- II.1.3) **Type of contract**
Supplies
- II.1.4) **Short description:**
Brushing for Life dental packs are supplied as part of a PHE (Public Health England) supported initiative. They are educational dental packs intended for children of school age. The packs contain a toothpaste, toothbrush

and educational leaflet. Precise quantities are unknown. It is anticipated that initial expenditure will be in the region of 43 000 GBP to 55 000 GBP in the first year of this framework agreement, however this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the framework agreement. The estimated value over the total Framework Agreement term (including any extension options) is 220 000 GBP.

The purpose of this notice is to draw attention to a procurement that NHS supply chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

Section IV: Procedure

IV.1) **Description**

IV.1.8) **Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

Section VI: Complementary information

VI.3) **Additional information:**

The following certification will be a requirement of the upcoming tender exercise and Applicants may be required to include evidence of this with their tender submission.

— ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the Applicant's (and the product's) supply chain. This should include but not be limited to manufacturing storage and distribution. Further information in respect of certification requirements will be set out in the notice for the forthcoming procurement. If such certificates are not in the name of the Applicant then

the Applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

The framework agreement between NHS supply chain and successful suppliers will reserve the right to purchase the same or similar supplies and/or services from suppliers not appointed to the framework agreement at its sole discretion.

The framework agreement will be between NHS supply chain and the supplier. Under the Framework Agreement it is anticipated there will be 2 different methods of supply - one for Non-direct contract products and one for Direct contract products.

NHS supply chain will be entitled to purchase the supplies identified in the tender documents as Non-direct contract products which it will then make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

For the supplies identified as Direct contract products in the tender documents 1) NHS Supply Chain; 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Supplier for any of the supplies and/or services under the framework.

For Direct contract products the supplier will be required to report to and pay a direct contract management fee to NHS supply chain as detailed in the tender documents.

As part of its pre-tender strategy, NHS supply chain would also like to engage with suppliers of these products via a Request for information (RFI). If you would like to complete the request for Information document in respect of the products which are the subject of this procurement then please follow the below instructions; Candidates wishing to complete the Request for information must register their expression of interest. The Request for information document will then be sent via the Intenda Messaging Centre.
