

GENERAL BIDDERS GUIDANCE:

******Please note this pricing schedule has two elements. For evaluation purposes only, bidders will b complete Sheet 2: Rate Card which will not be evaluated however, the rates will be applied to the cor Scenarios 1 & 2 must be reflective of the rates provided in Sheet 2 Rate Card******

- 1) This is a Scenario Pricing Model.
- 2) Bidders must complete 100% of the Scenario Pricing Model in order for the Contracting Authority to the disqualification of your bid.
- 3) The scenario pricing model is compiled of services that may form part of your offering.
- 4) Not all Service Categories that are within the scope of this contract have been reflected in the scenar and for evaluation purposes only.
- 5) Any price submitted within the Scenario Pricing Model will determine the maximum price for those s reflected in the Suppliers offering (as a maximum parameter).

Three scenarios are provided below, please provide your costs in delivering the:

Scenario 01

STFC IP manager informs you about an employee’s new idea for an improved x-ray detector (which is a inventor is required. The patent specification is expected to be 30 pages, 5 drawings and 30 claims, wii

Scenario 02

File regional EP application (Euro (PCT)) for the application referred to Scenario 1

Scenario 03

One of STFC’s key patent families recently entered national phase at the EPO and the USPTO.

1. Response (R161 – Euro PCT) is required to address novelty objections, along with minor clarity issues technical input.
2. Response for first rejection to be filed at USPTO for objections similar to above, along with IDS submi
