3. Contract Type: Services

Sub Type: Maintenance and repair services.

4. Description: Repair and maintenance services of military vehicles. Babcock DSG Limited - acting as agent to the UK Ministry of Defence ("the Authority") - has under consideration a 5 year Framework Agreement for the repair of various assemblies contained within the Jackal vehicles. These vehicles are part of the British Army's fleet of Tactical Support Vehicles ("TSV") and are supported in service through the Protected Mobility Vehicle Portfolio ("PMVP"). The Authority also reserves the right to extend the duration of the resultant Framework Agreement, using 2 x 1 year options. The take-up of these options will be subject to the performance of the successful Contractor, measured by Key Performance Indicators.

All items within scope are codified to NATO stock numbers ("NSNs"). The following NSNs are applicable:-

2910016197187 PUMP,FUEL,METERING AND D

2920992125620 GENERATOR,ENGINE ACCSSRY

2920011924469 STARTER,ENGINE,ELECTRICL

The repair of these assemblies shall be to the latest Original Equipment Manufacturer ("OEM") specification. The Authority does not possess these specifications; therefore, the successful Contractor shall be responsible for contacting the OEM to obtain the appropriate specifications and technical information to enable the repair of assemblies and return them to the Authority in A1 material condition (fit for issue without qualification).

Expressions of interest in this requirement are to be submitted by email to Lauren.Smith2@babcockinternational.com with evidence of appropriate ISO 9001:2008, ISO 9001:2015 or equivalent quality accreditation in a correct scope relevant to this requirement. The successful Contractor shall hold and maintain this certification for the duration of the Framework Agreement. Failure to provide evidence of valid, in-date certification that meets these requirements will result in the Authority rejecting those expressions of interest and those potential Contractors will not be invited to Tender.

Appropriate accreditation/certification shall be defined as certification issued by a Certification Body holding suitable accreditation, with the right scope, from a National Accreditation Body (NAB) who is a signatory to the International Accreditation Forum (IAF) or IAF Accredited Regional Multi-Lateral Agreements (MLA).

The time limit for expressions of interest is 15:00 hours on 20/10/2017. Please ensure you allow sufficient time to submit your email along with the requested evidence.

No business whatsoever is guaranteed under any resulting framework agreement or contract, indeed there is no guarantee that any framework agreement or contract will be put in place in relation to this

Contract Notice. No compensation etc. will be paid if a tender or resulting framework agreement is withdrawn for any reason. Bidders should take part in this place only on the basis that they fully understand and accept this position.
