Appendix A Spectrum's Corporate Social Value Policy

A WORD FROM THE CEO

This charter aims to present all the actions that are implemented at SPECTRUM GROUPE to develop and improve the CSR policy.

This charter is bound to evolve, but also reflects our findings, our convictions and our commitments.

In a world that is constantly changing, innovating and regulating to respond to environmental issues and societal inequalities, we no longer expect a company to be only efficient or financially profitable, but also to be committed and adapted to our society, more ethical and more social. SPECTRUM GROUPE has defined a strategic policy that aims to be virtuous, in partnership with its customers, employees and suppliers. Over the years, the group has also developed constructive action plans aimed at limiting its environmental impact.

We obviously still have a long way to go, but I am proud of our commitment and we are convinced that continuing our actions and participating in their "positive virality" will lead us to build a better world for tomorrow.

- fully perform or buy performance of the guaranteed obligations to the Buyer
- as a separate and independent obligation and liability, compensate and keep the Buyer compensated against all losses and expenses which may result from a failure by the Supplier to perform the guaranteed obligations under the Call-Off Contract

As a separate and independent obligation and liability, the Guarantor irrevocably and unconditionally undertakes to compensate and keep the Buyer compensated on demand against all losses and expenses of whatever nature, whether arising under statute, contract or at common Law, if any obligation guaranteed by the guarantor is or becomes unenforceable, invalid or illegal as if the obligation guaranteed had not become unenforceable, invalid or illegal provided that the guarantor's liability will be no greater than the Supplier's liability would have been if the obligation guaranteed had not become unenforceable, invalid or illegal.

Obligation to enter into a new contract

If the Call-Off Contract is terminated or if it is disclaimed by a liquidator of the Supplier or the obligations of the Supplier are declared to be void or voidable, the Guarantor will, at the request of the Buyer, enter into a Contract with the Buyer in the same terms as the Call-Off Contract and the obligations of the Guarantor under such substitute agreement will be the same as if the Guarantor had been original obligor under the Call-Off Contract or under an agreement entered into on the same terms and at the same time as the Call-Off Contract with the Buyer.

The Guarantor will not be discharged or released from this Deed of Guarantee by:

- any arrangement made between the Supplier and the Buyer (whether or not such arrangement is made with the assent of the Guarantor)

- the Buyer doing (or omitting to do) anything which, but for this provision, might exonerate the Guarantor

This Deed of Guarantee will be a continuing security for the Guaranteed Obligations and accordingly:

- it will not be discharged, reduced or otherwise affected by any partial performance (except to the extent of such partial performance) by the Supplier of the Guaranteed Obligations or by any omission or delay on the part of the Buyer in exercising its rights under this Deed of Guarantee
- it will not be affected by any dissolution, amalgamation, reconstruction, reorganisation, change in status, function, control or ownership, insolvency, liquidation, administration, appointment of a receiver, voluntary arrangement, any legal limitation or other incapacity, of the Supplier, the Buyer, the Guarantor or any other person
- if, for any reason, any of the Guaranteed Obligations is void or unenforceable against the Supplier, the Guarantor will be liable for that purported obligation or liability as if the same were fully valid and enforceable and the Guarantor were principal debtor
- the rights of the Buyer against the Guarantor under this Deed of Guarantee are in addition to, will not be affected by and will not prejudice, any other security, guarantee, indemnity or other rights or remedies available to the Buyer

The Buyer will be entitled to exercise its rights and to make demands on the Guarantor under this Deed of Guarantee as often as it wishes. The making of a demand (whether effective, partial or defective) relating to the breach or non-performance by the Supplier of any Guaranteed Obligation will not preclude the Buyer from making a further demand relating to the same or some other Default regarding the same Guaranteed Obligation.

The Buyer will not be obliged before taking steps to enforce this Deed of Guarantee against the Guarantor to:

- obtain judgment against the Supplier or the Guarantor or any third party in any court
- make or file any claim in a bankruptcy or liquidation of the Supplier or any third party
- take any action against the Supplier or the Guarantor or any third party
- resort to any other security or guarantee or other means of payment

No action (or inaction) by the Buyer relating to any such security, guarantee or other means of payment will prejudice or affect the liability of the Guarantor.

The Buyer's rights under this Deed of Guarantee are cumulative and not exclusive of any rights provided by Law. The Buyer's rights may be exercised as often as the Buyer deems expedient. Any waiver by the Buyer of any terms of this Deed of Guarantee, or of any Guaranteed Obligations, will only be effective if given in writing and then only for the purpose and upon the terms and conditions on which it is given.

Any release, discharge or settlement between the Guarantor and the Buyer will be conditional upon no security, disposition or payment to the Buyer by the Guarantor or any other person being void, set aside or ordered to be refunded following any enactment or Law relating to liquidation, administration or insolvency or for any other reason. If such condition will not be fulfilled, the Buyer will be entitled to enforce this Deed of Guarantee subsequently as if such release, discharge or settlement had not occurred and any such payment had not been made. The Buyer will be entitled to retain this security before and after the payment, discharge or satisfaction of all monies, obligations and liabilities that are or may become due owing or incurred to the Buyer from the Guarantor for such period as the Buyer may determine.

All sums payable by the Guarantor under this Deed of Guarantee will be paid without any set-off, lien or counterclaim, deduction or withholding, except for those required by Law. Nothing contained in this Clause will limit the rights of the Buyer to take proceedings against the Guarantor in any other court of competent jurisdiction, nor will the taking of any such proceedings in one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not (unless precluded by applicable Law).

The Guarantor irrevocably waives any objection which it may have now or in the future to the courts of England being nominated for this Clause on the ground of venue or otherwise and agrees not to claim that any such court is not a convenient or appropriate forum.
