

Wokingham Borough Council – Clarification Questions

Provision of Occupational Health Services for Wokingham Borough Council

No.	Date Requested	Question	Response	Date Responded
1	10/01/2018	I was going through Contracts Finder portal and came across opportunity with Wokingham council. I understand that it involved IT software services also. Can we take up only IT/software services involved with your council?	Our requirement is as per the Specification document and involves a broader delivery than a purely IT based model.	10/01/2018
