- in relation to the obligations which gave rise to the Enhanced Monitoring.
- F3.4 Any such notice to the Service Provider (as referred to in clause F3.2) shall specify in reasonable detail the additional measures to be taken by the Authority or by the Service Provider (as the case may be) in monitoring or reporting on the performance of the Service Provider.
- F3.5 The Service Provider shall notify the Authority within five (5) Working Days of receipt of the notice referred to in clause F3.2 of any measures specified in such notice that the Service Provider (acting reasonably) believes are excessive or may prejudice the

Service Provider's performance of its obligations under the Contract, together with such alternative measures that the Service Provider may propose.

- F3.6 The Service Provider shall bear its own costs and shall reimburse the Authority in respect of any additional costs that are directly incurred by the Authority in the taking of any action under this clause F3.

F4 Step-in

- F4.1 The occurrence of any of the following during the Contract Period shall in each case be a "**Step-in Trigger**":

- (a) one of the circumstances set out in clause H2 (Termination on Default) has occurred (regardless of whether the Authority's right to terminate in connection with the same are subject to compliance with the Rectification Plan Process, service of a notice or any other condition);
- (b) the circumstances are considered by the Authority, acting reasonably, to constitute an emergency;
- (c) the Authority being advised by a Regulatory Body that the exercise by the Authority of its rights under this clause F4 is necessary or required;
- (d) the existence of a serious risk to the health or safety of persons, property or the environment in connection with the Services;
- (e) a need by the Authority to take action to discharge a statutory duty;
- (f) a Rectification Plan Failure occurs; and/or
- (g) the Authority has given notice to invoke Enhanced Monitoring pursuant to clause F3.2 and the circumstances giving rise to the Enhanced Scrutiny Trigger continue to apply six (6) Months after the giving of such notice.

- F4.2 On the occurrence of a Step-In Trigger, the Authority may serve notice on the Service Provider (a "**Step-In Notice**") that it will be taking action under this clause F4, either itself or with the assistance (either fully or partially) of any third party (provided that the Service Provider may require any third parties to comply with a confidentiality undertaking equivalent to clause E4). For the avoidance of doubt, where the Service Provider is a Primary Service Provider the Authority may use the Secondary Service Provider to discharge its obligations (either fully or partially) under this clause F4. The Step-In Notice shall set out the following:

- (a) the action the Authority wishes to take and in particular the Services (or part thereof) that it wishes to control (the "**Required Action**");
- (b) the Step-In Trigger that has occurred and whether the Authority believes that the Required Action is due to a Default by the Service Provider;
- (c) the date on which it wishes to commence the Required Action;
- (d) the time period which it believes will be necessary for the Required Action;
- (e) whether the Authority will require access to any Premises of the Service Provider; and
- (f) to the extent practicable, the impact that the Authority anticipates the Required Action will have on the Service Provider's obligations to provide the Services during the period that the Required Action is being taken.

- F4.3 Following service of a Step-In Notice, the Authority shall:
- (a) take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;
 - (b) keep records of the Required Action taken and provide information about the Required Action to the Service Provider;
 - (c) co-operate wherever reasonable with the Service Provider in order to enable the Service Provider to continue to provide the Services in relation to which the Authority is not assuming control; and
 - (d) act reasonably in mitigating the cost that the Service Provider will incur as a result of the exercise of the Authority's rights under this clause F4.
- F4.4 For so long as and to the extent that the Required Action is continuing, then:
- (a) the Service Provider shall not be obliged to provide the Services to the extent that they are the subject of the Required Action;
 - (b) the Authority shall pay to the Service Provider the Price after subtracting the Authority's costs of taking the Required Action; and
 - (c) without prejudice to its rights under clause C2 (Recovery of Sums Due), the Authority may charge the Service Provider for any costs reasonably incurred and any reasonable administration costs in respect of the Required Action to the extent that such costs exceed the payment which would otherwise have been payable to the Service Provider for delivery of such part of the Services.
- F4.5 If the Service Provider demonstrates to the reasonable satisfaction of the Authority that the Required Action has resulted in the degradation of any Services not subject to the Required Action beyond that which would have been the case had the Authority not taken the Required Action, then the Service Provider shall be entitled to an agreed adjustment of the Price.
- F4.6 Before ceasing to exercise its step in rights under this clause F4 the Authority shall deliver a written notice to the Service Provider (a "**Step-Out Notice**"), specifying:
- (a) the Required Action it has actually taken; and
 - (b) the date on which the Authority plans to end the Required Action (the "**Step-Out Date**") subject to the Authority being satisfied with the Service Provider's ability to resume the provision of the Services and the Service Provider's plan developed in accordance with clause F4.7.
- F4.7 The Service Provider shall, following receipt of a Step-Out Notice and not less than 20 Working Days prior to the Step-Out Date, develop for the Authority's Approval a draft plan (a "**Step-Out Plan**") relating to the resumption by the Service Provider of the Services, including any action the Service Provider proposes to take to ensure that the affected Services satisfy the requirements of the Contract.
- F4.8 If the Authority does not approve the draft Step-Out Plan, the Authority shall inform the Service Provider of its reasons for not approving it. The Service Provider shall then revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Authority for the Authority's Approval. The Authority shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.

F4.9 The Service Provider shall bear its own costs in connection with any step-in by the Authority under this clause F4, provided that the Authority shall reimburse the Service Provider's reasonable and proven additional expenses incurred directly as a result of any step-in action taken by the Authority under clause F4.1(b), F4.1(d) or (e) insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Service Provider's Default.

F5 Material Breach

F5.1 If the Authority reasonably believes the Service Provider has committed a Material Breach it may:

- (a) without terminating the whole of the Contract, terminate or suspend the Contract in respect of part of the Services only (whereupon a corresponding reduction in the Price shall be made) and thereafter itself supply or procure a third party to supply such part of the Services;
- (b) withhold or reduce payments to the Service Provider in such amount as the Authority reasonably deems appropriate in each particular case;
- (c) exercise its rights to require a Rectification Plan pursuant to clause F2.2; and/or
- (d) terminate the Contract in accordance with clause H2 (Termination on Default).

F6 Transfer by the Authority

F6.1 Subject to clause F6.2, the Authority may assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof to:

- (b) any other body established or authorised by the Crown or under statute in order substantially to perform any of the functions that had previously been performed by the Authority; or
- (c) any private sector body which substantially performs the functions of the Authority,

provided that any such assignment, novation or other disposal shall not materially increase the burden of the Service Provider's obligations under the Contract.

F6.2 Any change in the legal status of the Authority such that it ceases to be a Contracting Authority shall not, subject to clause F6.3, affect the validity of the Contract and the Contract shall bind and inure to the benefit of any successor body to the Authority.

F6.3 If the rights and obligations under the Contract are assigned, novated or otherwise disposed of pursuant to clause F6.1 to a body which is not a Contracting Authority or if there is a change in the legal status of the Authority such that it ceases to be a Contracting Authority (in clauses F6.3 and F6.4 both such bodies being referred to as the "**Transferee**");

- (a) the rights of termination of the Authority in clause H1 shall be available to the Service Provider in respect of the Transferee; and
- (b) the Transferee shall only be able to assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof with the prior consent in writing of the Service Provider (such consent not to be unreasonably withheld).

F6.4 The Authority may disclose to any Transferee any Confidential Information of the Service Provider which relates to the performance of the Service Provider's obligations under the Contract. In such circumstances the Authority shall authorise the Transferee to use such Confidential Information only for purposes relating to the receipt of the Services and the discharge of the Transferee's obligations under the Contract and for no other purpose and shall take all reasonable steps to ensure that the Transferee gives a confidentiality undertaking in relation to such Confidential Information.

F6.5 Each Party shall at its own cost and expense carry out, or use all reasonable endeavours to ensure the carrying out of, whatever further actions (including the execution of further documents) the other Party reasonably requires from time to time for the purpose of giving that other Party the full benefit of the provisions of the Contract.

F7 Transfer by the Service Provider

F7.1 Except where both clauses F7.2 and F7.3 apply, the Service Provider shall not transfer, charge, assign, sub-contract or in any other way dispose of the Contract or any part of it without Approval. Sub-contracting any part of the Contract shall not relieve the Service Provider of any of its obligations or duties under the Contract.

F7.2 Notwithstanding clause F7.1, the Service Provider may assign to a third party (the "**Assignee**") the right to receive payment of the Price or any part thereof due to the Service Provider (including any interest which the Authority incurs under paragraph 9.10 of Schedule 4 (Pricing and Performance)). Any assignment under this clause F7.2 shall be subject to:

- (a) reduction of any sums in respect of which the Authority exercises its right of recovery under clause C2 (Recovery of Sums Due);
- (b) all related rights of the Authority under the Contract in relation to the recovery of sums due but unpaid; and
- (c) the Authority receiving notification under both clauses F7.3 and F7.4.

F7.3 If the Service Provider assigns the right to receive the Price under clause F7.2, the Service Provider or the Assignee shall notify the Authority in writing of the assignment and the date upon which the assignment becomes effective.

F7.4 The Service Provider shall ensure that the Assignee notifies the Authority of the Assignee's contact information and bank account details to which the Authority shall make payment.

F7.5 The provisions of paragraph 9 of Schedule 4 (Pricing and Performance) shall continue to apply in all other respects after an assignment under clause F7.2 and shall not be amended without Approval.

- F9.5 If the Authority issues the Variation Request, the Service Provider shall (i) with two Working Days provide the Authority with the estimated costs of producing an Impact Assessment and (ii) (if the Authority approves the cost estimate) as soon as

- F9.12 A CCN takes effect on the date on which both Parties communicate acceptance of the CCN via Bravo and, on the date it communicates its acceptance of the CCN in this way, the Service Provider shall be deemed to warrant and represent that the CCN has been executed by a duly authorised representative of the Service Provider in addition to the warranties and representations set out in clause G3.

- F9.15 The reasonable and demonstrable costs incurred by the Service Provider in undertaking an Impact Assessment shall be borne by the Party making the Variation Request, provided that the Services Provider shall use reasonable endeavours to minimise its costs and the Authority shall not be required to pay any such costs if (i) the Service Provider is able (acting reasonably and in good faith) to undertake the Impact Assessment by using resources already deployed in the provision of the Services and/or (ii) such costs exceed the estimated costs for producing the Impact Assessment as communicated by the Service Provider to the Authority pursuant to clause F9.5.

- G1.9 Notwithstanding clause G1.10 but subject to clause G1.5, the Authority may, amongst other things, recover from the Service Provider the following Losses incurred by the Authority to the extent they arise as a result of a Default by the Service Provider:
- (a) any additional operational and/or administrative costs and expenses incurred by the Authority, including costs relating to time spent by or on behalf of the Authority in dealing with the consequences of the Default;
 - (b) any wasted expenditure or charges;
 - (c) the additional costs of procuring a Replacement Service Provider for the remainder of the Contract Period and or replacement deliverables which shall include any incremental costs associated with the Replacement Service Provider and/or replacement deliverables above those which would have been payable under the Contract;

- (a) loss of profits, turnover, business opportunities or damage to goodwill (in each case whether direct or indirect); or
 - (b) indirect, special or consequential loss.
- G1.11 Subject to clause G1.1, the Authority shall not be liable for any costs and/or expenses incurred by the Service Provider in relation to any Warrant or Order in the event that such Warrant or Order is withdrawn by the Authority prior to the completion of its execution by the Service Provider.
- G1.12 Each Party shall use all reasonable endeavours to mitigate any loss or damage suffered arising out of or in connection with this Contract, including any Losses for which the relevant Party is entitled to bring a claim against the other Party pursuant to the indemnities in this Contract.
- G1.13 Subject to clause G1.12, any amounts properly due from one Party to the other Party in respect of an indemnity set out in this Contract shall be deemed to be, and shall be recoverable as, a debt.

The Service Provider shall ensure that each of the Required Insurances is effective not later than the date on which the relevant risk commences.
- G2.2 The Required Insurances shall be taken out and maintained with insurers who (in the reasonable opinion of the Authority) are of good financial standing and of good repute in the United Kingdom insurance market.
- G2.3 The Service Provider shall ensure in respect of the public and products liability and employer's liability insurances that the policies of insurance shall contain an indemnity to principals clause (or additional insureds equivalent) under which the Authority shall be indemnified in respect of claims, made against the Authority arising from death or bodily injury or property damage and for which the Service Provider is legally liable in respect of this Contract.
- G2.4 Without limiting the other provisions of this Contract, the Service Provider shall:

Receipt of such evidence by the Authority shall not in itself constitute acceptance by the Authority or relieve the Service Provider of its liabilities and obligations under this Contract.
- G2.7 The Authority may elect (but shall not be obliged), where notice has been provided to the Service Provider, to purchase any insurance which the Service Provider is required to maintain pursuant to this Contract but has failed to maintain in full force and effect, and the Authority shall be entitled to recover the premium and other reasonable costs incurred in connection therewith as a debt due from the Service Provider.

- G2.9 The Service Provider shall promptly notify to insurers any matter arising from, or in relation to, this Contract for which it may be entitled to claim under any of the Required

Insurances. In the event that the Authority receives a claim relating to this Contract, the Service Provider shall cooperate with the Authority and assist it in dealing with such claims including providing information and documentation in a timely manner.

- G2.10 Except where the Authority is the claimant party, the Service Provider shall give the Authority notice within twenty (20) days after any insurance claim relating to this Contract or any of the Required Insurances or which, but for the application of the applicable policy excess, would be made on any of the Required Insurances and (if required by the Authority) full details of the incident giving rise to the claim.
- G2.11 Where any Required Insurances requires payment of a premium, the Service Provider shall be liable for such premium.
- G2.12 Where any Required Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Service Provider shall not be entitled to recover from the Authority any sum paid by way of excess or deductible under such Required Insurance.
- G2.13 The Service Provider shall discharge all its obligations under the Insurance Act 2015 when placing, renewing, amending or maintaining any insurances required by this Contract including complying with the duty of fair presentation to insurers and taking the actions needed to protect the Authority's separate interests.

G4.2 If at any time the Service Provider becomes aware that a representation or warranty given by it under clause G4.1 has been breached, is untrue or is misleading, it shall immediately notify the Authority of the relevant occurrence in sufficient detail to enable the Authority to make an accurate assessment of the situation.

G4.3 The Service Provider confirms that in entering into the Contract it is not relying on any statements, warranties or representations given or made (whether negligently or innocently or whether express or implied), or any acts or omissions by or on behalf of the Authority in connection with the subject matter of the Contract except those expressly set out in the Contract and the Service Provider hereby waives and releases the Authority in respect thereof absolutely.

Where the Service Provider holds insurance (and/or is obliged to take out insurance pursuant to this Contract), the Authority shall only indemnify the Service Provider for those unavoidable direct costs that are not covered by the insurance available (or wouldn't be covered if the Required Insurances had been taken out by the Service Provider). The Service Provider shall submit a fully itemised and costed list, with supporting evidence, of any unavoidable direct losses reasonably and actually incurred by the Service Provider as a result of termination under clause H3.1, which it is seeking to recover from the Authority.
- H7.4 The Authority shall not be liable under clause H7.3 to pay any sum which:
- (a) is claimable under insurance held by the Service Provider, and the Service Provider has failed to make a claim on its insurance, or has failed to make a claim in accordance with the procedural requirements of the insurance policy;
 - (b) should have been claimable under any Required Insurances that the Service Provider has failed to take out in accordance with this Contract;

H7.5 Save as otherwise expressly provided in this clause H7, the Authority shall have no liability to make further payments and/or compensation to the Service Provider as a result of the exercise of any right of termination by the Authority, other than for Services supplied by the Service Provider prior to termination and in accordance with the Contract but where the payment has yet to be made by the Authority.

H7.6 Save as otherwise expressly provided in the Contract:

- (a) termination or expiry of the Contract shall be without prejudice to any rights, remedies or obligations accrued under the Contract prior to termination or expiration and nothing in the Contract shall prejudice the right of either Party to recover any amount outstanding at such termination or expiry; and
- (b) termination of the Contract shall not affect the continuing rights, remedies or obligations of the Authority or the Service Provider under clauses A1 (Definitions and Interpretation), C1 (Payment and VAT), C2 (Recovery of Sums Due), C4 (Tax Compliance), D1 (Prevention of Fraud and Bribery), E2 (Data Protection), E3 (Official Secrets Acts and Finance Act), E4 (Confidential Information), E5 (Freedom of Information), E8 (Intellectual Property Rights), E9 (Audit), G1 (Liability and Indemnities), G2 (Insurance), H7 (Consequences of Expiry or Termination), H9 (Recovery upon Termination), H11 (Exit Management), I5 (Rights of Third Parties), I6 (Remedies Cumulative), I8 (Severability), I9 (Entire Agreement) and I12 (Governing Law and Jurisdiction), and the provisions of Schedules 4 (Pricing and Performance), 9 (Data Protection), 12 (Governance) and 13 (Staff Transfer).

H8.3 If there is industrial action by Staff, the Service Provider shall seek Approval for its proposals to continue to perform its obligations under the Contract.

H8.4 If the Service Provider's proposals referred to in clause H8.3 are considered insufficient or unacceptable by the Authority acting reasonably, the Contract may be terminated with immediate effect by the Authority.

H8.5 If the Service Provider is unable to deliver the Services owing to disruption of the Authority's normal business, the Service Provider may request a reasonable allowance of time, and, in addition, the Authority will reimburse any additional expense reasonably incurred by the Service Provider as a direct result of such disruption.

H9 **Recovery upon Termination**

H9.1 On termination (including any partial termination(s)) or expiry of the Contract for any reason, the Service Provider shall, at its cost:

- (a) cease to use the Authority Data;
- (b) immediately return to the Authority all Authority Data, Confidential Information of the Authority, subject to paragraph 2.8 of Schedule 9 (Data Protection) Personal Data, and IP Materials in its possession or in the possession or under

the control of any permitted suppliers or Sub-Contractors, which was obtained or produced in the course of providing the Services;

- (g) promptly provide all information concerning the provision of the Services which may reasonably be requested by the Authority for the purposes of adequately understanding the manner in which the Services have been provided and/or for the purpose of allowing the Authority and/or the Replacement Service Provider to conduct due diligence.

H9.2 Except where the Contract provides otherwise, all licences and authorisations granted by the Authority to the Service Provider in relation to the Services (including any licences to use the Authority Premises) shall be terminated with effect from the end of the Contract Period.

H9.3 If the Service Provider does not comply with clauses H9.1(a) and H9.1(c), the Authority may recover possession thereof and the Service Provider grants a licence to the Authority and its appointed agents to enter (for the purposes of such recovery) any premises of the Service Provider or its suppliers or Sub-Contractors where any such items may be held.

H10 **Retendering and Handover**

H10.1 Within 21 days of being requested by the Authority, the Service Provider shall provide, and thereafter keep updated, in a fully indexed and catalogued format, all the information necessary to enable the Authority to issue tender documents for the future provision of the Services, including:

- (a) full and comprehensive details of the Services and how they are provided to the Authority;

H10.2 The Authority shall take all necessary precautions to ensure that the information referred to in clause H10.1 is given only to potential providers who have qualified to tender for the future provision of Replacement Services.

H10.3 The Authority shall require that all potential providers treat the information in confidence; that they do not communicate it except to such persons within their organisation and to such extent as may be necessary for the purpose of preparing a response to an invitation to tender issued by the Authority; and that they shall not use it for any other purpose.

H10.4 The Service Provider indemnifies the Authority against any claim made against and Losses incurred by the Authority at any time by any person in respect of any liability incurred by the Authority arising from any deficiency or inaccuracy in information which the Service Provider is required to provide under clause H10.1.

H11 Exit Management

H11.1 Upon termination (including any partial termination(s)) or expiry of the Contract for any reason, the Service Provider shall render all reasonable assistance to the Authority to the extent necessary to effect an orderly assumption by the Authority or a Replacement Service Provider in accordance with the procedure set out in this clause H11.

H11.2 Where the Authority requires Replacement Services on expiry or termination of the Contract, either by performing them itself or by engaging a Replacement Service Provider to perform them, the Service Provider shall co-operate fully with the Authority and/or any Replacement Service Provider and shall take all reasonable steps to ensure the timely and effective transfer of the Services without disruption to routine operational requirements. This co-operation shall include allowing full access to, and providing copies of, all documents, reports, summaries and any other information necessary in order to achieve an effective transition without disruption to routine operational requirements.

H11.3 The Service Provider shall co-operate fully with the Authority in order to enable an efficient and detailed knowledge transfer from the Service Provider to the Authority on the completion or earlier termination of the Contract and in addition, to minimise any disruption to routine operational requirements. To facilitate this transfer, the Service Provider shall provide the Authority free of charge with access to its Staff, and in addition, copies of all documents, reports, summaries and any other information requested by the Authority. The Service Provider shall comply with the Authority's request for information no later than 15 Working Days from the date that that request was made.

- H12.7 If the Service Provider is appointed by the Authority as a Replacement Service Provider, clause H12.4 shall not apply to any Warrants or Orders in the possession of the Service Provider as at the date of such appointment.
- H12.8 If the Service Provider fails to execute any Warrant or Order which is subject to an Execution Extension Period in accordance with the terms of the Contract, the Authority may require the Service Provider to return the Warrant or Order to the issuing court immediately, regardless of whether or not it has been executed.
- H12.9 If a Warrant or Order is sent to the Service Provider in error following expiry or termination of the Contract, the Contractor shall immediately return it to the issuing Court and shall not undertake any enforcement activities or other work in relation to the Warrant or Order.

I GENERAL

I1 Dispute Resolution

- I1.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Contract within 20 Working Days of either Party notifying the other of the dispute and such efforts shall involve the escalation of the dispute to the Director, Public Sector of the Service Provider and the HMCTS Director of Operations on behalf of the Authority.
- I1.2 Nothing in this dispute resolution procedure shall prevent the Parties from seeking from any court of competent jurisdiction an interim order restraining the other Party from doing any act or compelling the other Party to do any act.
- I1.3 If the dispute cannot be resolved by the Parties pursuant to clause I1.1 either Party may refer it to mediation pursuant to the procedure set out in clause I1.5.
- I1.4 The obligations of the Parties under the Contract shall not cease, or be suspended or delayed by the reference of a dispute to mediation (or arbitration) and the Service Provider and the Staff shall comply fully with the requirements of the Contract at all times.
- I1.5 The procedure for mediation and consequential provisions relating to mediation are as follows:
- (a) a neutral adviser or mediator (the "**Mediator**") shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator (or if the chosen Mediator is unable or unwilling to act) either Party may within 10 Working Days from the date of the proposal to appoint a Mediator or within 10 Working Days of notice to either Party that he is unable or unwilling to act (as relevant), apply to the Centre for Effective Dispute Resolution to appoint a Mediator;
 - (b) the Parties shall within 10 Working Days of the appointment of the Mediator meet with him in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations. If appropriate, the Parties may at any stage seek assistance from the Centre for Effective Dispute Resolution to provide guidance on a suitable procedure;
 - (c) unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;
 - (d) if the Parties reach agreement on the resolution of the dispute, the agreement shall be recorded in writing and shall be binding on the Parties once it is signed by their duly authorised representatives;
 - (e) failing agreement, either of the Parties may invite the Mediator to provide a non-binding but informative written opinion. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties; and
 - (f) if the Parties fail to reach agreement within 60 Working Days of the Mediator being appointed, or such longer period as may be agreed by the Parties in writing, then any dispute or difference between them may be referred to the Courts unless the dispute is referred to arbitration pursuant to the procedures set out in clause I1.6.

I1.6 Subject to clause I1.2, the Parties shall not institute court proceedings until the procedures set out in clauses I1.1 and I1.3 have been completed save that:

- (a) the Authority may at any time before court proceedings are commenced, serve a notice on the Service Provider requiring the dispute to be referred to and resolved by arbitration in accordance with clause I1.7;
- (b) if the Service Provider intends to commence court proceedings, it shall serve notice on the Authority of its intentions and the Authority shall have 21 days following receipt of such notice to serve a reply on the Service Provider requiring the dispute to be referred to and resolved by arbitration in accordance with clause I1.7; and
- (c) the Service Provider may request by notice to the Authority that any dispute be referred and resolved by arbitration in accordance with clause I1.7, to which the Authority may consent as it sees fit.

I1.7 If any arbitration proceedings are commenced pursuant to clause I1.6:

- (a) the arbitration shall be governed by the provisions of the Arbitration Act 1996 and the Authority shall give a notice of arbitration to the Service Provider (the "**Arbitration Notice**") stating:
 - (i) that the dispute is referred to arbitration; and
 - (ii) providing details of the issues to be resolved;
- (b) the London Court of International Arbitration ("LCIA") procedural rules in force at the date that the dispute was referred to arbitration in accordance with I1.7 (b) shall be applied and are deemed to be incorporated by reference to the Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (c) the tribunal shall consist of a sole arbitrator to be agreed by the Parties;
- (d) if the Parties fail to agree the appointment of the arbitrator within 10 days of the Arbitration Notice being issued by the Authority under clause I1.7(a) or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
- (e) the arbitration proceedings shall take place in London and in the English language; and
- (f) the arbitration proceedings shall be governed by, and interpreted in accordance with, English Law.

I2 **Force Majeure**

I2.1 Subject to this clause I2 (and, in relation to the Service Provider, subject to its compliance with Schedule 15 (Service Continuity Plan and Corporate Resolution Planning), a Party may claim relief under this clause I2 from liability for failure to meet its obligations under the Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Service Provider in performing its obligations under the Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Service Provider.

- 12.2 The Affected Party shall as soon as reasonably practicable issue a notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect (a "**Force Majeure Notice**").
- 12.3 If the Service Provider is the Affected Party, it shall not be entitled to claim relief under this clause 12 to the extent that consequences of the relevant Force Majeure Event:
- (a) are capable of being mitigated by any of the Services, but the Service Provider has failed to do so; and/or
 - (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by the Contract.
- 12.4 Subject to clause 12.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 12.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Service Provider is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 12.6 If, as a result of a Force Majeure Event:
- (a) an Affected Party fails to perform its obligations in accordance with the Contract, then during the continuance of the Force Majeure Event:
 - (i) the other Party shall not be entitled to exercise its rights to terminate the Contract in whole or in part as a result of such failure pursuant to clause H2.1 or H6.1; and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
 - (b) the Service Provider fails to perform its obligations in accordance with the Contract it shall be entitled to receive payment of the Price (or a proportional payment of it) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of the Contract during the occurrence of the Force Majeure Event.
- 12.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under the Contract.
- 12.8 Relief from liability for the Affected Party under this clause 12 ends as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under the Contract and is not dependent on the serving of a notice under clause 12.7.

13 **Notices and Communications**

- 13.1 Subject to clause 13.3, where the Contract states that a notice or communication between the Parties must be "written" or "in writing" it is not valid unless it is made by letter (sent by hand, first class post, recorded delivery or special delivery) or by email.

14 **Conflicts of Interest**

- 14.1 The Service Provider shall take appropriate steps to ensure that neither the Service Provider nor any Staff is placed in a position where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Service Provider and the duties owed to the Authority under the provisions of the Contract. The Service Provider will notify the Authority immediately giving full particulars of any such conflict of interest which may arise.
- 14.2 The Authority may terminate the Contract immediately by notice and/or take or require the Service Provider to take such other steps it deems necessary if, in the Authority's reasonable opinion, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Service Provider and the duties owed to the Authority under the provisions of the Contract. The actions of the Authority pursuant to this clause 14 shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Authority.

15 **Rights of Third Parties**

- 15.1 The provisions of:

- (a) clauses E8 (Intellectual Property Rights) and F7.2 (Transfer by the Service Provider); and
- (b) paragraphs 2.1 and 2.6 of Part A, paragraphs 2.1, 2.6 and 3.1 of Part B, paragraphs 2.1(a), 2.1(b) and 2.3 of Part C, and paragraphs 2.3 and 2.8 of Part D of Schedule 13 (Staff Transfer),

confer benefits on persons named in such provisions (together "**Third Party Provisions**" and each person a "**Third Party Beneficiary**") other than the Parties and are intended to be enforceable by Third Party Beneficiaries by virtue of the Contracts (Rights of Third Parties) Act 1999 ("**CRTPA**").

I5.2 Subject to clause I5.1, a person who is not a Party has no right under the CRTPA to enforce any provisions of the Contract but this does not affect any right or remedy of any person which exists or is available otherwise than pursuant to the CRTPA and does not apply to the Crown.

I5.3 No Third Party Beneficiary may enforce or take steps to enforce any Third Party Provision without Approval.

I5.4 Any amendments to the Contract may be made by the Parties without the consent of any Third Party Beneficiary.

I6 Remedies Cumulative

I6.1 Except as expressly provided in the Contract all remedies available to either Party for breach of the Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

I7 Waiver

I7.1 The failure of either Party to insist upon strict performance of any provision of the Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Contract.

I7.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with clause I3 (Notices and Communications).

I7.3 A waiver of any right or remedy arising from a breach of the Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Contract.

I8 Severability

I8.1 If any provision of the Contract is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions of the Contract shall continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

I8.2 In the event that any deemed deletion under clause I8.1 is so fundamental as to prevent the accomplishment of the purpose of the Contract or materially alters the balance of risks and rewards in the Contract, either Party may give notice to the other Party requiring the Parties to commence good faith negotiations to amend the

Contract so that, as amended, it is valid and enforceable, preserves the balance of risks and rewards in the Contract and, to the extent that is reasonably possible, achieves the Parties' original commercial intention. If the Parties are unable to agree on the revisions to the Contract within 10 Working Days of the date of the notice given pursuant to clause I8.1, the matter shall be dealt with in accordance with clause I1 (Dispute Resolution).

I9 Entire Agreement

I9.1 The Contract constitutes the entire agreement between the Parties in respect of the matters dealt with therein. The Contract supersedes all prior negotiations between the Parties and all representations and undertakings made by one Party to the other, whether written or oral, except that this clause shall not exclude liability in respect of any fraudulent misrepresentation.

I10 Change in Law

I10.1 The Service Provider shall neither be relieved of its obligations to supply the Services in accordance with the terms and conditions of the Contract nor be entitled to an increase in the Price as the result of:

- (a) a General Change in Law; or
- (b) a Specific Change in Law where the effect of that Specific Change in Law on the Services is reasonably foreseeable at the Commencement Date.

I10.2 If a Specific Change in Law occurs or will occur during the term of the Contract (other than as referred to in clause I10.1(b)), the Service Provider shall (acting reasonably at all times):

- (a) notify the Authority as soon as reasonably practicable of the likely effects of that change, including:
 - (i) whether any Change is required to the Services, the Price or the Contract; and
 - (ii) whether any relief from compliance with the Service Provider's obligations is required; and
- (b) provide the Authority with evidence:
 - (i) that the Service Provider has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its Sub-Contractors;
 - (ii) as to how the Specific Change in Law has affected the cost of providing the Services; and
 - (iii) demonstrating that any expenditure that has been avoided has been taken into account in amending the Price.

I10.3 Any variation in the Price or relief from the Service Provider's obligations resulting from a Specific Change in Law (other than as referred to in clause I10.1(b)) shall be implemented in accordance with clause F9.

I11 Counterparts

111.1 The Contract may be executed in counterparts, each of which when executed and delivered shall constitute an original but all counterparts together shall constitute one and the same instrument.

112 **Governing Law and Jurisdiction**

112.1 This Contract and any issues, disputes or claims (whether contractual or non contractual) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the laws of England and Wales.

112.2 Subject to the provisions of clause 11, the Parties agree that the Courts of England and Wales shall have jurisdiction to settle any dispute or claim (whether contractual or non-contractual) that arises out of or in connection with this Contract or its subject matter or formation. Notwithstanding the preceding provisions of this clause 112.2, the submission to such jurisdiction shall not limit the right of the Authority to take proceedings against the Service Provider in any other court of competent jurisdiction, and the taking of proceedings in any other court of competent jurisdiction shall not preclude the taking of proceedings in any other jurisdiction whether concurrently or not.
