

Apprentice Training and Assessment Contracts 2023 – Offshore Region

Electrical Maintenance

Descriptive Summary:

This contract relates to the training and assessment of ECITB OGTA Modern Apprentices being recruited in the ECITB Offshore Region for September 2023. The services required will result in the successful completion of the ECITB Modern Apprenticeship in Engineering Construction. This will be achieved through a combination of off-the-job training and work-based activity over a 4 year period. These contracts are reliant on the successful organisation accessing funding through the relevant Government Funding Body which should be sufficient to fund the mandatory components of the Modern Apprenticeship Framework.

Estimated Contract Values:

The value of the contract will vary dependant on the number of Apprentices being recruited and the age group of the Apprentices. The contract value could range from between £30,000 to £150,000 dependant on age of learners and the requirements within the Specification.

Estimated Length of Contracts:

It is estimated that the duration of the Contract will be for 3 to 4 years

Location:

The required services will be delivered within the ECITB Offshore/Scotland Region.

Type of Work:

CPV Code – 80000000-4 Educational and Training Services

Contact Person:

Adrian Wookey – 07971 860102 Adrian.wookey@ecitb.org.uk
