 - 7.6.3 any Approval or Assurance of a Deliverable by TfL or the issue of a Milestone Notice shall not affect TfL's right to later reject any part of the Service Systems or the Services which is the subject of such Approval or Assurance or notice, to later withdraw any such Approval, Assurance or notice (in circumstances where TfL subsequently becomes aware of facts or circumstances that would have entitled it to withhold the relevant Approval, Assurance or Milestone Notice) or to reject any other part of the Service Systems or the Services, whether or not any notice has been issued in respect of, or is otherwise in connection with, such other part of the Service Systems and/or the Services, in which case:
 - (A) any resulting Change shall not result in any increase in the Service Charges or any One-off Charge whether pursuant to the Change Control Request Procedure or otherwise; and
 - (B) where such withdrawal of Approval, Assurance or Milestone Notice in respect of a Milestone occurs prior to the Acceptance of Milestone T5 (Initial Operations Review Complete), a proportion (as determined by TfL, in its absolute discretion, by reference to the reasons for and impact of TfL withdrawing an Approval or Milestone Notice and any representations of the Service Provider) of any sums paid by TfL as a result of such notice such Milestone Notice shall be recovered by TfL as an abatement from the next payment due from TfL and each subsequent payment until the amount is fully recovered by TfL, provided that if TfL subsequently reissues such Approval or Milestone Notice sums recovered by TfL under this Clause 7.6.3(B) in respect of such reissued Approval or Milestone Notice shall again become payable by TfL to the Service Provider (excluding any amounts recovered in respect of an On-Time Delivery Payment if such subsequent Approval or Milestone Notice occurs after the original Milestone Date).
- 7.7 The Parties have agreed that the implementation of the VoSI System described in Requirements B11.4.1, B11.4.2, B12.1.4, B14.1.1 and Schedule 2 (Statement of Requirements) VoSI shall be deferred until after the Operational Commencement Date, until which time the Service Provider shall not be bound by these Requirements. The Parties shall agree a date for the implementation of the VoSI System through the Change Request Procedure.
8. **OPERATIONAL COMMENCEMENT**
- 8.1 The Service Provider acknowledges that:
- 8.1.1 given that:
 - (A) the services provided by the Incumbent Service Providers in relation to the Schemes are scheduled to terminate on the Planned Operational Commencement Date; and
 - (B) TfL receives significant revenues in relation to the Schemes,

- if Milestone T4 ("Transition to Live Operations Complete") is not achieved on or before the Planned Operational Commencement Date TfL will incur significant costs and/or liabilities (including loss of revenue); and
- 8.1.2 if Milestone I5 ("System Development & Configuration Complete"), Milestone T2 ("Ready for Service Integration Testing for Lot 1 and Lot 2") or Milestone T3 ("Service Proving Complete") is not achieved on or before the relevant Milestone Date, this will create a significant risk that Milestone T4 ("Transition to Live Operations Complete") will not be achieved on or before the Planned Operational Commencement Date and, in order to mitigate that risk, various steps (including some or all of those described in Clause 8.4) are likely to be required to be taken.
- 8.2 In such circumstances, in order to mitigate the risk to TfL of incurring costs and/or liabilities (including loss of revenue) associated with the Operational Commencement Date occurring after the Planned Operational Commencement Date, the Parties have agreed the arrangements set out in this Clause 8.

Indemnities

- 8.3 The Service Provider shall indemnify and keep indemnified TfL and each member of the TfL Group against (and shall pay on demand, including any Compensation Demand) all Losses which may be incurred or otherwise suffered by TfL or any member of the TfL Group arising from or in connection with the failure of the Service Provider to ensure that Milestone I5 ("System Development & Configuration Complete"), Milestone T2 ("Ready for Service Integration Testing for Lot 1 and Lot 2") or Milestone T3 ("Service Proving Complete") is Accepted on or before the relevant Milestone Date, including any and all costs relating to such steps as TfL and/or each member of the TfL Group may (acting reasonably) deem necessary (provided that if such failure is caused by TfL or its agents or an Other Service Provider, the Service Provider may claim a Relief Event in accordance with Clause 56 (*Relief Events*)). It is acknowledged and agreed that such steps are likely to include:
- 8.3.1 additional TfL internal resource to manage the delay to relevant activities in the Implementation Plan;
- 8.3.2 payments to an Incumbent Service Provider to retain the option to extend relevant services provided by the Incumbent Service Provider beyond the Planned Operational Commencement Date; and/or
- 8.3.3 payments to Other Service Providers (including for the avoidance of doubt the EOps Service Provider) for services required in relation to relevant additional activity required up to the Operational Commencement Date.
- 8.4 The Service Provider shall indemnify and hold harmless TfL and each member of the TfL Group in full against (and shall pay on demand, including any Compensation Demand) all Losses incurred or otherwise suffered by TfL or any member of the TfL Group arising from or in connection with the failure of the Service Provider to ensure that Milestone T4 ("Transition to Live Operations Complete") is Accepted on or before the Planned Operational Commencement Date (provided that if such failure is caused by TfL or its agents or an Other Service Provider, the Service Provider may claim a Relief Event in accordance with Clause 56 (*Relief Events*)), including any and all costs relating to:
- 8.4.1 the procurement of services similar to the Services (or part thereof) from the Incumbent Service Providers (at a price which may be greater than the price for which such services are currently provided);
- 8.4.2 the procurement of services similar to the Services (or part thereof) from Third Parties;
- 8.4.3 payments to Other Service Providers (including for the avoidance of doubt the EOps Service Provider) to perform services which relate to the Services;
- 8.4.4 loss of revenue suffered by TfL;

- 8.4.5 TfL's internal costs in relation to management of this Agreement and participation in any workaround activities;
- 8.4.6 TfL's external lawyers and consultants; and/or
- 8.4.7 TfL's public relations and public communications activities.

Compensation Escrow Account

- 8.5 The Parties have set up the Compensation Escrow Account for the receipt of Compensation Escrow Deposits and the drawdown of Compensation Payments in accordance with Clauses 8.8 to 8.20 (inclusive), and the Service Provider agrees that TfL shall be entitled to have recourse to the Compensation Escrow Amount in accordance with the following provisions.
- 8.5A Each Party (in relation to this Clause 8.5A, "the first Party") shall indemnify the other Party against any liability incurred by the other Party pursuant to clause 9 (Indemnification of Escrow Agent) of the Compensation Escrow Agreement that arises from the failure by the first Party (and not the other Party) to fulfil any of its obligations under the Compensation Escrow Agreement.
- 8.6 If, in respect of Milestone I5 ("System Development & Configuration Complete"):
 - 8.6.1 at any time after the Milestone Date for such Milestone TfL issues a Milestone Rejection Notice in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or
 - 8.6.2 on the deadline identified in the Implementation Plan for the Service Provider to submit such Milestone to TfL for Acceptance (or, if no such deadline is identified in the Implementation Plan, on the date which is ten (10) Business Days before the relevant Milestone Date):
 - (A) the Service Provider has not requested TfL to confirm whether it Accepts such Milestone in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or
 - (B) the Service Provider has not submitted to TfL all materials identified in the Implementation Plan (or, if relevant, an associated Remedy Plan) as being required to accompany such request,

and TfL has not Accepted such Milestone within fifteen (15) Working Days of the Milestone Date then, subject to Clause 8.11 upon written request from TfL the Service Provider shall pay Compensation Escrow Deposits into the Compensation Escrow Account as required pursuant to paragraph 9 of Schedule 3 (*Milestones and Deliverables*).
- 8.7 If, in respect of Milestone T2 ("Ready for Service Integration Testing for Lot 1 and Lot 2"):
 - 8.7.1 at any time after the Milestone Date for such Milestone TfL issues a Milestone Rejection Notice in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or
 - 8.7.2 on the deadline identified in the Implementation Plan for the Service Provider to submit such Milestone to TfL for Acceptance (or, if no such deadline is identified in the Implementation Plan, on the date which is ten (10) Business Days before the relevant Milestone Date):
 - (A) the Service Provider has not requested TfL to confirm whether it Accepts such Milestone in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or
 - (B) the Service Provider has not submitted to TfL all materials identified in the Implementation Plan (or, if relevant, an associated Remedy Plan) as being required to accompany such request,

and TfL has not Accepted such Milestone within fifteen (15) Working Days of the Milestone Date then, subject to Clause 8.12 upon written request from TfL the Service Provider shall

pay Compensation Escrow Deposits into the Compensation Escrow Account as required pursuant to paragraph 9 of Schedule 3 (Milestones and Deliverables).

8.8 If, in respect of Milestone T3 ("Service Proving Complete"):

8.8.1 at any time after the Milestone Date for such Milestone TfL issues a Milestone Rejection Notice in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or

8.8.2 on the deadline identified in the Implementation Plan for the Service Provider to submit such Milestone to TfL for Acceptance (or, if no such deadline is identified in the Implementation Plan, on the date which is ten (10) Business Days before the relevant Milestone Date):

(A) the Service Provider has not requested TfL to confirm whether it Accepts such Milestone in accordance with paragraph 5 of Schedule 3 (*Milestones and Deliverables*); or

(B) the Service Provider has not submitted to TfL all materials identified in the Implementation Plan (or, if relevant, an associated Remedy Plan) as being required to accompany such request,

and TfL has not Accepted such Milestone within fifteen (15) Working Days of the Milestone Date then, subject to Clause 8.12 upon written request from TfL the Service Provider shall pay Compensation Escrow Deposits into the Compensation Escrow Account as required pursuant to paragraph 9 of Schedule 3 (Milestones and Deliverables).

8.9 Without prejudice to TfL's other rights and remedies under this Agreement, the maximum aggregate amount of Compensation Escrow Deposits which the Service Provider shall be required to make pursuant to Clauses 8.8 to 8.10 is **REDACTED**.

8.10 Subject to Clauses 8.13 to 8.20 (inclusive), the Compensation Escrow Amount shall be applied in paying to TfL any amounts in relation to which the Service Provider has agreed to indemnify TfL pursuant to Clauses 8.4 or 8.5 and any amount so paid shall pro tanto satisfy the liability concerned.

8.11 If TfL incurs or suffers a Loss in relation to which the Service Provider has agreed to indemnify TfL pursuant to Clauses 8.4 or 8.5, TfL shall, upon sending to the Compensation Escrow Agent a Demand setting out the amount of such Loss and a summary of the particulars of such Loss, receive from the Compensation Escrow Account within three (3) Working Days a Compensation Payment equal to the amount of such Loss.

8.12 If Milestone T4("Transition to Live Operations Complete") has been Accepted on or before the Planned Operational Commencement Date, then, subject to the prior payment of any Compensation Payments pursuant to Clause 8.13, TfL shall within five (5) Working Days after the Planned Operational Commencement Date instruct the Compensation Escrow Agent to release to the Service Provider from the Compensation Escrow Account an amount equal to:

8.12.1 the remaining Compensation Escrow Amount (as at the Planned Operational Commencement Date); less

8.12.2 any amounts reasonably estimated and claimed in good faith by TfL in relation to any Losses that have been notified to the Compensation Escrow Agent and the Service Provider prior to such date but which have not yet been the subject of a Demand (on the basis that they have not yet been or cannot yet be quantified) for which recourse to the Compensation Escrow Amount would (had a Demand been made) be permitted (a "**Scenario 1 Pending Claim**").

8.13 If Milestone T4 ("Transition to Live Operations Complete") has not been Accepted on or before the Planned Operational Commencement Date then, subject to the prior payment of any Compensation Payments pursuant to Clause 8.13, TfL shall within five (5) Working Days of the date on which Milestone T5 ("Initial Operations Review Complete") is Accepted instruct the Compensation Escrow Agent to release to the Service Provider from the Compensation Escrow Account an amount equal to:

- 8.13.1 the remaining balance of the Compensation Escrow Amount (as at the date on which Milestone T5("Initial Operations Review Complete") is Accepted); less
- 8.13.2 any amounts reasonably estimated and claimed in good faith by TfL in relation to any Losses that have been notified to the Compensation Escrow Agent and the Service Provider prior to such date but which have not yet been the subject of a Demand (on the basis that they have not yet been or cannot yet be quantified) for which recourse to the Compensation Escrow Amount would (had a Demand been made) be permitted (a "**Scenario 2 Pending Claim**").
- 8.14 Within five (5) Working Days following the Loss associated with a Pending Claim being incurred by TfL, TfL shall issue a Demand to the Compensation Escrow Agent for an amount equal to such Loss and, following receipt by TfL of the Compensation Escrow Payment in respect of such Demand, any excess amount previously held back in respect of such Pending Claim shall within three (3) Working Days be released to the Service Provider in accordance with the terms of the Compensation Escrow Agreement.
- 8.15 Interest earned on the Compensation Escrow Amount shall be for the benefit of the Service Provider, and any balance of such interest net of any tax required by Law to be deducted therefrom shall be released to the Service Provider on a monthly basis in accordance with the terms of the Compensation Escrow Agreement.
- 8.16 Each Party shall promptly give instructions to the Compensation Escrow Agent as may be required to give effect to the terms of this Clause 8. If the Compensation Escrow Agent serves a valid notice of termination of the Compensation Escrow Agreement then the Parties shall appoint a replacement escrow agent on substantially the same terms and shall direct transfer of the funds in the Compensation Escrow Account to the replacement escrow account.
- 8.17 The Parties acknowledge and agree that:
- 8.17.1 the Compensation Escrow Deposits have been calculated to compensate for the losses that TfL and/or members of the TfL Group are likely to suffer as a result of:
- (A) Milestone I5 ("System Development & Configuration Complete"), Milestone T2 ("Ready for Services Integration Testing for Lot 1 and Lot 2") and/or Milestone T3 ("Service Proving Complete") not being Accepted on or before the relevant Milestone Date, including in relation to the losses described in Clause 8.4; and
 - (B) Milestone T4 ("Transition to Live Operations Complete") not being Accepted on or before the Planned Operational Commencement Date, including in relation the losses described in Clause 8.5; and
- 8.17.2 TfL's right to receive Compensation Payments is without prejudice to its right to claim for additional Losses under the indemnities given by the Service Provider pursuant to Clauses 8.4, 8.5 and 47.1.

No double-recovery

- 8.18 Notwithstanding any provision in this Clause 8, TfL shall not be entitled to an indemnity in respect of a Loss under the indemnity provisions in this Clause 8 or to receive a Compensation Payment in respect of such Loss to the extent that TfL has already been compensated under this Agreement for such Loss.

Operational Commencement

- 8.19 Notwithstanding the prior Acceptance of Milestone T4 ("Transition to Live Operations Complete"), the Service Provider shall not commence operation of the Service Systems (and the associated Services) until the date specified for such operation in a Notice to Commence Operations or a Notice to Commence Reduced Operations issued by TfL.

- 8.20 If:
- 8.20.1 the Service Provider has submitted Milestone T4 ("Transition to Live Operations Complete") for Acceptance in accordance with the Implementation Plan and Schedule 3 (*Milestones and Deliverables*);
 - 8.20.2 all Milestone Acceptance Criteria have been met in respect of such Milestone; and
 - 8.20.3 the Planned Operational Commencement Date has passed and TfL has not issued a Notice to Commence Operations or a Notice to Commence Reduced Operations,

then, for the purpose of this Clause 8.22 only, TfL's decision not to issue a Notice to Commence Operations or Notice to Commence Reduced Operations shall be treated as a Relief Event so that the Service Provider may claim associated Relief Event Costs in accordance with Clause 56. For the avoidance of doubt, upon receipt of a Notice to Commence Operations or Notice to Commence Reduced Operations, the Service Provider shall commence operation of the Service Systems (and the associated Services).

ULEZ Operational Commencement

- 8.21 Notwithstanding the ULEZ Operational Commencement Date, the Service Provider shall not commence operation of the ULEZ element of the Services without prior written instruction from TfL.
- 8.22 Failure by the Service Provider to commence operation of the ULEZ element of the Services on the ULEZ Operational Commencement Date (howsoever arising), shall not constitute a material breach of this Agreement.

- 8.23 If:
- 8.23.1 the Service Provider has failed to achieve the Milestone Acceptance Criteria associated with any ULEZ Central Change Milestone, due prior to the ULEZ Operational Commencement Date; and

- 8.23.2 TfL confirm they wish to commence operation of the ULEZ element of the Services in accordance with Clause 8.21;

then, for the purpose of this Clause 8.23 only, TfL's decision to commence operation of the ULEZ element of the Services shall be treated as a Dependency Failure and Relief Event and the Service Provider shall be entitled to associated Relief Event Costs. In addition, TfL shall grant the Service Provider relief from its obligations under Schedule 5 of this Agreement, including, for the avoidance of doubt granting relief from all Service Failure Deductions for the duration of the Relief Event insofar as they directly result from the TfL Dependency Failure. For the avoidance of doubt, the Service Provider shall not be entitled to relief from its obligations under Schedule 5 of this Agreement to the extent that such failure is not directly attributable to the TfL Dependency Failure.

DVS Enforcement Operational Commencement

- 8.24 Notwithstanding the DVS Enforcement Operational Commencement Date, the Service Provider shall not commence operation of the DVS Enforcement element of the Services without prior written instruction from TfL.
- 8.25 Failure by the Service Provider to commence operation of the DVS Enforcement element of the Services on the DVS Enforcement Operational Commencement Date (howsoever arising), shall not constitute a material breach of this Agreement.
- 8.26 If:

- 8.26.1 the Service Provider has failed to achieve the Milestone Acceptance Criteria associated with any DVS Enforcement Milestone, due prior to the DVS Enforcement Operational Commencement Date; and
- 8.26.2 TfL confirm they wish to commence operation of the DVS Enforcement element of the Services in accordance with Clause 8.24,

then, for the purpose of this Clause 8.26 only, TfL's decision to commence operation of the DVS Enforcement element of the Services shall be treated as a Dependency Failure and Relief Event and the Service Provider shall be entitled to associated Relief Event Costs. In addition, TfL shall grant the Service Provider relief from its obligations under Schedule 5 of this Agreement, including, for the avoidance of doubt granting relief from all Service Failure Deductions for the duration of the Relief Event insofar as they directly result from the TfL Dependency Failure. For the avoidance of doubt, the Service Provider shall not be entitled to relief from its obligations under Schedule 5 of this Agreement to the extent that such failure is not directly attributable to the TfL Dependency Failure.

LEZ 20 Operational Commencement

- 8.27 Notwithstanding the LEZ 20 Operational Commencement Date, the Service Provider shall not commence operation of the LEZ 20 element of the Services without prior written instruction from TfL.
- 8.28 Failure by the Service Provider to commence operation of the LEZ 20 element of the Services on the LEZ 20 Operational Commencement Date (howsoever arising), shall not constitute a material breach of this Agreement.
- 8.29 If:

- 8.29.1 the Service Provider has failed to achieve the Milestone Acceptance Criteria associated with any LEZ 20 Milestone, due prior to the LEZ 20 Operational Commencement Date; and
- 8.29.2 TfL confirm they wish to commence operation of the LEZ 20 element of the Services in accordance with Clause 8.27;

then, for the purpose of this Clause 8.29 only, TfL's decision to commence operation of the LEZ 20 element of the Services shall be treated as a Dependency Failure and Relief Event and the Service Provider shall be entitled to associated Relief Event Costs. In addition, TfL shall grant the Service Provider relief from its obligations under Schedule 5 of this Agreement, including, for the avoidance of doubt granting relief from all Service Failure Deductions for the duration of the Relief Event insofar as they directly result from the TfL Dependency Failure. For the avoidance of doubt, the Service Provider shall not be entitled to relief from its obligations under Schedule 5 of this Agreement to the extent that such failure is not directly attributable to the TfL Dependency Failure.

ULEX Operational Commencement

- 8.30 Notwithstanding the ULEX Operational Commencement Date, the Service Provider shall not commence operation of the ULEX element of the Services without prior written instruction from TfL.
- 8.31 Failure by the Service Provider to commence operation of the ULEX element of the Services on the ULEX Operational Commencement Date (howsoever arising), shall not constitute a material breach of this Agreement.
- 8.32 If:

8.32.1 the Service Provider has failed to achieve the Milestone Acceptance Criteria associated with any ULEX Milestone, due prior to the ULEX Operational Commencement Date]; and

8.32.2 TfL confirm they wish to commence operation of the ULEX element of the Services in accordance with Clause 8.30;

then, for the purpose of this Clause 8.32 only, TfL's decision to commence operation of the ULEX element of the Services shall be treated as a Dependency Failure and Relief Event and the Service Provider shall be entitled to associated Relief Event Costs. In addition, TfL shall grant the Service Provider relief from its obligations under Schedule 5 of this Agreement, including, for the avoidance of doubt granting relief from all Service Failure Deductions for the duration of the Relief Event insofar as they directly result from the TfL Dependency Failure. For the avoidance of doubt, the Service Provider shall not be entitled to relief from its obligations under Schedule 5 of this Agreement to the extent that such failure is not directly attributable to the TfL Dependency Failure.

9.1 Each Party shall have the relevant rights and obligations set out in Part D of Schedule 3 (*Milestones and Deliverables*) in relation to the preparation, submission, Approval and Assurance of Deliverables.

9.2 In relation to Documentation, the Service Provider shall:

9.2.1 submit such Documentation to TfL for Approval or Assurance when required pursuant to this Agreement;

9.3.1 be hosted by TfL (or, if requested in writing by TfL, by the Service Provider or such Third Party as is nominated by TfL in writing from time to time);

9.3.2 be accessible at all times and access-controlled by TfL and its authorised agents and sub-contractors;

9.4 The Service Provider shall when requested by TfL submit to TfL a list of the documents contained within the Document Library for Approval by TfL, which shall include:

deducted from the Service Charges in accordance with Schedule 7 (*Charging and Operational Pricing*) as an abatement of the Service Charges.

- 11.1.1 Where the Service Provider is unable to meet the Acceptable Service Level(s), from the:

 - (B) LEZ 20 Operational Commencement Date then, to the extent that the Service Provider is able to reasonably demonstrate that its failure to meet the Acceptable Service Level(s) is as a direct result of the Actual LEZ 20 Operational Volumes being greater than the Projected LEZ 20 Operational Volumes,

- 11.1.3 Notwithstanding Clause 11.1.1 above, where the Actual ULEZ Operational Volumes or Actual LEZ 20 Operational Volumes received by the Service Provider are greater than the Projected ULEZ Operational Volumes or Projected LEZ 20 Operational Volumes, as applicable, the Service Provider shall use reasonable endeavours to achieve the relevant Acceptable Service Level(s).

- 11.2 The Parties agree that Service Failure Deductions:

- 11.2.1 are not intended as a penalty for non-performance, but are instead an abatement to the Service Charges to reflect reduced quality of performance;
- 11.2.2 may not quantify the full extent of TfL's Losses in relation to a failure by the Service Provider to meet or exceed the Acceptable Service Levels, and so are (with the exception of Clause 11.1.1 above) without prejudice to TfL's other rights or remedies under this Agreement in relation to such failure.  - 12.2.4 co-operate with TfL and Other Service Providers as necessary to resolve such Service Failure, in accordance with Clause 15;

Such audits and tests may include penetration testing and ethical hacking and the Service Provider grants consent for such tests and audits to be performed notwithstanding any provisions contained within the Computer Misuse Act 1990 or the Police and Justice Act 2006. Where the scope of any audit or test pursuant to this Clause 36.12 would cause the Cloud Provider's Penetration Testing Rules of Engagement to apply, TfL shall be responsible for ensuring that the activities carried out by or on behalf of TfL in such audit or test does not include any activity which is prohibited under the Cloud Provider's Penetration Testing Rules of Engagement, taking into consideration Cloud Services utilised by the Service Provider to deliver the Services (as reasonably described in the Service Provider's Solution). In view of the fact that such audits and testing may be intended to

simulate a criminal attack, the Service Provider agrees not to take any action against TfL, its Affiliates or their agents performing the audits or tests and that, subject to Clause 36.13:

- 36.12.1 TfL, its Affiliates and their agents shall not be responsible or liable for any loss, damage, expenses or claims incurred by the Service Provider as a result of such tests or audits, including any loss or damage caused to the Service Provider's Systems or the Service Provider's business or any third party claims brought against the Service Provider relating to or arising out of such tests or audits except to the extent that it would be unlawful for TfL not to be responsible or liable; and

- 36.13 In conducting any audit or test pursuant to Clause 36.12 where there Cloud Provider's Penetration Testing Rules of Engagement apply, TfL shall not carry out any activity which is prohibited by the Cloud Provider's Penetration Testing Rules of Engagement. TfL agrees to indemnify the Service Provider and its Affiliates against any loss, damage or expenses that the Service Provider may incur by reason of claims, actions, demands or proceedings brought against them by the Cloud Provider to the extent that such claims, actions, demands or proceedings arise from TfL Carrying out any activity which is prohibited by the Cloud Provider's Penetration Testing Rules of Engagement (except for (i) any requirement to obtain pre-approval from the Cloud Provider for TfL to conduct such audits or tests, which the Service Provider shall use reasonable endeavours to promptly obtain upon TfL's request, including by involving TfL directly in any correspondence with the Cloud Provider, if such pre-approval is necessary under the Cloud Provider's Penetration Testing Rules of Engagement, and (ii) any requirement to notify the Cloud Provider of any potential security flaw, which shall be the Service Provider's responsibility, subject to TfL notifying the Service Provider pursuant to Clause 36.14.1). If the Cloud Provider's pre-approval for such audit of test is necessary under the Cloud Provider's Penetration Testing Rules of Engagement, TfL shall not conduct such audit of test prior to the Service Provider confirming that it has obtained such pre-approval from the Cloud Provider.
- 36.14 If, during the course of conducting any audit or test of the Cloud Services pursuant to Clause 36.12 where the Cloud Provider's Penetration Testing Rules of Engagement applies, TfL discovers a potential security flaw related to the Cloud Services:

 - 36.14.2 the Service Provider shall comply with the requirements of the Cloud Provider's Penetration Testing Rules of Engagement with respect to the reporting of security issues;
 - 36.14.3 the Service Provider shall promptly notify TfL upon becoming notified by the Cloud Provider that the relevant vulnerability to which the TfL Potential Security Flaw Notice relates has been corrected; and
- 36.15 TfL shall not disclose any information contained in the TfL Potential Security Flaw Notice publicly or to any Third Party until such time the Service Provider notifies TfL pursuant to Clause 36.14.3.
- 36.16 The Service Provider acknowledges that TfL is a best value authority for the purposes of the Local Government Act 1999 and as such TfL is required to make arrangements to secure continuous improvement in the way it exercises its functions, having regard to a combination of economy, efficiency and effectiveness. Without prejudice to the provisions

of Clause 25 (*Value for Money Review*), the Service Provider shall assist TfL to discharge its duty wherever possible, and in doing so, it shall inter alia carry out any reviews of the Services requested by TfL from time to time. Without prejudice to any other provision of this Agreement, the Service Provider agrees to negotiate in good faith (acting reasonably) any changes to the Agreement in order for TfL to achieve best value.

37. OPEN BOOK

- 37.1 The Service Provider shall provide TfL with open book pricing and shall, whenever requested by the TfL, provide to TfL details and supporting evidence of all the Service Provider's costs in meeting its obligations under this Agreement, including all management, software, hardware and service input costs.

 - 37.3.5 all actual and forecast third party costs incurred by the Service Provider in providing the Services (including all Sub-Contractor costs) and any mark-up charged on any such third party costs;
 - 37.3.6 the profit, before interest and tax, that the Service Provider has achieved, and has forecast to achieve, under this Agreement;
 - 37.3.7 any other information and documentation that relates to the reasonableness of the Charges and/or which is necessary to satisfy TfL's requirement to demonstrate value for money as further described in Clause 36.13; and
 - 37.3.8 any such other cost items as TfL may reasonably require in order to audit the costs of the Service Provider for the purpose of verifying the Charges, any estimates of the Charges and/or any charging information being provided by the Service Provider in conjunction with Schedule 7 (*Charging and Operational Pricing*) and Schedule 9 (*Change Control Request Procedure*).
- 37.4 The Service Provider shall, following a written request by TfL and without prejudice to any other audit and inspection rights that the TfL Group has under this Agreement, promptly provide TfL with copies of any or all accounting books and records referred to in Clause 37.3.

- 37.6.1 any beneficial pricing that the Cloud Provider has offered the Service Provider under the terms of the Cloud Agreements (including unit pricing, or information that would allow TfL to determine the Service Provider's unit price under the Cloud Agreement), save that the Service Provider agrees that the Report referred to in paragraph 7.9 of Schedule 7 (Charging & Operational pricing), when provided in the format described in Annex G of Schedule 7 (Charging & Operational Pricing) does not contain any beneficial pricing; or
- 37.6.2 any terms applicable to the Cloud Agreement which differ from publicly available terms for the same or similar services provided by the Cloud Provider.

38. OWNERSHIP AND ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

- 38.1 Nothing in this Agreement shall affect the ownership of Intellectual Property Rights owned by a Party prior to the Effective Date, or that a Party obtains ownership of independently of the performance of the Services under this Agreement.
- 38.2 In consideration of the sum of one pound (£1) (receipt of which is hereby acknowledged by the Service Provider), the Service Provider agrees that, subject to Clause 39.3, TfL shall own upon their creation (and otherwise assigns to TfL ownership of) present and future Intellectual Property Rights created by or on behalf of the Service Provider in the conduct of the provision of the Services (such Intellectual Property Rights being referred to as "**Foreground IPR**"). Insofar as any Foreground IPR does not vest automatically by operation of law or under this Agreement, the Service Provider holds legal title in these rights on trust for TfL.
- 38.3 The Service Provider shall, at the expense of TfL as to the Service Provider's reasonable, externally invoiced, out-of-pocket costs, execute all documents and instruments and take such other steps as TfL may reasonably require to vest all right, title and interest in and to Foreground IPR absolutely in TfL.
- 38.4 Any assignment of Intellectual Property Rights pursuant to this Clause 38 shall be with full title guarantee, free from encumbrances and shall include the right to take action for any past, present and future damages and other remedies in respect of any infringement.
- 38.5 The Service Provider shall notify TfL of any Foreground IPR created and provide to TfL (or any person nominated by TfL in writing) a copy of the Source Code and object code for all Software and copies of all Documentation, the Intellectual Property Rights in which are assigned to TfL pursuant to this Clause 38 (including without limitation any update or upgrade of that Software), and shall do so at the same time as providing any associated Deliverable to TfL during the Implementation Phase or in connection with a Change or, in all other circumstances, on a monthly basis.

- 39.1.2 to disclose, copy and reproduce the Service Materials as reasonably required for the purposes envisaged under Clause 39.1.1, provided that material provided to another public authority pursuant to Clause 39.1.1(C) (i) shall not include Software, (ii) shall not be provided to Third Party service providers by such public authority and (iii) shall not be used by TfL to operate another scheme on behalf of such public authority;

- 39.1.4 to grant sub-licences (each with a right to sub-license and further sub-license through multiple tiers) similar to those granted to TfL under Clauses 39.1.1 and 39.1.2 to any Other Service Provider or other Third Party (working with or on behalf of TfL) for the purposes envisaged under Clauses 39.1.1 to 39.1.3 (inclusive).
- 39.2 To the extent that the TfL Foreground Materials are subject to any Intellectual Property Rights which:
 - 39.2.1 are owned or Controlled by the Service Provider; and
 - 39.2.2 have not been created by or on behalf of the Service Provider in the conduct of the provision of the Services (such IPR being Foreground IPR, which are addressed in Clause 38.2),

the Service Provider hereby grants and shall grant to TfL a perpetual, irrevocable, worldwide, fully paid-up, non-exclusive licence under such Intellectual Property Rights for the purposes of using the TfL Foreground Materials and exploiting the associated Foreground IPR. Licence from TfL

- 39.4 To the extent the Service Provider may require a licence to TfL Background IPR or Foreground IPR in order to provide the Services, TfL hereby grants to the Service Provider a royalty-free, non-exclusive, non-transferable licence under such TfL Background IPR and/or Foreground IPR (as appropriate) solely to enable the Service Provider to perform the Services pursuant to this Agreement. Such licence includes the right for the Service Provider to grant sub-licences on identical terms to each Sub-Contractor, solely and exclusively for the purpose of the Service Provider meeting its obligations under this Agreement.

Third Party IPR

- 39.5 The Service Provider shall, in respect of any Third Party's Intellectual Property Rights included within the licence granted by the Service Provider under Clause 39.1 and Clause 39.3.3, ensure that the Service Provider has obtained all licences from such Third Parties necessary to enable the Service Provider to grant such licence.

Open Source Software

- 40.7 The Service Provider warrants that, save as set out in the Software IPR Summary Table or in respect of the Cloud Assets, none of the Software in the Service Systems uses, contains, or has embedded in it, any open source code or free code (each as defined by the Open Source Initiative or by the Free Software Foundation), or any code which would require the free of charge public distribution of the Software in the Service Systems or TfL's Software which links to the Service Systems.
- 40.8 The Service Provider shall pass on to TfL the benefit of any warranties and indemnities included in the Service Provider's software licence agreements with Third Party Software vendors in relation to the presence, absence, licence terms or functioning of any code of the type described in Clause 40.7 in Software which is used in the Service Systems.

In the event of any inconsistency between the Software IPR Summary Table and the provisions of Clauses 38 to 40 (inclusive), the latter shall prevail (irrespective of whether or not TfL has agreed, Approved or Assured such table).

41. INTELLECTUAL PROPERTY RIGHTS INDEMNITY

- 41.1 The Service Provider warrants and undertakes that:

- 41.3 On receipt of notice of any Claim from TfL, the Service Provider shall provide TfL with relevant Information in respect of such Claim and the Service Provider's initial assessment of the potential impact of the Claim on the Services and the operation of this Agreement ("**Initial Claim Assessment**"). The Service Provider shall regularly (and in any event no less than once per week following the date of the Initial Claim Assessment) report in writing to TfL in respect of developments in respect of each Claim. Such report shall include without limitation any Information in respect of the Claim not previously provided to TfL by the Service Provider and the Service Provider's update to the Initial Claim Assessment.
- 41.4 The Service Provider shall at its own expense conduct any litigation arising from any infringement or other misappropriation or alleged infringement or other misappropriation of a Third Party's Intellectual Property Rights and all negotiations in connection therewith in such a way as to minimise damage to the reputation of TfL. TfL hereby agrees to grant to the Service Provider the exclusive control of any such litigation and such negotiations save that the Service Provider shall consult with TfL (and take due account of matters raised by TfL) at all times in respect of the Service Provider's conduct of any such litigation and save that in the event that the Service Provider refuses or has delayed in any way to solve or participate fully in any Claim or failed to consult with TfL in respect of the Service Provider's conduct of any such litigation (and take due account of matters raised by TfL) or failed to minimise damage to TfL's reputation resulting from a Claim (as required above), TfL may take over the conduct of the Claim by giving written notice to the Service Provider (at the cost and expense of the Service Provider including without limitation in respect of the amount of any settlement or judgment and reasonable legal fees and disbursements).
- 41.5 At the request of the Party that has control of the Claim, the other Party shall afford to it all reasonable assistance for the purpose of contesting any Claim and (in the case of such assistance by TfL) the Service Provider shall repay TfL all costs and expenses incurred by TfL in so doing including, without limitation, full legal costs and disbursements.
- 41.6 Unless permitted by the Service Provider and subject to TfL's rights to take over and conduct any Claim under Clause 41.4, TfL shall not make any admissions which may be prejudicial to the defence or settlement of any Claim.
- 41.7 Without limiting the indemnity in Clause 41.2, if a Claim is made or in the opinion of TfL or the Service Provider is likely to be made, the Service Provider shall at the Service Provider's sole option (provided that the Service Provider shall consult with TfL (and take due account of matters raised by TfL) at all times in respect of the Service Provider's exercise of such option, including without limitation so as to ensure minimal disruption to the provision of the Services and minimal damage to the reputation of TfL), and the Service Provider's own expense:
- 41.7.1 modify any part or all of the Service Materials or Deliverables without reducing the performance and functionality of the same, or substitute alternative items or services of equivalent performance and functionality so as to avoid the infringement or other misappropriation or alleged infringement or other

misappropriation, provided that the terms herein shall apply *mutatis mutandis* to such modified items or services; or

- 41.7.2 procure a licence for TfL to use the item(s) or Services on the same terms as Clause 39.1 (*Licence from Service Provider*).
- 41.8 If the Service Provider has not, within twenty (20) Working Days of a written request by TfL to do so, modified or supplied substitute item(s) or services under Clause 41.7.1 or procured a licence in accordance with Clause 41.7.2, then (without limiting the indemnity in Clause 41.2), TfL may terminate this Agreement by written notice to the Service Provider with immediate effect.
- 41.9 Without limiting the indemnity in Clause 41.2, if a modification or substitution in accordance with Clause 41.7.1 above is not possible so as to avoid the infringement or alleged infringement or the Service Provider has been unable to procure a licence in accordance with Clause 41.7.2 (and TfL has not terminated this Agreement pursuant to Clause 41.8) the Service Provider shall be liable for all unavoidable costs of substitute items or services pursuant to the terms of this Agreement.
- 41.10 TfL will defend and indemnify the Service Provider against any claim that TfL Background IPR used by the Service Provider as permitted by the terms of this Agreement infringes or misappropriates a Third Party's Intellectual Property Rights, except for any item or thing the subject of the indemnity in Clause 41.2, and provided that the Service Provider:
- 41.10.1 notifies TfL in writing within five (5) Working Days of the Service Provider first becoming aware of the claim;
- 41.10.2 permits TfL to conduct the defence of any such claim using legal counsel of TfL's own choosing;
- 41.10.3 provides TfL with all assistance and information as reasonably requested by TfL in connection with the claim;
- 41.10.4 does not make any admission of liability, not settle or conclude any agreement in relation to such liability or make any compromise with any person, body or authority in relation to such liability without the prior written consent of TfL; and
- 41.10.5 consents to any settlement of such claim which TfL deems acceptable.

This Clause 41.10 does not apply to Deliverables created by the Service Provider, or Services provided by the Service Provider, using the TfL Background IPR, as it is at the Service Provider's discretion to choose the manner in which it creates such Deliverables or provides such Services.

55.4 On TfL's express written notice the Service Provider shall promptly dispose of TfL Assets specified in such notice and shall account to TfL for the proceeds.

- 56. **RELIEF EVENTS**
- 56.1 The Service Provider shall, in accordance with this Clause 56, be entitled to claim relief from failure to perform its obligations under this Agreement if, and only to the extent that, the Service Provider can demonstrate to TfL's reasonable satisfaction that:
 - 56.1.1 the failure results from TfL or an Other Service Provider not complying with an express dependency attributed to TfL under this Agreement, the Implementation Plan or a Remedy Plan (as the case may be) (a **"Dependency Failure"**);
 - 56.1.2 it has provided TfL with:
 - (A) advance written notice of the circumstances which led to such Dependency Failure, at the earliest possible time, so as to allow TfL to attempt to prevent that Dependency Failure; or
 - (B) (where the Dependency Failure was not reasonably foreseeable) with prompt written notice of the Dependency Failure to give TfL (where possible) a reasonable opportunity to remedy or to mitigate the impact of the Dependency Failure (such notice in all cases being served at the earliest time reasonably possible and in any event within three (3) Working Days of the Service Provider becoming aware of such Dependency Failure);
 - 56.1.3 it has complied with its obligations under Clause 12, 15 and 20 in respect of the co-ordination with and management of dependencies on TfL and Other Service Providers; and
 - 56.1.4 it has used or will use (as appropriate) all reasonable endeavours to perform its obligations under this Agreement notwithstanding the Dependency Failure and has mitigated (or will mitigate) as far as possible the impact of the Dependency Failure on the provision of the Services,
 (such circumstances being a **"Relief Event"**).
- 56.2 Subject to Clause 56.4, the Service Provider may claim compensation in respect of a Relief Event if, and only to the extent that:
 - 56.2.1 the Service Provider can demonstrate to TfL's reasonable satisfaction that the Dependency Failure caused the Service Provider to incur Incremental Costs in its delivery of the Services;
 - 56.2.2 the Service Provider has provided TfL with written notice of such Incremental Costs as soon as is reasonably possible and in accordance with the following process:
 - (A) concurrently with the notice it issues pursuant to Clause 56.1.2 the Service Provider shall provide TfL with:
 - (1) such details of the Incremental Costs as are reasonably available to the Service Provider as at such date;
 - (2) to the extent that the Service Provider is not able to assess the full extent of the Incremental Costs at such date:
 - (a) a non-binding estimate of when it will be able to assess the full extent of the amount of Incremental Costs;
 - (b) a non-binding estimate of such Incremental Costs (if reasonably practicable);

- (B) the Service Provider shall provide regular written updates to TfL in relation to such Implementation Costs on the same basis as Clause 56.2.2(A) and no less frequently than every two (2) weeks (and at any other time requested by TfL); and
 - (C) final details of such Incremental Costs on or before the date which is five (5) Working Days after the cessation of the relevant Dependency Failure.
- 56.2.3 the Service Provider has taken all reasonable steps to mitigate such Incremental Costs and has consulted with TfL in relation to such steps; and
- 56.2.4 TfL has approved in writing the actual Incremental Costs, (such approved, actual Incremental Costs being the "**Relief Event Costs**" associated with that Relief Event).
- 56.3 If a Relief Event has occurred:
 - 56.3.1 TfL shall give the Service Provider such relief from its obligations under this Agreement, as TfL may (acting reasonably) direct, following consideration of the relief proposed by the Service Provider;
 - 56.3.2 each Party shall act reasonably in relation to the identification, consideration and approval of potential Relief Event Costs identified by the Service Provider pursuant to Clause 56.2;
 - 56.3.3 the Service Provider shall provide TfL with all information reasonably requested by TfL in relation to any claim for Relief Event Costs (including any supporting financial data, management information and evidence of relevant resource utilisation);
 - 56.3.4 TfL shall pay the Relief Event Costs:
 - (A) monthly, in arrears following an invoice for the same submitted by the Service Provider via the Billing Model in accordance with Schedule 7 (*Charging & Operational Pricing*); and
 - (B) to the extent such costs relate to incremental man days' effort by Supplier Personnel, at the relevant Day Rates for such personnel; and
 - 56.3.5 any change to the Implementation Plan shall be considered and implemented in accordance with the Change Control Request Procedure in a manner consistent with the following principles:
 - (A) if the delay to a Milestone is caused by TfL or an Other Service Provider:
 - (1) the Milestone Date for such Milestone shall be changed to such later date as is reasonable and proportionate in the circumstances (with the period between the original date and the revised date being equal to or less than the delay to the relevant dependency being met);
 - (2) if an On-Time Delivery Payment is associated with that Milestone then such On-Time Delivery Payment shall continue to apply to such Milestone in accordance with paragraph 8 of Schedule 3 (*Milestones and Deliverables*); and
 - (3) if the Milestone has not been Accepted within the two (2) months following the original Milestone Date (i.e. the relevant date for that Milestone in the Implementation Plan prior to its amendment pursuant to this Clause 56.3.5) and such delay was not caused by the Service Provider, then TfL will (acting reasonably) determine and pay a partial payment of the Milestone Payment which reflects the Service Provider's work in relation to such the Milestone as at such date (and the remainder of the Milestone Payment shall be payable by TfL in accordance with Clause 24 when the Milestone is Accepted).

- (B) if the delay to a Milestone is caused by the Service Provider and the Milestone Date for such Milestone is changed to a later date, any On-Time Delivery Payment previously associated with that Milestone shall cease to be available (unless TfL exercises its discretion under paragraph 8.2 of Schedule 3 (*Milestones and Deliverables*) to make some or all of such payment available).
- 56.4 Any change to the Services or the Service Systems following a Relief Event shall be considered and implemented as a Change in accordance with the Change Control Request Procedure and accordingly the Service Provider shall not be entitled to receive Relief Event Costs in respect of such Change (as instead the Service Provider will, to the extent determined pursuant to the Change Control Request Procedure, receive Service Charges and/or One-off Charges in relation thereto).
- 56.5 If the Parties disagree as to the application of this Clause 56, the Parties shall resolve such disagreement in accordance with the Dispute Resolution Procedure.
- 56.6 For the purpose of this Clause 56, the Service Provider's **"Incremental Costs"** in relation to a Relief Event are the Service Provider's costs which:
 - 56.6.1 are caused by the Relief Event; and
 - 56.6.2 exclude:
 - (A) any costs or expenses which have already been taken into account in the calculation of the Service Charges;
 - (B) any costs or expenses which relate to activities which were already within the scope of the Service Provider's activities pursuant to this Agreement prior to such Dependency Failure (including activities which were taken into account in the Implementation Plan), irrespective of whether such costs had in fact been incurred by the Service Provider prior to such Dependency Failure;
 - (C) any costs which can reasonably be avoided by the Service Provider using its then-current resources covered by the existing Service Charges during Working Hours;
 - (D) any costs or expenses which are not reasonably and properly incurred by the Service Provider;
 - (E) any costs or expenses which relate to the Service Provider's compliance with its obligations under Clauses 12, 15 and 20 in respect of the co-ordination with and management of dependencies on TfL and Other Service Providers;
 - (F) any costs or expenses to the extent that they are increased due to the Service Provider's failure to comply with its obligations under this Agreement, including its obligations under Clauses 12, 15 and 20;
 - (G) any contingent costs or expenses (i.e. costs or expenses that may or may not be incurred by the Service Provider depending on a future event), until such cost or expense ceases to be contingent (i.e. is actually incurred);
 - (H) any loss of use, loss of contract, loss of goodwill and/or any indirect or consequential loss; and
 - (I) without prejudice to Clause 56.3.4(B), any loss of profit or loss of revenue (save that TfL acknowledges that fees or charges paid by the Service Provider to a Third Party pursuant to an existing contract between such parties may include the Third Party's normal margin in accordance with such contract),

provided that the total Incremental Costs for a Relief Event shall be reduced by any amounts described in Clause 56.7.

- 56.7 The total Incremental Costs for a Relief Event shall be reduced by:
- 56.7.1 any savings made by the Service Provider as a result of the Relief Event;
 - 56.7.2 any compensation received by the Service Provider from any other person pursuant to the occurrence of the Relief Event; and
 - 56.7.3 any insurance proceeds received by the Service Provider attributable to the occurrence of the Relief Event.
57. **FORCE MAJEURE**
- 57.1 Subject to Clause 57.3, neither Party shall be deemed to be in breach of this Agreement or otherwise liable to the other as a result of any delay or failure in the performance of its obligations under this Agreement if and to the extent that such delay or failure is due to the occurrence of a Force Majeure Event.
- 57.2 If the Service Provider alone is affected by the Force Majeure Event, TfL shall be relieved from any obligation to make payments to be provided under this Agreement to the Service Provider for so long as the same continues, except in respect of Services which have been actually supplied.
- 57.3 The Service Provider shall not be entitled to rely on Clause 57.1 if and to the extent that the Service Provider has failed to comply with the Business Continuity Plan.
- 57.4 A Party whose performance of its obligations under this Agreement is delayed or prevented by a Force Majeure Event:
- 57.4.1 shall forthwith notify the other Party of the nature, extent, effect and likely duration of the circumstances constituting the Force Majeure Event. As soon as possible following such notification, the Parties shall consult with each other in good faith and use all reasonable endeavours to agree appropriate terms to mitigate the effect of the Force Majeure Event and facilitate the continued performance of the Agreement;
 - 57.4.2 shall use all reasonable endeavours in accordance with Good Industry Practice to minimise the effect of the Force Majeure Event on its performance of its obligations under this Agreement including:
 - (A) compliance with the Business Continuity Plan (in the case of the Service Provider); and
 - (B) the making of any alternative arrangements for resuming the performance of its obligations which may be practicable without incurring material additional expense; and
 - 57.4.3 shall forthwith after the cessation of the Force Majeure Event, notify the other Party thereof and resume full performance of its obligations under this Agreement.
- 57.5 If a Force Majeure Event occurs before the Operational Commencement Date and if the Service Provider has complied with its foregoing obligations under this Clause 57, then subject to Clause 57.6, the Planned Operational Commencement Date shall be postponed by such time as shall be reasonable for such a Force Majeure Event, taking into account the likely effect of delay.
- 57.6 If, on the expiry of ten (10) Working Days after the occurrence of a Force Majeure Event where the Service Provider is the affected Party, the Force Majeure Event is continuing and has a material adverse effect on the Service Provider's performance of all or substantially all of the Services then, for as long as such Force Majeure Event continues and has that effect, TfL may terminate this Agreement in its entirety or may Partially Terminate in accordance with Clause 61 (*Termination*).
- 57.7 If:
- 57.7.1 on the expiry of six (6) months after the occurrence of a Force Majeure Event where TfL is the affected Party and the Force Majeure Event is such that it

prevents TfL from making payments to the Service Provider under this Agreement; or

57.7.2 TfL has been relieved from making payments to the Service Provider pursuant to Clause 57.2 for a period in excess of eight (8) months,

the Service Provider may terminate this Agreement in its entirety.

58. REMEDY PLANS

58.1 If:

58.1.1 a Milestone has not been Accepted on or before the relevant Milestone Date;

(each, a **"Service Provider Failure"**),

the Service Provider shall, if requested by TfL and without prejudice to any other rights or remedies of TfL under this Agreement or at law, forthwith (and in any event within five (5) Working Days of such failure) deliver to TfL's Contract Manager, for Approval by TfL, a plan to remedy such Service Provider Failure which complies with Clause 58.2 (a **"Remedy Plan"**).

58.2 The Service Provider shall ensure that each Remedy Plan specifies:

58.2.1 the relevant Service Provider Failure and the steps the Service Provider will take to address such Service Provider Failure;

58.2.2 the reasons for the relevant Service Provider Failure;

58.2.3 a date by which the relevant Service Provider Failure is to be rectified;

(C) a workaround for the Incident or Defect (as the case may be), together with a plan for the withdrawal of such workaround;

(D) the planned date for correction of the Incident or Defect (as the case may be) (and any associated Testing);

58.2.7 any proposed Changes which the Service Provider considers necessary to remedy the relevant Service Failure(s);

 - 58.3.2 implement and comply with the Approved Remedy Plan;
 - 58.3.3 comply with TfL's reasonable instructions in connection with the Approved Remedy Plan.
- 58.4 The Service Provider shall use its reasonable endeavours to accelerate preparation of the Remedy Plan at the TfL's request if TfL considers that the consequences of the relevant Service Provider Failure are sufficiently detrimental to warrant such acceleration.
- 58.5 The preparation and implementation of Remedy Plans shall be a standing agenda item in meetings of the Strategic Review Group.
59. **ENHANCED CO-OPERATION**
- 59.1 If a Service Provider Failure:
- 59.1.1 is not resolved; or
 - 59.1.2 in TfL's reasonable opinion is unlikely to be resolved,
- by the Service Provider's implementation of a Remedy Plan (such circumstances being an **"Enhanced Co-operation Event"**) then the Service Provider shall, as directed by TfL and at no additional cost to TfL:

 - 59.1.8 report to TfL on its implementation of the Remedy Plan;
 - 59.1.9 make any changes to the Remedy Plan which the TfL considers are necessary to remedy the Enhanced Cooperation Event,
- (TfL's rights under this Clause 59.1 being its **"Enhanced Co-operation Rights"** in relation to such Enhanced Co-operation Event).
- 59.2 For the avoidance of doubt, TfL may exercise its Enhanced Co-operation Rights pursuant to Clause 59.1.2 prior to the completion of the relevant Remedy Plan (if in its opinion the Service Failure is unlikely to be remedied by the Service Provider's activities under the Remedy Plan).
- 59.3 The Service Provider shall consult and cooperate with any third party nominated by TfL in relation to the exercise of its Enhanced Cooperation Rights.
- 59.4 The Service Provider shall indemnify TfL for all reasonable incremental costs, liability and expenses incurred by TfL in relation to the resolution of an Enhanced Co-operation Event, including any amounts paid or payable by TfL to the third parties it engages in relation thereto.

- 59.5 TfL shall cease exercising its Enhanced Cooperation Rights upon the resolution of the Enhanced Cooperation Event (or at such earlier time as TfL notifies to the Service Provider in writing). Notwithstanding such cessation, the Service Provider shall continue to implement any Remedy Plan which is still in effect on such date.
- 59.6 TfL's exercise of its Enhanced Co-operation Rights shall not prejudice the Service Provider's obligation to satisfactorily and expeditiously resolve any Service Provider Failure.
- 59.7 TfL's exercise of its Enhanced Co-operation Rights shall not prejudice the Service Provider's ability to recover Relief Event Costs in accordance with Clause 56 in relation to a Relief Event associated with an Enhanced Co-operation Event.

60. **STEP-IN**

- 60.1 Without prejudice to any other right or remedy of TfL under this Agreement, if TfL (acting reasonably) considers that:

 - 60.1.9 TfL needs to do so in order to discharge any part of its statutory duties;
 - 60.1.10 there is a Force Majeure Event which affects the Services; and/or
 - 60.1.11 there is a Change in Law which renders performance of a material part of the Service Provider's obligations under this Agreement illegal,

 - 60.1.13 the action TfL intends to take and the reason for such action;

 - 60.1.15 the time period which it believes will be reasonably necessary for such action.
- 60.2 At any time after TfL has issued a Step-In Notice, TfL may, for such period as TfL deems necessary, itself take such action, or appoint one or more Third Parties to take such action (and any consequential additional action as it believes necessary) as TfL considers appropriate (each, a "**Step-In Action**"). Without limitation to the generality of the foregoing, a Step-in Action may (subject to Clause 60.20) include:
 - 60.2.1 taking over any or all or any part of the Services as specified in the Step-In Notice. If and to the extent that TfL expressly in the Step-In Notice confirms that it is taking over such Services, the obligation of the Service Provider to provide such Services shall be suspended as specified in the Step-In Notice. The

 - 60.2.4 using and accessing any Service Provider Assets or Third Party Assets for which the Service Provider or its Sub-Contractors are able to grant rights to use (including, without limitation, Third Party Software), and to use, test, operate and do all such things as may be required by TfL in respect of those Assets. The Service Provider hereby grants to TfL and any Third Party engaged by TfL (and shall procure that its Sub-Contractors shall grant) such rights as are necessary for TfL or any Third Party to exercise its rights under this Clause 60; and/or
 - 60.2.5 doing all other things that TfL deems necessary for the purposes of taking such Step-In Action ("**Arrangements**") and, unless and until a Step-Out Notice is served on the Service Provider by TfL, the Service Provider shall not do, permit to be done, omit to do or permit not to be done, anything which will or may terminate or breach the terms of such Arrangements.
- 60.3 If TfL wishes to engage the services of any Third Party to assist it in the performance of the Step-in Action, TfL shall notify the Service Provider of such Third Party. If such Third Party is to be granted access to any Confidential Information of the Service Provider, TfL shall procure that the Third Party enters into a confidentiality agreement in favour of the Service Provider prior to being engaged in any Step-in Action.
- 60.4 A Step-In Notice may be served and Step-In Action taken by TfL at any time, whether before, during or after the service of a notice of termination or a Partial Termination Notice pursuant to this Agreement.
- 60.5 The Service Provider shall co-operate fully with TfL in relation to any Step-in Action and shall provide all requested assistance for the purposes of or relating to the Step-In Action including:
- 60.5.1 providing access to or copies of Data and such other financial, operational, management or other information as requested by TfL relevant to the provision of the Services; and
 - 60.5.2 procuring the prompt assistance and availability of all relevant Service Provider Personnel.
- 60.6 In relation to each Step-In Action (save for a Step-in Action taken pursuant to Clauses 60.1.1, 60.1.9, 60.1.10 or 60.1.11) the Service Provider shall indemnify TfL for all expense, cost, liability, loss, damage, actions, demands, claims or proceedings (including all legal fees and expenses on a full indemnity basis) which TfL incurs or suffers in relation to such Step-In Action (including reasonably allocated overheads and other internal costs and all advisers and legal fees).
- 60.7 In relation to each Step-In Action taken pursuant to Clauses 60.1.1, 60.1.9, 60.1.10 or 60.1.11, TfL shall meet its own costs of taking the Step-In Action and shall reimburse the Service Provider for all reasonable costs incurred by the Service Provider in assisting TfL in relation such Step-In Action (provided that the Service Provider has provided and continues to provide TfL with its full co-operation and assistance pursuant to Clause 60.5). Such reimbursement amounts shall be included in the Service Provider's monthly Invoice, with each item requiring reimbursement separately identified. TfL shall otherwise have no liability whatsoever to the Service Provider or any Sub-Contractor as a result of any such Step-In Action provided that it uses reasonable skill and care when conducting such Step-In Action (taking into account the circumstances of the Step-In Action).

- 60.8 For so long as the Step-in Action is taken and the Service Provider complies with Clause 60.5, the Service Provider shall continue to be paid the Service Charges, against which the following shall be set-off:
- 60.8.1 an amount corresponding to the mean level of the Service Failure Deductions which were payable in the three (3) months prior to the Step-In Action being taken;
 - 60.8.2 all other deductions which TfL is entitled to make from such Charges under this Agreement; and
 - 60.8.3 all costs and expenses due in accordance with Clause 60.6 (if applicable).
- 60.9 If and to the extent that the aggregate deductions referred to in Clauses 60.8.1, exceed the aggregate amount of Service Charges (and any sums payable under Clause 60.7 which are due), the Service Provider shall promptly upon demand pay to TfL a sum equal to the difference.
- 60.10 Neither TfL nor any Third Party engaged by TfL in accordance with this Clause 60 shall have any liability to the Service Provider for any damage which is caused by the Service Provider's action or inaction prior to the date specified in TfL's Step-In Notice for commencement of Step-In Action.
- 60.11 Without prejudice to TfL's right to exercise its Step-In Rights and/or its continuing right to remain stepped-in once Step-In Action has been taken:
- 60.11.1 the Service Provider shall, if requested to do so in the Step-In Notice or as notified to the Service Provider by TfL from time to time during the period of Step-In Action, promptly develop and put forward to TfL proposals demonstrating that the Service Provider is and will continue to be capable of providing the Services in respect of which Step-In Action has been, or may be, taken together with what steps, if any, the Service Provider proposes taking;
 - 60.11.2 upon receipt of the Service Provider's proposals, TfL may, if TfL in its sole discretion deems it appropriate, subject to such conditions as TfL deems appropriate and in any event without prejudice to TfL's rights under this Clause 60, permit the Service Provider to continue to perform or recommence, as appropriate, performance of all or part of the Services in respect of which the Step-In Action has been taken;
 - 60.11.3 any permission given under Clause 60.11.2 shall be set out in a notice to the Service Provider (a "**Step-Out Notice**") informing the Service Provider that from the date specified in such Step-Out Notice, the Service Provider shall continue to perform or recommence performance, as appropriate, of all or part of the Services in respect of which the Step-In Rights were exercised and TfL will withdraw its own personnel (and any personnel of Third Parties appointed by TfL as referred to in Clause 60.2) from such parts of the Services as the Service Provider is to recommence performance. The Service Provider shall resume full performance of and responsibility for the provision of such parts of the Services from the date specified in the Step-Out Notice;
- 60.12 Notwithstanding the foregoing, TfL may, at its sole discretion, decide at any time that it is inappropriate for TfL to continue with its Step-In Action or that the grounds for the exercise of its rights under Clause 60.2 no longer exist in respect of all or any part of the suspended Services and may serve a Step-Out Notice specifying:
- 60.12.1 the parts of the Services in respect of which the Service Provider is to resume full performance; and
 - 60.12.2 the date on which the Service Provider's provision of and responsibility for such Services is to resume.
- 60.13 TfL may issue more than one Step-Out Notice in relation to Services affected by a single Step-In Notice and TfL may require the Service Provider to recommence the provision of suspended Services in their entirety, partially or gradually.

- 60.14 The Service Provider shall comply fully with the terms of any Step-Out Notice.
- 60.15 Without prejudice to any other rights Tfl may have to terminate this Agreement, Tfl shall be entitled in its sole discretion to terminate this Agreement:
 - 60.15.1 in the event that Tfl exercises its Step-In Rights for a continuous period of three (3) months or more; and/or
 - 60.15.2 once the total of all periods during which Tfl exercises its rights equals or exceeds twelve (12) months in aggregate.
- 60.16 References (however worded) in this Clause 60 to any steps or action being taken by Tfl under this Clause 60 are references to such steps or action being taken either by Tfl itself or by persons engaged by Tfl for that purpose.
- 60.17 The issuing of a Step-In Notice and taking of Step-In Action by Tfl:
 - 60.17.1 shall not give the Service Provider the right to terminate this Agreement; and
 - 60.17.2 shall be without prejudice to Tfl's right to terminate this Agreement or to Partially Terminate in accordance with Clause 61 (*Termination*), whether the event permitting Tfl to do so arose before, on or after the date of the Step-In Notice.
- 60.18 Tfl shall not be liable for any cost, loss, damage or claim suffered or incurred by the Service Provider or any Sub-Contractor arising from any deterioration in any elements of the Assets and the Services operated by it whilst taking the Step-in Action provided that Tfl shall operate such Assets and Services in a reasonable manner (taking into account the circumstances of the Step-In Action).
- 60.19 Tfl shall use reasonable endeavours not to disturb or adversely affect the provision of the Services more than is required for the purposes of the Step-in Action.
- 60.20 Tfl acknowledges and agrees that, in relation to the Cloud Assets and Cloud Premises, the Step-In Action may include a requirement on the Service Provider to act on the instructions of Tfl provided that such instructions shall not cause the Service Provider to breach the Cloud Agreement (subject to Capita reasonably demonstrating that such instruction would breach the Cloud Agreement), but shall not require any direct access to or use by Tfl (or by any Third Party on behalf of Tfl) of any such Cloud Assets or Cloud Premises.

62.8.3 direct that the Service Provider shall, as soon as may be practicable after the receipt of such notice:

- (A) take such steps as will ensure that the Services (or relevant part of the Services, in the event of Partial Termination) being provided by the Service Provider are reduced as rapidly as possible; and/or
