Joint Schedule 3 (Insurance Requirements)

The insurance you need to have

1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under an Order Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than:

1.1.1 the DPS Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and

1.1.2 the Order Contract Effective Date in respect of the Additional Insurances.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and

1.2.4 maintained for at least six (6) years after the End Date.

1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

How to manage the insurance

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and

- 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

What happens if you aren't insured

3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.

3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

Evidence of insurance you must provide

4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

Making sure you are insured to the required amount

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

Cancelled Insurance

6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or nonrenewal of any of the Insurances.

6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has

caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

Insurance claims

7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Relevant Authority receives a claim relating to or arising out of a Contract or the Deliverables, the Supplier shall co-operate with the Relevant Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.

7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.

7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

ANNEX: REQUIRED INSURANCES

- 1.** The Supplier shall hold the following [standard] insurance cover from the DPS Start Date in accordance with this Schedule:

Order Schedule 2 (Staff Transfer)

[Guidance note: Buyers will need to take their own legal advice on this Schedule 2 and, in particular, on Part D (Pensions).]

Buyers will need to ensure that appropriate provisions are included to deal with staff transfer on both entry and exit, and, irrespective of whether TUPE does apply on entry if there are employees eligible for New Fair Deal pension protection then the appropriate pensions provisions will also need to be selected.

If there is a staff transfer from the Buyer on entry (1st generation) then Part A shall apply.

If there is a staff transfer from former/incumbent supplier on entry (2nd generation), Part B shall apply.

If there is both a 1st and 2nd generation staff transfer on entry, then both Part A and Part B shall apply.

If either Part A and/or Part B apply, then consider whether Part D (Pensions) shall apply and the Buyer shall indicate on the Order Form which Annex shall apply (either D1 (CSPS), D2 (NHSPS), D3 (LGPS) or D4 (Other Schemes)). Part D pensions may also apply where there is not a TUPE transfer for example where the incumbent provider is successful.

If there is no staff transfer (either 1st generation or 2nd generation) at the Start Date then Part C shall apply and Part D pensions may also apply where there is not a TUPE transfer for example where the incumbent provider is successful.

If the position on staff transfers is not known at the bid stage, include Parts A, B, C and D at the bid stage and then update the Buyer Contract Details before signing to specify whether Parts A and/or B, or C and D apply to the Contract.

Part E (dealing with staff transfer on exit) shall apply to every Contract.

Annex D3:

Local Government Pension Schemes (LGPS)

[Guidance: You should take specific legal advice on this Annex D3 and in particular the risk apportionment provisions contained herein.]

Please note that this Part D is drafted to reflect the requirements of New Fair Deal. Accordingly, where a contracting authority is a local authority (or other type of best value authority) then it will be subject to the requirements of the Best Value Authorities Staff Transfers (Pensions) Direction 2007 (or the Welsh Authorities Staff Transfers (Pensions) Direction 2012 if appropriate) and should take further specific legal advice to ensure compliance with those Directions.

Note the LGPS unlike the CSPA & NHSPA is a funded scheme which has associated cost implications as follows:

There is not 1 LGPS but approx. 90 different Funds, each with their own separate Scheme Employer and Administering Buyer, it is important to identify the correct one(s) and amend the definition of "Fund" accordingly.

It is important to check whether CCS and or the Buyer can actually participate in the LGPS. Where a government department is taking on services which were formerly the responsibility of a Local Authority it may be necessary to obtain secretary of state approval for participation in the LGPS, this is because the services are being provided to Gov. Dept. and not to a Local Authority.

Unlike New Fair Deal the 2007 Best Value pension direction does not provide a right to bulk transfer past service. Whilst typically before the 2007 direction LA did provide such a right, it is a significant additional cost and therefore bulk transfer wording has been excluded. If required take legal advice due to the exceptionally high costs which can result from a requirement to provide bulk transfers.]

Order Schedule 3 (Continuous Improvement)

6. BUYER'S RIGHTS

The Buyer and the Supplier recognise that, where specified in DPS Schedule 4 (DPS Management), the Buyer may give CCS the right to enforce the Buyer's rights under this Schedule.

7. SUPPLIER'S OBLIGATIONS

The Supplier must, throughout the Contract Period, identify new or potential improvements to the provision of the Deliverables with a view to reducing the Buyer's costs (including the Charges) and/or improving the quality and efficiency of the Deliverables and their supply to the Buyer.

The Supplier must adopt a policy of continuous improvement in relation to the Deliverables, which must include regular reviews with the Buyer of the Deliverables and the way it provides them, with a view to reducing the Buyer's costs (including the Charges) and/or improving the quality and efficiency of the Deliverables. The Supplier and the Buyer must provide each other with any information relevant to meeting this objective.

In addition to Paragraph 2.1, the Supplier shall produce at the start of each Contract Year a plan for improving the provision of Deliverables and/or reducing the Charges (without adversely affecting the performance of this Contract) during that Contract Year ("**Continuous Improvement Plan**") for the Buyer's Approval. The Continuous Improvement Plan must include, as a minimum, proposals:

1. identifying the emergence of relevant new and evolving technologies;
2. changes in business processes of the Supplier or the Buyer and ways of working that would provide cost savings and/or enhanced benefits to the Buyer (such as methods of interaction, supply chain efficiencies, reduction in energy consumption and methods of sale);
3. new or potential improvements to the provision of the Deliverables including the quality, responsiveness, procedures, benchmarking methods, likely performance mechanisms and customer support services in relation to the Deliverables; and
4. measuring and reducing the sustainability impacts of the Supplier's operations and supply-chains relating to the Deliverables, and identifying opportunities to assist the Buyer in meeting their sustainability objectives.

The initial Continuous Improvement Plan for the first (1st) Contract Year shall be submitted by the Supplier to the Buyer for Approval within one hundred (100) Working Days of the first Order or six (6) Months following the Start Date, whichever is earlier.

The Buyer shall notify the Supplier of its Approval or rejection of the proposed Continuous Improvement Plan or any updates to it within twenty (20) Working Days of receipt. If it is rejected then the Supplier shall, within ten

(10) Working Days of receipt of notice of rejection, submit a revised Continuous Improvement Plan reflecting the changes required. Once Approved, it becomes the Continuous Improvement Plan for the purposes of this Contract.

The Supplier must provide sufficient information with each suggested improvement to enable a decision on whether to implement it. The Supplier shall provide any further information as requested.

If the Buyer wishes to incorporate any improvement into this Contract, it must request a Variation in accordance with the Variation Procedure and the Supplier must implement such Variation at no additional cost to the Buyer or CCS.

Once the first Continuous Improvement Plan has been Approved in accordance with Paragraph 2.5:

5. the Supplier shall use all reasonable endeavours to implement any agreed deliverables in accordance with the Continuous Improvement Plan; and
6. the Parties agree to meet as soon as reasonably possible following the start of each quarter (or as otherwise agreed between the Parties) to review the Supplier's progress against the Continuous Improvement Plan.

The Supplier shall update the Continuous Improvement Plan as and when required but at least once every Contract Year (after the first (1st) Contract Year) in accordance with the procedure and timescales set out in Paragraph 2.3.

All costs relating to the compilation or updating of the Continuous Improvement Plan and the costs arising from any improvement made pursuant to it and the costs of implementing any improvement, shall have no effect on and are included in the Charges.

Should the Supplier's costs in providing the Deliverables to the Buyer be reduced as a result of any changes implemented, all of the cost savings shall be passed on to the Buyer by way of a consequential and immediate reduction in the Charges for the Deliverables.

At any time during the Contract Period of the Order Contract, the Supplier may make a proposal for gainshare. If the Buyer deems gainshare to be applicable then the Supplier shall update the Continuous Improvement Plan so as to include details of the way in which the proposal shall be implemented in accordance with an agreed gainshare ratio.

- 3.
4. 1.2 The Supplier shall ensure that the Key Staff fulfil the Key Roles at all times during the Contract Period.
- 5.
6. 1.3 The Buyer may identify any further roles as being Key Roles and, following agreement to the same by the Supplier, the relevant person selected to fill those Key Roles shall be included on the list of Key Staff.
- 7.

THE CONTRACTING aUTHORITY

The first duty of the Government is to keep citizens safe and the country secure. The Home office plays a fundamental role in the security and economic prosperity of the UK. The Home Office is the lead Government Department for immigration and passports, drugs policy, crime, fire, counter terrorism, and police.

The Policing Research team within Home Office Analysis and Insight supports ministers in managing policing policy and resources through delivery of evidence-based advice.

Further detail can be accessed here: [Home Office - GOV.UK \(www.gov.uk\)](https://www.gov.uk)

Background to requirement/OVERVIEW of requirement

The Home Office is conducting an evaluation to explore the impact of the police use of Facial Recognition Technology (FRT) in England and Wales. One of the impacts in this sense is being considered as:

- Impact at the interface between the police and the public that they serve (i.e., in public trust and confidence in policing)

To explore this impact, the HO plans to commission research to understand public views and attitudes towards the police use of FRT, which will feed into the wider evaluation.

While police forces use FRT, it is expected that public understanding of the police use isn't entirely aligned. To draw out any potentially causative impact on public opinion, it is essential to grasp what public understanding is, as well as develop a clear sense of how public opinion is related to the use and outcomes of FRT use in policing, and finally how public opinion has/is shifting. On top of this, it is likely that not all communities will feel the impact of FRT in policing in the same way. As such, it will be valuable to explore where public opinion deviates and, if possible, explore the drivers behind differing impacts on public trust and confidence from police use of FRT.

The Home Office is seeking to appoint a Supplier to deliver a national (England and Wales) survey and supplementary qualitative research to explore the issues above (paragraph 2.3).

The Home Office requires robust research to be conducted on public perceptions of FRT in policing, including knowledge and opinions on the technology, privacy concerns, wider attitudes towards policing and crime, understanding and feelings towards different context and use of FRT, and thoughts/opinions on FRT accuracy and outcomes.

The contracted research will run for 1 cycle (i.e., one delivery of the survey and qualitative research), and the delivery of the project is expected to be completed by the end of March 2025.

The national survey will be able to provide insight into the impact of FRT use in policing on public perceptions, provide clarity on how the public understand FRT use, and

suggest how using FRT in policing is impacting public opinions of the police more generally. It is likely to also show that public opinions are not the same across all sections of society. Where these differences and deviations sit will not be known until the survey has been completed and analysed.

The Home Office therefore requires the Supplier to undertake focused qualitative engagement following the completion of the survey with any groups identified in the survey found to significantly deviate from the average position. This will provide an opportunity to dig deeper into public attitudes. The Home Office expects such work to take the form of focus groups but welcomes plans to also conduct in-depth interviews if deemed appropriate once the groups of interest are identified through the survey findings.

SCOPE OF REQUIREMENT

OBJECTIVES

The Home Office (HO) is seeking to appoint a Supplier to deliver a national (England and Wales) survey to explore public perceptions and understanding on the police use of FRT to inform the wider evaluation project on FRT in policing.

The survey will explore public opinions on the following themes in the context of police use of FRT:

- Knowledge around, and attitudes towards, FRT
- Privacy concerns
- Wider attitudes towards Policing and Crime (e.g., perceptions around police trust and worry about crime)
- Understanding and feelings towards different types, context, and use of FRT
- Thoughts / opinions on FRT accuracy and outcomes

The contracted research will run for one cycle (i.e., one delivery of the survey and qualitative research), and the delivery of the project is expected to be completed by the end of March 2025.

The survey will aim to understand any socio-demographic differences that exist in public perceptions of FRT in policing (including all protected characteristics such as gender, age, and ethnicity), as well as the impact of any other factors (e.g., police force region or previous experiences as a victim of crime).

The Home Office also requires the Supplier to undertake focused qualitative engagement (i.e., focus groups and potentially in-depth interviews) following the completion of the survey with any groups found to significantly deviate from the average position in their perceptions of police use of FRT. This project is to explore the following questions:

- What are the specific opinions/attitudes of these groups towards the different types of FRT in policing?
- What are the factors that are driving attitudes to deviate from the average position in the national survey?
- Are there any suggestions on how opinions/attitudes in these groups might be possible to shift?

The scope includes the following:

Survey design. The national survey should take place online via the Supplier's delivery platform, either through an online panel or an alternative online method. Advice on the most robust but pragmatic option considering available budget, including feasibility of random probability sampling, will be welcomed.

Survey sample size. The HO considers that a minimum of 3,000 respondents will be required from the general population of England and Wales, but welcome approaches which can reach a larger sample. To enable robust analysis at ethnicity 5+1 level, an additional boost of at least 500 respondents from ethnic minority backgrounds will also be required.

Geographical breakdowns. The HO requires a representative sample to enable exploration of differences across participants from, for example, regions and urban/rural areas. The HO would also like to explore a potential boost in responses from residents of South Wales Police Force Area, to explore whether the implementation of new FRT rolled out by South Wales Police has had any impact on the perceptions of those living in the area. Bidders are asked to specify how they would design and carry out these boosts to the core sample, along with the associated costings.

Questionnaire design. The HO invites suggestions but would anticipate the survey taking 12-15 minutes to complete with around 40-50 questions. Researchers in the HO will develop a draft of the survey questions drawing on findings from a completed evidence review and input from key stakeholders with expertise in this field. The HO will welcome input from the chosen Supplier on the questionnaire design and expect both parties to work collaboratively in refining and finalising the survey script.

Qualitative insights. The HO seeks to better understand the factors that influence public perceptions of police use of FRT through qualitative research. It is anticipated that focus groups and/or in-depth interviews will allow for collection of rich insights from groups identified in the survey as having differences or deviations in their perceptions from the average position. The supplier will be required to design the sample for the focus groups and/or in-depth interviews in partnership with the HO research team, following the completion of the survey.

An evidence review conducted by researchers in the HO will provide support for the topics and questions that should be included in the qualitative research. Working with the Home Office research team, the Supplier will be required to design the focus group and/or in-depth interview discussion guides.

Data coding and weighting. Bidders will be required to calculate and apply weighting to account for the survey design and correct for any imbalances in the sample to ensure responses are representative of the general adult population in England and Wales. The HO also invites bidders to set out their approach to coding open (maximum 4) and 'other/specify' questions (maximum 8) and the resources available for this element of the work. The Supplier will be required to calculate weights for the dataset, and the HO invites bidders to outline proposals for their weighting process.

Reports and presentation. The Supplier will be required to produce a number of outputs from the survey, including the survey dataset (with weight variables included), data tables (breaking down demographic variables, location, and additional cross-breaks for a set of core variables to be defined on completion of survey script), a redacted 'open text' response table, and a detailed slide pack summarising the findings. The HO will also require raw data from the survey as soon as possible to enable planning of the qualitative research. The qualitative element will require a slide pack based on the themes identified in the qualitative analysis, and anonymised transcripts from the focus groups and/or interviews. A presentation of the findings for the survey and qualitative work will need to be made to the HO research team and stakeholders.

THE REQUIREMENT

This work involves the development and delivery of a survey and qualitative research on public perceptions of FRT in policing in England and Wales.

Sample

A representative sample of the general adult population of England and Wales will be required for the survey. The survey will be conducted online, achieved via the Supplier's usual delivery platform either through an online panel or other online method. The HO welcomes recommendations on the most robust sampling approach achievable within the budget, including random sampling if possible. To ensure a representative sample, bidders should take account of the following demographic variables in the sample composition: age, ethnicity, region, and gender.

For robust identification of differences between groups and their perceptions of policing, it is required to be able to minimise the confidence intervals around the survey estimates. However, there needs to be a balance between the desire for statistical rigour and cost. Taking these factors into account we welcome estimates of sample sizes that could be achieved. The minimum requirement would be 3,000 interviews from the general population, but welcome approaches which can reach a larger sample.

To ensure the survey is representative of the target population (adults in England and Wales), the HO requires the core sample to reflect the demographic estimates from the Census (2021). The demographic variables should include ethnicity, gender, age, and region.

Based on the existing evidence around differences in public attitudes to FRT in policing amongst those from ethnic minority backgrounds, the HO requires an ethnic minority boost of at least 500 responses to enable robust analysis at 5+1 level. The HO would also like to explore a potential boost in responses from residents of South Wales Police Force Area, to explore whether the implementation of new FRT rolled out by South Wales Police has had any impact on the perceptions of those living in the area. Bidders are asked to specify how they would design and carry out these boosts to the core sample, along with associated costings.

The target population for the sample will be adults living in England and Wales aged 16 years and above. The main exclusion criteria will be for persons under the age of 16.

Survey design

The Home Office project team will provide the Supplier with a briefing and key background information. This will assist the Supplier's project team in understanding the existing evidence on public perceptions of FRT in policing, and the key issues and developments from different stakeholder perspectives.

In developing questions and introductions to the survey, the Supplier will work closely with the HO research team to ensure the survey will answer the research questions developed by the HO.

The HO welcomes advice on questionnaire length. Around 12-15 minutes would be considered appropriate, though the length will depend on the respondent's answers to the questions and on any questionnaire routing and filtering. Bidders should plan their costs based on the median length for delivering the survey questionnaire.

It is anticipated that the main section, and the majority, of the questionnaire will contain questions about public perceptions of police use of FRT, attending to the key themes outlined in section 4.1.1.

Qualitative research

The survey aims to provide an understanding of public perceptions of FRT in policing, but the aim of the qualitative aspect is to help understand why people perceive police use of FRT in the way they do, and what underpins, or influences, those views.

Undertaking qualitative research will allow the collection of rich, in-depth insights from specific groups of participants. We welcome proposals for this element of the research and invite suggestions for focus groups (and potentially in-depth one-to-one interviews), including the number of each that would be required for a good selection of views, and the most appropriate format (online or face-to-face) in which to conduct them.

For the focus groups, the HO is interested in reaching specific groups of people identified from the survey as having significant deviations in their perceptions from the average position. The HO requires no less than 8 focus groups. In-depth interviews are also of interest should budget allow, as these would likely be of advantage for areas that may be sensitive for participants to discuss in a focus group setting. Advice on the composition of the qualitative research, both in terms of number of groups and interviews, and how these are split to reach specific groups of interest (based on the findings from the survey) considering budget, are welcomed.

The HO welcomes proposals on how the Supplier would recruit and contact these participants. The HO research team will support the Supplier in choosing the groups to take part in the qualitative research, based on the findings from the survey.

Ensuring Fieldwork Success

Bidders should set out their arrangements for delivering the survey, including staff and technical resources, and capacity. If using, bidders should include details of the use of financial or voucher incentives in their proposals for the fieldwork.

The HO will require regular updates from the Supplier on fieldwork progress once the survey launches.

If applicable to the survey design proposed, bidders should indicate their proposals for maximising response rates and any measures that might increase responses from those who might be difficult to engage in research.

Coding and weighting

All code frames and new codes should be developed by the Supplier and the Home Office research team before the fieldwork commences. The Supplier will be required to code responses to open questions and to 'other/specify' options. Where appropriate, this process should include back-coding into existing response codes, as well as the creation of new codes. The HO invites bidders to set out their approach to coding open and 'other/specify' questions and the resources available for this element of the work.

The Supplier will be required to calculate weights for the dataset. Both design weights, to account for the proposed survey sampling method and ethnic boost, and non-response weights should be calculated where required. The weighting strategy will be developed by the Supplier and agreed with the HO. The HO invites bidders to outline their weighting process.

Outputs required

The Supplier will be required to produce a number of outputs from the survey, including the survey datasets (with weight variables), data tables (as detailed in paragraph 4.10), and a detailed slide pack summarising the findings. The HO will also require raw data from the survey as soon as possible to enable planning of the qualitative research. The qualitative element will require a slide pack based on the themes identified in the qualitative analysis, and anonymised transcripts from the focus groups and/or interviews. A presentation of the findings for the survey and qualitative work will need to be made to the HO research team and stakeholders.

The survey dataset (with weight variables) should be provided in SPSS and Excel (or alternative) formats. The technical report should include information on survey design, sampling, questionnaire, response rates (if applicable), and weighting.

Bidders should set out their anticipated timescales following the end of the fieldwork period for producing these output reports. Bidders should clearly state any potential difficulties they foresee and recommend mitigating actions or alternative approaches.

Data security, retention and deletion

All data relating to the research, whether from the sample, the survey responses, or qualitative data, must be stored and processed under the UK-General Data Protection Requirement (GDPR).

In carrying out work on the survey and qualitative research, the contractor will have access to personal data. Proper care and security are essential to avoiding any

unauthorised use or release of the sample data or response data, bidders should outline their approach to handling personal data.

Bidders should outline how they would undertake a full set of checks to ensure there are no data processing errors (e.g., checking base numbers of key variables, checking variable and value labelling etc.).

The Supplier acknowledges that any authorisation by the Buyer under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific IPR involved.

10.1 Contract Period

10.1.1 The Contract takes effect on the Start Date and ends on the End Date or earlier if required by Law.

- (a) the Relevant Authority rejects a Rectification Plan;
- (b) there is a Variation which cannot be agreed using Clause 24 (Changing the contract) or resolved using Clause 34 (Resolving disputes);
- (c) if there is a declaration of ineffectiveness in respect of any Variation; or (d) any of the events in 73 (1) (a) or (c) of the Regulations happen.

10.5 When the supplier can end the contract

The Supplier can issue a Reminder Notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate an Order Contract if the Buyer fails to pay an

undisputed invoiced sum due and worth over 10% of the annual Contract Value within 30 days of the date of the Reminder Notice.

- (e) The Supplier must promptly return any of CCS or the Buyer's property provided under the terminated Contract.
- (f) The Supplier must, at no cost to CCS or the Buyer, co-operate fully in the handover and reprocurement (including to a Replacement Supplier).

10.6.2 In addition to the consequences of termination listed in Clause 10.6.1, where the Relevant Authority terminates a Contract under Clause 10.4.1 the Supplier is also responsible for the Relevant Authority's reasonable costs of procuring Replacement Deliverables for the rest of the Contract Period.

10.6.3 In addition to the consequences of termination listed in Clause 10.6.1, if either the Relevant Authority terminates a Contract under Clause 10.2.1 or 10.2.2 or a Supplier terminates an Order Contract under Clause 10.5:

- (a) the Buyer must promptly pay all outstanding Charges incurred to the Supplier; and
- (b) the Buyer must pay the Supplier reasonable committed and unavoidable Losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated.

10.6.4 In addition to the consequences of termination listed in Clause 10.6.1, where a Party terminates under Clause 20.2 each Party must cover its own Losses.

10.6.5 The following Clauses survive the termination or expiry of each Contract: 3.2.10, 4.2, 6, 7.5, 9, 11, 12.2, 14, 15, 16, 17, 18, 31.3, 34, 35 and any Clauses and Schedules which are expressly or by implication intended to continue.

10.7 Partially ending and suspending the contract

10.7.1 Where CCS has the right to terminate the DPS Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Order Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Order Contracts that have already been signed.

10.7.2 Where CCS has the right to terminate a DPS Contract it is entitled to terminate all or part of it.

10.7.3 Where the Buyer has the right to terminate an Order Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.7.4 The Relevant Authority can only partially terminate or suspend a Contract if the remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.7.5 The Parties must agree any necessary Variation required by Clause 10.7 using the Variation Procedure, but the Supplier may not either:

- (a) reject the Variation; or
- (b) increase the Charges, except where the right to partial termination is under Clause 10.2.

10.7.6 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under Clause 10.7.

10.8 When subcontracts can be ended

At the Buyer's request, the Supplier must terminate any Subcontracts in any of the following events:

- (a) there is a Change of Control of a Subcontractor which is not pre-approved by the Relevant Authority in writing;

- (b) the acts or omissions of the Subcontractor have caused or materially contributed to a right of termination under Clause 10.4; or
- (c) a Subcontractor or its Affiliates embarrasses or brings into disrepute or diminishes the public trust in the Relevant Authority.

11. How much you can be held responsible for

11.1 Each Party's total aggregate liability in each Contract Year under this DPS Contract (whether in tort, contract or otherwise) is no more than £1,000,000.

11.2 Each Party's total aggregate liability in each Contract Year under each Order Contract (whether in tort, contract or otherwise) is no more than one hundred and twenty five percent (125%) of the Estimated Yearly Charges unless specified in the Order Form.

11.3 No Party is liable to the other for:

- (a) any indirect Losses; or

- (c) any liability that cannot be excluded or limited by Law;
- (d) its obligation to pay the required Management Levy or Default Management Levy.

11.5 In spite of Clauses 11.1 and 11.2, the Supplier does not limit or exclude its liability for any indemnity given under Clauses 7.5, 8.3(b), 9.5, 31.3 or Order Schedule 2 (Staff Transfer) of a Contract.

11.6 In spite of Clauses 11.1, 11.2 but subject to Clauses 11.3 and 11.4, the Supplier's aggregate liability in each and any Contract Year under each Contract under Clause 14.8 shall in no event exceed the Data Protection Liability Cap.

11.7 Each Party must use all reasonable endeavours to mitigate any Loss or damage which it suffers under or in connection with each Contract, including any indemnities.

11.8 When calculating the Supplier's liability under Clause 11.1 or 11.2 the following items will not be taken into consideration:

- (a) Deductions; and
- (b) any items specified in Clauses 11.5 or 11.6.

11.9 If more than one Supplier is party to a Contract, each Supplier Party is jointly and severally liable for their obligations under that Contract.

12. Obeying the law

12.1 The Supplier must use reasonable endeavours to comply with the provisions of Joint Schedule 5 (Corporate Social Responsibility).

12.2 To the extent that it arises as a result of a Default by the Supplier, the Supplier indemnifies the Relevant Authority against any fine or penalty incurred by the Relevant Authority pursuant to Law and any costs incurred by the Relevant Authority in defending any proceedings which result in such fine or penalty.

12.3 The Supplier must appoint a Compliance Officer who must be responsible for ensuring that the Supplier complies with Law, Clause 12.1 and Clauses 27 to 32.

13. Insurance

The Supplier must, at its own cost, obtain and maintain the Required Insurances in Joint Schedule 3 (Insurance Requirements) and any Additional Insurances in the Order Form.

14. Data protection

14.1 The Supplier must process Personal Data and ensure that Supplier Staff process Personal Data only in accordance with Joint Schedule 11 (Processing Data).

14.2 The Supplier must not remove any ownership or security notices in or relating to the Government Data.

- 14.3 The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies every 6 Months.
- 14.4 The Supplier must ensure that any Supplier system holding any Government Data, including back-up data, is a secure system that complies with the Security Policy and any applicable Security Management Plan.
- 14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a Contract is corrupted, lost or sufficiently degraded, then the Supplier must notify the Relevant Authority and immediately suggest remedial action.
- 14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:
- (a) tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Relevant Authority receives notice, or the Supplier finds out about the issue, whichever is earlier; and/or
 - (b) restore the Government Data itself or using a third party.
- 14.7 The Supplier must pay each Party's reasonable costs of complying with Clause 14.6 unless CCS or the Buyer is at fault.
- 14.8 The Supplier:
- (a) must provide the Relevant Authority with all Government Data in an agreed open format within 10 Working Days of a written request;
 - (b) must have documented processes to guarantee prompt availability of Government Data if the Supplier stops trading;
 - (c) must securely destroy all Storage Media that has held Government Data at the end of life of that media using Good Industry Practice;
 - (d) securely erase all Government Data and any copies it holds when asked to do so by CCS or the Buyer unless required by Law to retain it; and
 - (e) indemnifies CCS and each Buyer against any and all Losses incurred if the Supplier breaches Clause 14 and any Data Protection Legislation.

15. What you must keep confidential

15.1 Each Party must:

- (a) keep all Confidential Information it receives confidential and secure;

- (b) except as expressly set out in the Contract at Clauses 15.2 to 15.4 or elsewhere in the Contract, not disclose, use or exploit the Disclosing Party's Confidential Information without the Disclosing Party's prior written consent; and
- (c) immediately notify the Disclosing Party if it suspects unauthorised access, copying, use or disclosure of the Confidential Information.

15.2 In spite of Clause 15.1, a Party may disclose Confidential Information which it receives from the Disclosing Party in any of the following instances:

- (a) where disclosure is required by applicable Law or by a court with the relevant jurisdiction if, to the extent not prohibited by Law, the Recipient Party notifies the Disclosing Party of the full circumstances, the affected Confidential Information and extent of the disclosure;
- (b) if the Recipient Party already had the information without obligation of confidentiality before it was disclosed by the Disclosing Party;
- (c) if the information was given to it by a third party without obligation of confidentiality;

- (e) if the information was independently developed without access to the Disclosing Party's Confidential Information;
- (f) on a confidential basis, to its auditors;
- (g) on a confidential basis, to its professional advisers on a need-to-know basis; or
- (h) to the Serious Fraud Office where the Recipient Party has reasonable grounds to believe that the Disclosing Party is involved in activity that may be a criminal offence under the Bribery Act 2010.

15.3 In spite of Clause 15.1, the Supplier may disclose Confidential Information on a confidential basis to Supplier Staff on a need-to-know basis to allow the Supplier to meet its obligations under the Contract. The Supplier Staff must enter into a direct confidentiality agreement with the Relevant Authority at its request.

15.4 In spite of Clause 15.1, CCS or the Buyer may disclose Confidential Information in any of the following cases:

- (a) on a confidential basis to the employees, agents, consultants and contractors of CCS or the Buyer;
- (b) on a confidential basis to any other Central Government Body, any successor body to a Central Government Body or any company that CCS or the Buyer transfers or proposes to transfer all or any part of its business to;
- (c) if CCS or the Buyer (acting reasonably) considers disclosure necessary or appropriate to carry out its public functions;
- (d) where requested by Parliament; or (e) under Clauses 4.7 and 16.

15.5 For the purposes of Clauses 15.2 to 15.4 references to disclosure on a confidential basis means disclosure under a confidentiality agreement or arrangement including terms as strict as those required in Clause 15.

15.6 Transparency Information is not Confidential Information.

15.7 The Supplier must not make any press announcement or publicise the Contracts or any part of them in any way, without the prior written consent of the Relevant Authority and must take all reasonable steps to ensure that Supplier Staff do not either.

16. When you can share information

16.1 The Supplier must tell the Relevant Authority within 48 hours if it receives a Request For Information.

16.2 Within five (5) Working Days of the Buyer's request the Supplier must give CCS and each Buyer full cooperation and information needed so the Buyer can:

- (a) publish the Transparency Information;
- (b) comply with any Freedom of Information Act (FOIA) request; and/or
- (c) comply with any Environmental Information Regulations (EIR) request.

16.3 The Relevant Authority may talk to the Supplier to help it decide whether to publish information under Clause 16. However, the extent, content and format of the disclosure is the Relevant Authority's decision in its absolute discretion.

17. Invalid parts of the contract

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it is valid or enforceable.

18. No other terms apply

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements, agreements and any course of dealings made

between the Parties, whether written or oral, in relation to its subject matter. No other provisions apply.

19. Other people's rights in a contract

No third parties may use the Contracts (Rights of Third Parties) Act 1999 (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

20. Circumstances beyond your control

20.1 Any Party affected by a Force Majeure Event is excused from performing its obligations under a Contract while the inability to perform continues, if it both:

- (a) provides a Force Majeure Notice to the other Party; and
- (b) uses all reasonable measures practical to reduce the impact of the Force Majeure Event.

20.2 Either Party can partially or fully terminate the affected Contract if the provision of the Deliverables is materially affected by a Force Majeure Event which lasts for 90 days continuously.

21. Relationships created by the contract

No Contract creates a partnership, joint venture or employment relationship. The Supplier must represent themselves accordingly and ensure others do so.

22. Giving up contract rights

A partial or full waiver or relaxation of the terms of a Contract is only valid if it is stated to be a waiver in writing to the other Party.

23. Transferring responsibilities

23.1 The Supplier cannot assign, novate or transfer a Contract or any part of a Contract without the Relevant Authority's written consent.

23.2 The Relevant Authority can assign, novate or transfer its Contract or any part of it to any Central Government Body, public or private sector body which performs the functions of the Relevant Authority.

23.3 When CCS or the Buyer uses its rights under Clause 23.2 the Supplier must enter into a novation agreement in the form that CCS or the Buyer specifies.

23.4 The Supplier can terminate a Contract novated under Clause 23.2 to a private sector body that is experiencing an Insolvency Event.

23.5 The Supplier remains responsible for all acts and omissions of the Supplier Staff as if they were its own.

23.6 If CCS or the Buyer asks the Supplier for details about Subcontractors, the Supplier must provide details of Subcontractors at all levels of the supply chain including:

- (a) their name;
- (b) the scope of their appointment; and
- (c) the duration of their appointment.

24. Changing the contract

24.1 Either Party can request a Variation which is only effective if agreed in writing and signed by both Parties.

24.2 The Supplier must provide an Impact Assessment either:

- (a) with the Variation Form, where the Supplier requests the Variation; or
- (b) within the time limits included in a Variation Form requested by CCS or the Buyer.

24.3 If the Variation cannot be agreed or resolved by the Parties, CCS or the Buyer can either:

- (a) agree that the Contract continues without the Variation; or
- (b) terminate the affected Contract, unless in the case of an Order Contract, the Supplier has already provided part or all of the provision of the Deliverables, or

where the Supplier can show evidence of substantial work being carried out to provide them; or

(c) refer the Dispute to be resolved using Clause 34 (Resolving Disputes).

24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.

24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the DPS Pricing or the Charges.

24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, DPS Pricing or a Contract and provide evidence:

(a) that the Supplier has kept costs as low as possible, including in Subcontractor costs; and

(b) of how it has affected the Supplier's costs.

24.7 Any change in the DPS Pricing or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.

24.8 For 101(5) of the Regulations, if the Court declares any Variation ineffective, the Parties agree that their mutual rights and obligations will be regulated by the terms of the Contract as they existed immediately prior to that Variation and as if the Parties had never entered into that Variation.

25. How to communicate about the contract

25.1 All notices under the Contract must be in writing and are considered effective on the Working Day of delivery as long as they are delivered before 5:00pm on a Working Day. Otherwise the notice is effective on the next Working Day. An email is effective at 9:00am on the first Working Day after sending unless an error message is received.

26.1 If a Beneficiary is notified of a Claim then it must notify the Indemnifier as soon as reasonably practical and no later than 10 Working Days.

26.2 At the Indemnifier's cost the Beneficiary must both:

- (a) allow the Indemnifier to conduct all negotiations and proceedings to do with a Claim; and
- (b) give the Indemnifier reasonable assistance with the claim if requested.

26.3 The Beneficiary must not make admissions about the Claim without the prior written consent of the Indemnifier which can not be unreasonably withheld or delayed.

26.4 The Indemnifier must consider and defend the Claim diligently using competent legal advisors and in a way that does not damage the Beneficiary's reputation.

26.5 The Indemnifier must not settle or compromise any Claim without the Beneficiary's prior written consent which it must not unreasonably withhold or delay.

26.6 Each Beneficiary must take all reasonable steps to minimise and mitigate any losses that it suffers because of the Claim.

26.7 If the Indemnifier pays the Beneficiary money under an indemnity and the Beneficiary later recovers money which is directly related to the Claim, the Beneficiary must immediately repay the Indemnifier the lesser of either:

- (a) the sum recovered minus any legitimate amount spent by the Beneficiary when recovering this money; or
- (b) the amount the Indemnifier paid the Beneficiary for the Claim.

27. Preventing fraud, bribery and corruption

27.1 The Supplier must not during any Contract Period:

- (a) commit a Prohibited Act or any other criminal offence in the Regulations 57(1) and 57(2); or

- (a) been investigated or prosecuted for an alleged Prohibited Act;
- (b) been debarred, suspended, proposed for suspension or debarment, or is otherwise ineligible to take part in procurement programmes or contracts because of a Prohibited Act by any government department or agency;
- (c) received a request or demand for any undue financial or other advantage of any kind related to a Contract; or
- (d) suspected that any person or Party directly or indirectly related to a Contract has committed or attempted to commit a Prohibited Act.

27.4 If the Supplier notifies CCS or the Buyer as required by Clause 27.3, the Supplier must respond promptly to their further enquiries, co-operate with any investigation and allow the Audit of any books, records and relevant documentation.

27.5 In any notice the Supplier gives under Clause 27.3 it must specify the:

- (a) Prohibited Act;
- (b) identity of the Party who it thinks has committed the Prohibited Act; and

30. Environment

30.1 When working on Site the Supplier must perform its obligations under the Buyer's current Environmental Policy, which the Buyer must provide.

30.2 The Supplier must ensure that Supplier Staff are aware of the Buyer's Environmental Policy.

31. Tax

31.1 The Supplier must not breach any Tax or social security obligations and must enter into a binding agreement to pay any late contributions due, including where applicable, any interest or any fines. CCS and the Buyer cannot terminate a Contract where the Supplier has not paid a minor Tax or social security contribution.

31.2 Where the Charges payable under a Contract with the Buyer are or are likely to exceed £5 million at any point during the relevant Contract Period, and an Occasion of Tax Non-Compliance occurs, the Supplier must notify CCS and the Buyer of it within 5 Working Days including:

- (a) the steps that the Supplier is taking to address the Occasion of Tax Non-Compliance and any mitigating factors that it considers relevant; and
- (b) other information relating to the Occasion of Tax Non-Compliance that CCS and the Buyer may reasonably need.

31.3 Where the Supplier or any Supplier Staff are liable to be taxed or to pay National Insurance contributions in the UK relating to payment received under an Order Contract, the Supplier must both:

- (a) comply with the Income Tax (Earnings and Pensions) Act 2003 and all other statutes and regulations relating to income tax, the Social Security Contributions and Benefits Act 1992 (including IR35) and National Insurance contributions; and
- (b) indemnify the Buyer against any Income Tax, National Insurance and social security contributions and any other liability, deduction, contribution, assessment or claim arising from or made during or after the Contract Period in connection with the provision of the Deliverables by the Supplier or any of the Supplier Staff.

31.4 If any of the Supplier Staff are Workers who receive payment relating to the Deliverables, then the Supplier must ensure that its contract with the Worker contains the following requirements:

- (a) the Buyer may, at any time during the Contract Period, request that the Worker provides information which demonstrates they comply with Clause 31.3, or why those requirements do not apply, the Buyer can specify the information the Worker must provide and the deadline for responding;
- (b) the Worker's contract may be terminated at the Buyer's request if the Worker fails to provide the information requested by the Buyer within the time specified by the Buyer;

- (d) the Buyer may supply any information they receive from the Worker to HMRC for revenue collection and management.

32. Conflict of interest

34.1 If there is a Dispute, the senior representatives of the Parties who have authority to settle the Dispute will, within 28 days of a written request from the other Party, meet in good faith to resolve the Dispute.

34.2 If the Dispute is not resolved at that meeting, the Parties can attempt to settle it by mediation using the

Centre for Effective Dispute Resolution (CEDR) Model Mediation Procedure current at the time of the

Dispute. If the Parties cannot agree on a mediator, the mediator will be nominated by CEDR. If either Party does not wish to use, or continue to use mediation, or mediation does not resolve the Dispute, the Dispute must be resolved using Clauses 34.3 to 34.5.

34.3 Unless the Relevant Authority refers the Dispute to arbitration using Clause 34.4, the Parties irrevocably agree that the courts of England and Wales have the exclusive jurisdiction to:

- (a) determine the Dispute;

34.5 The Relevant Authority has the right to refer a Dispute to arbitration even if the Supplier has started or has attempted to start court proceedings under Clause 34.3, unless the Relevant Authority has agreed to the court proceedings or participated in them. Even if court proceedings have started, the Parties must do everything necessary to ensure that the court proceedings are stayed in favour of any arbitration proceedings if they are started under Clause 34.4.

34.6 The Supplier cannot suspend the performance of a Contract during any Dispute.
