

Tender to supply three day business start-up training – Barrow, Carlisle, Kendal, Penrith & Workington/Whitehaven

Cumbria Chamber of Commerce has for the past seven years run the BSUS (Business Start-Up Support) project for Cumbria. We now require delivery of our three day start-up course in Barrow, Carlisle, Kendal, Penrith & Workington/Whitehaven looking at an April 2019 start for the next three years.

This course will operate as part of the wider start-up project, supporting start-up activity throughout Cumbria for new and young businesses in their first three years of trading. The BSUS programme is delivered by Cumbria Chamber of Commerce with funding anticipated from Allerdale Borough Council, Carlisle City Council, Copeland Borough Council, Eden District Council, South Lakeland District Council and the European Regional Development Fund.
