McAfee accepts orders on the customer's purchase order ("PO"). However, McAfee expressly rejects all pre-printed boilerplate terms and conditions on the PO unless it is signed by a McAfee Vice President or above. The controlling terms and conditions are contained in either a signed software license agreement, or if one does not exist, the standard McAfee shrink-wrap agreement contained with the product.

* EXPORT RESTRICTIONS: These commodities, technology or software are subject to the U.S. Export Administration Regulations and other U.S. laws. In particular, these items are prohibited for export or re-export to Cuba, Iran, North Korea, Sudan and Syria, as well as to persons or entities barred from engaging in export transactions by the U.S. or any foreign government agency. Items subject to Export License (marked as Export Restricted) may be delayed due to a potential export license requirement in the U.S. and non-US countries. Additional information can be found at: http://mcafee.com/us/about/export_compliance/index.html. Questions regarding export or licensing can be directed to export@mcafee.com.
