the invoice showing and/or providing the Charges due from the Customer for the Supply taken at the Site during the relevant Supply Month comprising:
 - 9.13.1 the Invoice Amount;
 - 9.13.2 any VAT or other taxes, including CCL, customarily to be paid or reimbursed by the Customer;

 - 9.13.4 any reductions or exemptions to the CCL for which the Customer may qualify or any other exemptions or reductions the Customer may be entitled to or qualify for under the Act, the Licence, any legislation or regulation or any relevant Industry Documents or practices in relation to any characteristics of the Supply or the Customer's consumption behaviour, or any change thereof, provided that the Customer has submitted to the Supplier all necessary evidence, relief certificates or information thereof;
 - 9.13.5 any discount offered by the Supplier and available to the Customer under this Agreement, including for prompt payment of sums due; and
 - 9.13.6 any other information or data as may be specified in Part 1 as required from the Supplier.
- 9.14 The Supplier shall seek to validate each invoice before sending it to a Customer and, as a result of such validation process, shall determine whether such invoice is legitimate and accurate (**Pass**) or is not legitimate and accurate (**Fail**). The Supplier shall send invoices to Customers only where they are Passes. The process of validation referred to in this Paragraph shall include a comparison to the previous invoice totals. Should any invoice exceed the percentage of the Monthly billed average agreed between the Supplier and the Authority from time to time (the average of invoice values over last twelve (12) Months on a like for like basis), the Supplier shall review that invoice to ensure legitimacy and accuracy taking into account factors such as:
 - 9.14.1 seasonal variance;
 - 9.14.2 price changes;
 - 9.14.3 any differences between a Meter read and a previously assumed level of consumption; and
 - 9.14.4 number of days consumption.
- 9.15 If an invoice is a Pass the Supplier may issue it to the Contracted Customer in accordance with the relevant Agreement and this Framework Agreement.
- 9.16 For the avoidance of doubt, where group billing applies, the Supplier shall validate invoices both at group and site level and any site level failure shall result in the group level invoice being considered as a Fail.

9.17 The Supplier shall contact the Contracted Customer within three (3) Working Days of the standard billing date to discuss any invoice which is a Fail, and the timing of any re-issued invoice.

9.18 Any Contracted Customers which have not been invoiced because an invoice is a Fail shall be billed manually during the Month following the Month of consumption, if a Contracted Customer requires it.

9.19 The Supplier shall adopt procedures to support manual billing should it be required by a Contracted Customer.

9.20 If an invoice is a Fail, the Supplier shall recalculate the invoice and issue the recalculated invoice to the Contracted Customer as soon as reasonably possible during the Month following the Month of consumption.

9.21 Subject to Clause 9.23, each invoice shall be paid by the Customer in accordance with the Payment Terms. No payment is deemed to be received by the Supplier until it is available as cleared funds in the Supplier's account. Failure to pay any valid invoice, or part of an invoice, that is not the subject of a dispute in accordance with the Payment Terms shall entitle the Supplier to require the Customer to pay interest to the Supplier on the sum overdue. Such interest shall accrue at three per cent (3%) above the Bank of England base rate, from time to time, as compounded annually from the date such sum first became due until the date received (as cleared funds) by the Supplier.

9.22 The Customer agrees that, notwithstanding any provisions herein or in the Framework Agreement or the Customer Access Agreement, the Supplier shall be entitled to require payment directly from the Customer.

9.23 If the Customer does not agree with the amount of an invoice provided pursuant to this Clause 9.23, the Customer shall notify the Supplier in writing giving reasonable particulars of the fact within ten (10) Working Days of receipt of such invoice or otherwise as soon as reasonably practicable once the issue giving rise to the dispute comes to the Customer's attention. The Customer shall only withhold payment of the amount of the invoice that is disputed (the "**Disputed Payment**").

9.24 The Parties agree and acknowledge that a Disputed Payment shall be a Complaint and the Supplier shall resolve the Disputed Payment in accordance with the Complaint resolution process in Clause 5. If, as part of the resolution of a Complaint in accordance with that process, the Supplier re-issues an invoice to the Customer, the Customer shall:

9.24.1 if the re-issued invoice is received by the Customer no less than ten (10) Days prior to the due date of the Original Invoice, pay the outstanding amount of the re-issued invoice by the date specified in the Original Invoice; or

9.24.2 if the re-issued invoice is received by the Customer less than ten (10) Days prior to the due date of the Original Invoice, pay the outstanding amount of the re-issued invoice within such period as applied pursuant to the Payment Terms after the Customer's receipt of the re-issued invoice from the Supplier, and the re-issued invoice may only require the Customer to pay the outstanding amount.

9.25 Any non-regular payment under this Agreement shall be by GPC Card, BACS (or equivalent instantaneous transfer of funds) or CHAPS to the Party to whom it is due at the bank and to the credit of the account specified in Part 1, or such other account as the receiving Party may notify to the other in writing no later than five (5) Days before the relevant payment is due. All bank charges shall be for the account of the Party making the payment.

9.26 The Supplier shall only be entitled to vary the Charges in accordance with the Framework Agreement.

9.27 The Supplier shall comply with Appendix C of the Agreement

9A. DATA PROVISION

10.1.1 there are circumstances of Force Majeure Event resulting in the Supplier being unable to provide the Customer with the Supply at such Supply Point;

10.1.2 the Supplier reasonably believes that electricity has been unlawfully abstracted from the Supply to such Supply Point or, where applicable, that the Meter or other associated equipment of the Distribution Network Operator or the Supplier have been tampered with, removed or broken;

- 13.15 Expiry or termination (howsoever caused) of this Agreement shall not affect any rights or obligations which may have accrued prior to such expiry or termination or which result from the event giving rise to such termination and shall not affect the coming into force or continuation in force of any provision of this Agreement which is expressly or by implication intended to come into or continue in force on or after such expiry or termination. 14.6.2 shall hold employer's liability insurance in respect of its employees in accordance with any legal requirement for the time being in force; and

NB Judicial reviews are not part of the statutory appeal process and no supplier would be excluded merely because they are applying for judicial review of an HMRC or HMT decision relating to tax or national insurance.
 3. In respect of (b) to (e), during an HMRC enquiry, if it has been agreed between HMRC and X that there is a pause with the enquiry in order to await the outcome of related litigation.
