**Description**

The University of Derby Institute of Innovation in Sustainable Engineering (IISE) wishes to purchase Multiphysics Modelling and Simulation Software Package in order to work with small and medium sized enterprises (SME) to innovate, grow and create jobs. The initiative to drive growth and innovation in the region is supported through the award of an ERDF grant made to the University.

The European Regional Development Fund (ERDF) is administered by the Department of Communities and Local Government with strategic guidance from the Derby Derbyshire Nottingham Nottinghamshire (D2N2) Local Enterprise Partnership (LEP).
