## **RM6160 - Crown Commercial Service Framework Agreement Process**

All Bidders who successfully meet the Selection Criteria will progress to the Award Stage.

The Authority reserves the right to run all stages of the Procurement concurrently.

Bidders will be ranked according to the process set out in the ITT.

For all lots, the maximum number of suppliers for each lot may increase where 2 or more bidders have tied scores in the last position. The Authority reserves the right to award a Framework Agreement to additional bidders whose final score is within 1% of the last position for each lot.
